PART B: STARTING AN OVERSEAS CHAPTER

B-1 OBJECTIVES OF NUS ALUMNI OVERSEAS CHAPTERS

The objectives of Chapters are to:

- Establish and maintain communication, consultation and co-operation between overseas alumni and NUS by partnering OAR;
- Strengthen ties among alumni through the Chapter’s social and professional activities;
- Encourage alumni to pursue NUS Lifelong Learning programmes;
- Support NUS in realising its vision to be a leading global university shaping the future;
- Engender support; and
- Propagate the good name of NUS.

B-2 SETTING UP AN NUS ALUMNI OVERSEAS CHAPTER

Chapters are formed in parts of the world where there is an active alumni base (at least 100 active alumni) residing or working there. Working in consultation with OAR, these Chapters identify and involve graduates in activities that are complementary to NUS’ goals.

A group that seeks to establish itself as a Chapter should address its relationship with NUS as a part of its organisational plan and agree to:

- Promote the interests of NUS and its alumni, and maintain a mutually beneficial relationship with NUS through OAR;
- Appoint a delegate to represent the Chapter at key NUS/OAR events;
- Welcome all alumni on an equal basis;
- Convey the interests and concerns of the Chapter’s alumni to OAR;
- Organise at least four alumni events a year;
- Create a vibrant alumni network through events, reunions, talks, community service and make positive contributions to the University;
- Encourage the spirit of volunteerism among its alumni and create a positive impact in their community;
- Relay NUS news to its alumni; and
- Develop and maintain a Chapter database in accordance with local laws, and to provide OAR with updated information and contact details of its alumni.

A preliminary discussion will be arranged to understand the aims and activities proposed by alumni keen to establish a Chapter, and to determine its sustainability in the long run. All Chapter committee appointments must be approved by OAR.
B-3 COMMITTEE STRUCTURE FOR NUS ALUMNI OVERSEAS CHAPTERS

As Chapters are purely volunteer-driven, alumni aspiring to serve as committee members should believe in the spirit of volunteerism and have a desire to do good for the community.

The primary responsibility for the operation of a Chapter rests with the committee to provide overall direction and implement policies. The size of the committee will be determined by the membership, subject to a minimum of four executive committee members.

Key Committee Positions

The following is a list of the key leadership positions for the successful operation of Chapters:

- **Chairperson**: To provide leadership directions to the Chapter and to serve as the point-of-contact with OAR. To undertake succession planning so that new leaders are identified and groomed. The committee Chairperson is not an elected position. Prospective Chairpersons must be recommended by the Chapter committee and discussed in consultation with OAR. Selected candidates require approval by the NUS President and are finally appointed by the OAR Director.

- **Vice-Chairperson**: To support the Chairperson and to serve as the Acting Chairperson in his/her absence. In the event that the Chairperson steps down, this person will automatically become the acting Chairperson for reasons of continuity, until the next Chairperson is appointed.

- **Secretary**: To prepare meeting agendas, maintain a record of proceedings at meetings and distribute meeting notes to committee members, maintain Chapter database and update OAR of any changes and prepare reports on Chapter's activities.

- **Treasurer**: To keep accurate record of the Chapter's expenditure and liaise with OAR on any reimbursement matters, if any.

- **Adviser (Optional)**: To provide strategic advice to the Chairperson and the committee. This person is typically a former Chairperson, senior faculty member or leader of global standing who is able to lend support to the Chapter.
• All committee members must be NUS alumni.
• Committee positions must be open to alumni from all Faculties/Schools in NUS and all nationalities (not confined only to the nationality of the Chapter’s home country).
