Being a part of the exciting Oil, Gas and Chemicals industry

Dear Engineering students,

ABB is one of the major global player in the Oil, Gas and Chemicals (OGC) industry, providing state-of-the-art technology and solutions to the offshore, onshore, refining and petrochemicals facilities.

We will be delivering a company presentation on the exciting prospect of working in ABB for the OGC industry on 14th March 2018 (Wednesday), 12 noon, in CIT Auditorium Level 2, Computer Centre.

It will be a great opportunity for you to mingle with our team, to learn more about this industry and ABB through informal chats.

We look forward to seeing you at our company presentation at CIT Auditorium, Level 2.
