

Internet Explorer 9

How to enable Compatibility View

A. Introduction

When using the NUS Staff Portal, you may notice that some of the SAP eServices do not run well in Internet Explorer 9.

This document shows the step by step instructions on how to enable the Compatibility View in Internet Explorer 9, so as to continue to use the eServices in the new browser.

B. Enable Compatibility View

1. Login to the NUS Staff Portal (<https://staffportal.nus.edu.sg>).
2. From Internet Explorer 9, press the **Alt** key from your keyboard to bring up the menu bar.
3. Click on **Tools** from the menu bar and select **Compatibility View**.
4. Internet Explorer 9 will use Compatibility View for NUS Staff Portal from now on.
