Start-Up@Singapore (SUS) is a world-class business plan competition. SUS aims to be the beacon for start-ups on their road to success. CEO Unplugged is part of Global Entrepreneurship Week.

www.startup.org.sg

Ever wondered what goes in the minds of top-notch CEOs of the biggest companies, and just how they've managed to succeed? Here's your chance to find out!

Held as part of Global Entrepreneurship Week, CEO Unplugged is a good opportunity to learn about the experiences of these successful entrepreneurs. Aimed to be a source of inspiration and a wealth of knowledge, CEOs will be put under the lens as they are fielded with questions. Listen to distinguished CEOs share their journey toward being a successful entrepreneur.
