PROGRAMME DETAILS

| 2. | Academic Content | The aim of this five-week intensive course is to teach the basic grammar (phonology, morphology and syntax) and vocabulary of biblical Hebrew. Starting with the Hebrew alphabet, we will eventually read from different passages of the Bible with the help of a biblical Hebrew lexicon. |
|    |                 | Course requirements
|    |                 | • Class attendance and participation
|    |                 | It is mandatory for all students to attend classes. Failure to attend classes will result in a student being denied the right to partake of the final assignment and receive a final grade in a course. Students who have a justified reason to miss class (illness, mourning, etc.) must communicate with their instructor and the Department of Summer Courses and Special Programs, and complete the material that they have missed
|    |                 | • Preparation of homework
|    |                 | • Final Exam

| 3. | Eligibility Requirements | NUS’ generic eligibility requirements apply, please see GRO website for details. |
|    |                             | HUJI RIS encourages students who fulfil the following requirements to apply for the programme
|    |                             | • Be an undergraduate or graduate student
|    |                             | • Have completed their first year of study |
### Application Procedure

- Must possess a sufficient command of English

Apply via the [NUS Education Records System (EduRec)](https://educationrecords.nus.edu.sg) and the [host university’s website](https://example.com) concurrently. You must accept both the EduRec offer as well as the host university offer to confirm your participation in this programme.

### Module Mapping

If you are interested in obtaining credit, you can start the module mapping process after you apply in EduRec and accept the offer for the programme. Note that all mapping requests are subjected to approval by the Faculties. [Click here](https://example.com) for information on applying for module mapping. Please also note the following:

- Students may map up to a maximum of 10 MCs for each summer programme and up to a maximum of 5 MCs for each winter programme. Module mapping will be subject to approval from the respective Faculties/Schools.

- Of the MCs approved for mapping, a total of 12 MCs from a maximum of 2 overseas summer/winter and research programmes can be mapped without having to pay NUS tuition. Additional MCs mapped will be subjected to NUS Special Term fees. For details, visit the [NUS Registrar’s Office website](https://example.com).

- Questions about module mapping approval and the number of MCs you can map without having to pay tuition? Please contact the SEP coordinator at your home faculty.
