Beyond 12MCs, NUS Special Term tuition fees will apply, in addition to Summer/Winter Programme fees paid to the host university. ## Transcript and Credits

**Certificate**

A certificate of participation will be presented to each student on the last day of the course(s), if the student attended regularly (at least 80%) and participated successfully.

**Transcripts**

HUWISU starts issuing your transcript approximately six weeks after course completion. Towards the end of the program, an email will be sent requesting the mailing address for the transcript. The address may be the student’s home address or the home university’s address. In the latter case, the student must indicate the appropriate receiving university employee or department. Addresses must be formatted as seen on envelopes.
Please provide HUWISU a valid, personal mailing address to host university so that they can send your transcript to you after the programme.

Please do not arrange for your transcript to be mailed to NUS Global Relations Office (GRO). GRO is not responsible for missing transcripts.

**Credits**
Academic performance is assessed by grades/marks on a scale from 1.0 to 5.0. Additionally, each course carries a certain weight, which is expressed in ECTS credit points (Studienpunkte).

All courses are accredited according to the European Credit Transfer System (ECTS). ECTS has been developed by the Commission of the European Union to provide common procedures to guarantee academic recognition of studies abroad.

ECTS is a credit system based on student workload. It involves lectures, seminars, practical work, papers and self-assessments. One credit point is deemed to be the equivalent of 25-30 working hours. The basic allocation of academic credits is 60 ECTS credits per year of study or 30 ECTS credits per semester. Regular attendance is required (minimum 80% presence at the courses).

The number of ECTS credits to be acquired varies from course to course, therefore please see the course description.

**Generally,** 6 ECTS is equivalent to 4 NUS MCs. This may differ according to faculty. Please seek the relevant NUS faculties' advice on the exact conversion.

Details available at [http://huwisu.de/pages/certificate_and_credits/](http://huwisu.de/pages/certificate_and_credits/).

Only students who finish the course, fulfill all requirements and submit all assignments will be graded. A pass grade is required to facilitate the transfer of credits back to NUS.
