| 5 Eligibility Requirements | NUS’ generic eligibility requirements apply, please see GRO website for details. Host university’s requirements are:  
• Be between the ages of 18 and 40 (inclusive) and be in good health;  
• Be currently attending college/university.  
This programme is open to students with Chinese nationality. |
| 6 Accommodation | PKUSSI has reserved a limited number of rooms in PKU Global Village. These rooms cost between 120-160 RMB per night, depending on the type of room. The type of room is randomly assigned, please see the website for further information (http://www.oir.pku.edu.cn/summerschool/Campus_Life/Accommodation.htm)  
PKUSSI will not be able to assist with room reservation at Global Village after 31 March 2020. Students will be responsible in securing accommodation themselves after the deadline. |
| 7 Application Procedure | • Apply in NUS Education Records System (EduRec) in order to proceed with module mapping, submission financial aids application;  
• Students must accept internal offer in EduRec by 27 March 2020 in order to be nominated by NUS GRO to enjoy discount provided by PKUSSI;  
• Apply for the summer programme with PKU at http://www.studyatpku.com/, please refer to application instruction at http://www.oir.pku.edu.cn/summerschool/Application/Application_Procedure.htm;  
(Note: please ensure that RMB2000 discount is included before making programme fee payment)  
• Students must accept both the EduRec offer as well as the PKU offer to confirm participation in this programme. |
|   | Module Mapping | Students interested in obtaining credit may start the module mapping process after submitting and accepting the offer in EduRec. Module mapping request is subject to approval from the Faculties. [Click here](#) for a step-by-step guide on applying for module mapping.

Students may map up to a maximum of 10 MCs for each summer programme. A total of 12 MCs from a maximum of 2 overseas summer/winter and research programmes can be mapped without having to pay NUS tuition. Additional MCs mapped will be subjected to Special Term fees. Students should inquire with the SEP administrators/coordinators at their respective home Faculty/School Dean's Office or the academic department on being considered for a fee waiver. For details, please visit the [Registrar's Office website](#).

---

|   | ADDITIONAL INFORMATION | Successful applicants will receive an admission package which include JW202 Form and Admission Notice for visa application.

You will require X2 visa to enter the China and participate in this programme. The documents you require for your visa application will be provided after the host university accepts you and you have paid the programme fee.

For information on visa application in Singapore, please refer to [http://www.visaforchina.org/SGP_EN/generalinformation/visaknowledge/260894.shtml](http://www.visaforchina.org/SGP_EN/generalinformation/visaknowledge/260894.shtml)

On Courses

On China and Beijing

Chinese history and culture have an ancient and glorious past. The capital of China, Beijing, is located in northeastern China and is considered the political, economic, cultural, and educational center of the country. Beijing has the city's name is a combination of the Chinese characters “Beijing,” which translates to “northern capital.” The city is divided into several districts, each with its own unique attractions and historical significance. Beijing is home to numerous famous landmarks, including the Forbidden City, the Summer Palace, the Great Wall of China, and the Temple of Heaven. These sites not only reflect the city’s rich cultural heritage but also attract millions of tourists from around the world. Beijing is also known for its vibrant art scene, culinary delights, and modern city life, offering a fascinating mix of tradition and innovation.

On Extra-curricular Activities

In Beijing, students can participate in a wide range of activities that offer opportunities to explore and experience Chinese culture and its rich heritage. These activities can include visits to local temples, museums, and art galleries, as well as cultural events such as traditional music and dance performances.

On Peking University

Peking University is one of China's top universities and is renowned for its academic excellence and contributions to various fields, including sciences, humanities, and social sciences. The university was founded in 1898 and has since grown into a major research institution with a global reputation. Peking University is home to numerous research centers and institutes, offering students the opportunity to engage in cutting-edge research and collaborate with leading scholars from around the world.

Testimonials from Peking University students:

Jin, Tianyi

“Peking University has been an incredible experience for me. The campus is stunning and the academic programs are outstanding. I have had the opportunity to study with some of the best minds in the country and have been able to explore a wide range of disciplines.”

Liu, Xiang

“Peking University offers an incredible opportunity to immerse oneself in Chinese culture and academia. The language and culture courses provided are invaluable and have helped me gain a deep understanding of Chinese society.”

Zhang, Wei

“I have had an amazing time at Peking University. The campus is beautiful, and the people are friendly and welcoming. I have made lifelong friends and have gained valuable insights into Chinese culture and society.”

**WELCOME FROM THE DIRECTOR**

Director's Message

**ABOUT THE UNIVERSITY**

Fighting Gordon University is proud to be the leading institution in the Philippines, known for its excellence and innovation. The university offers a wide range of undergraduate and graduate programs, with a strong focus on providing a holistic education that prepares students for success in their chosen careers. Fighting Gordon University is renowned for its commitment to academic excellence, providing a nurturing environment for students to grow intellectually, morally, and spiritually. The university is equipped with modern facilities and resources to support students in their learning journey. Fighting Gordon University's diverse community of faculty, staff, and students contributes to a vibrant academic culture, fostering a spirit of collaboration, innovation, and lifelong learning.

**ABOUT THE PROGRAM**

Economics is a science that investigates economic activities and their underlying factors in society. It focuses on the allocation of scarce resources to fulfill human needs and wants. Fighting Gordon University offers a comprehensive Bachelor of Science in Economics (BSE) program that aims to provide students with a solid foundation in economic theory and practical skills. Graduates of this program are equipped with the knowledge and skills to pursue careers in various fields such as finance, banking, market research, and public policy.

**ELIGIBILITY**

Applicants to the BSE program must meet the following requirements:

- **High School Diploma:** Applicants must have completed high school and passed the required board examinations or placement tests.
- **Admission Tests:** Some programs may require applicants to take admission tests such as the Scholastic Aptitude Test (SAT) or the College Entrance Examination Board (CEEBOARD).
- **Letters of Recommendation:** Students are sometimes required to submit letters of recommendation from teachers or counselors.

**Fees & Payment**

The total tuition fee for the Bachelor of Science in Economics program is PhP 19,000 per semester. Payment plans are available to facilitate payments over several terms. Additional costs include textbooks, uniforms, and other materials.

**NOTICE**

All applicants must submit the following documents:

- **Transcript of Records:** Official transcript from a recognized secondary school.
- **Admission Test Scores:** Depending on the program, applicants may be required to submit scores from standardized tests.
- **Letters of Recommendation:** Two letters of recommendation are required from academic or professional references.

**HOW TO APPLY**

Application Deadline: May 15, 2023

Application Process:

1. Visit the university's official website to download the application form.
2. Complete the application form and submit it along with all required documentation.
3. Pay the application fee.

**IMPORTANT DATES**

- **Application Deadline:** May 15, 2023
- **Notification of Admission:** June 1, 2023
