Students should refer to the website for the latest list of courses available and its descriptions. Please note that participants should only enrol 1 course per session. Courses are subject to change.

UAB Barcelona Summer School also offers the Buddy Programme that allow international students who participate in the Summer School to meet UAB students, get to know their culture and participate in university activities.

Students of the programme will have to attend at least the 80% of the classes in order to get the transcript of records, otherwise they will not get any transcript from the UAB.

#### 5 Eligibility Requirements

NUS’ generic eligibility requirements apply, please see GRO website for details.

The UAB Barcelona Summer School is open to undergraduate and postgraduate students, both local and international. All undergraduates must already have taken at least half of their first-year courses. They should also have a good knowledge of the working language.

#### 6 Accommodation

UAB provides accommodation options to participants. Please refer to [https://www.uab.cat/web/study/summer-uab-courses/accommodation-1345694857199.html](https://www.uab.cat/web/study/summer-uab-courses/accommodation-1345694857199.html) for details.

#### 7 Application Procedure

You are **REQUIRED TO** apply via NUS’ [EduRec-GE](https://www.nus.edu.sg/gro/summer-winter.php) AND the host university’s website concurrently.

Application to UAB International Summer Term Programme is open from mid-January till 15 May 2020. Interested students should start the application by clicking “Enrol Now” button on UAB’s website.

Students who require visa for entry/stay in Spain should apply to the programme early enough to allow time for the visa to be processed and granted before the programme starts. As soon as you have completed the online application form and made payment by credit card successfully, you will receive a confirmation message from UAB and it means you are already accepted.

Please note that you must accept both NUS EduRec offer as well as the host
| 8 | Module Mapping | You can start the module mapping process after you apply in EduRec and accept the offer for the programme. Click [here](#) for a step-by-step guide on applying for module mapping.  
**Module mapping request is subjected to approval from the Faculties.**  
Students may map up to a maximum of 10 MCs for each Summer Programme and up to a maximum of 5 MCs for each Winter Programme. Module mapping will be subject to approval from the respective Faculties/Schools.  
Students who enroll in these Programmes may request for a waiver of NUS tuition fees for the credits they wish to transfer back to NUS. This waiver applies to up to 2 Summer/Winter Programmes and up to a total of 12 MCs transferred during their course of study in NUS. Beyond that, NUS Special Term tuition fees will apply, in addition to Summer/Winter Programme fees paid to the host university. For clarification, students may contact the SEP administrators/coordinators at their respective home Faculty/School Dean’s Office or the academic department. Business courses in summer/winter programmes which are less than 3 weeks are not credit bearing. |
