PROGRAMME DETAILS

4  Academic Content
Over 130 English-taught courses in 12 fields of studies including Engineering, Korean Studies & Language, Design, Communication, Economics & Business, Media & Journalism, Public Health, Art & Sport, International Studies, Humanities, Social Science and Math & Science. Each course carries 2-3 credits. Students may take up to 3 courses, however, please note that you can only map up to a maximum of 10 MCs per summer programme. 
Students may participate in a 4-6 weeks credit-bearing Research Project instead of enrolling in regular afternoon and evening during the programme. Students will be placed in preferred labs based on their cover letter and CV.

Visit Hanyang’s website [http://www.hanyangsummer.com/seoul/courses/](http://www.hanyangsummer.com/seoul/courses/) to explore the course options and course timetable.

| 5 | Eligibility Requirements | General **NUS Requirements**:
|   |   | 1. Full-time NUS undergraduates
|   |   | 2. Students must complete the programme before their conferment date
|   |   | 3. NUS undergraduate students must have a clean disciplinary record and be a strong ambassador for NUS and Singapore in order to be eligible for these programmes

| 6 | Accommodation | Hanyang offers various types of housing on campus. Kindly note that there is no option for early check-in or late check-out. You need to arrange temporary accommodation on your own prior to or after the programme if necessary.
|   |   | Hanyang also works with various housing providers to help students find appropriate and affordable off-campus accommodation nearby the campus or in the city centre.

| 7 | Application Procedure | Apply via **EduRec** and with the **host university** concurrently. You must accept both the EduRec offer as well as the host university offer to confirm your participation in this programme.
|   |   | Students are advised to read the **application guide** before applying for the programme with NUS.

| 8 | Module Mapping | Students interested in obtaining credit can start the module mapping process after you apply in EduRec and accept the offer for the programme. Module mapping request is subjected to approval from the respective Faculties/Schools. [Click here](http://www.hanyangsummer.com/seoul/accommodation/) for a step-by-step guide on applying for module mapping.
|   |   | Students may map up to a maximum of 10 MCs for each Summer Programme. A total of 12 MCs from a maximum of 2 overseas summer/winter and research programmes can be mapped without having to pay NUS tuition. Additional MCs mapped will be subjected to Special Term fees.

<p>| ADDITIONAL INFORMATION | 9 | Visa Application | Students from countries or regions where Korea has signed a Visa waiver agreement may enter Korea without a visa for the summer programme. |</p>

<td>Singaporeans are not required to obtain a visa. Students from other countries not listed in the visa exemption list must apply for a short-term study visa (D-2-8) on their own. The list of countries with visa exemption is available at the <a href="#">Korean Embassy website</a>. It is student’s responsibility to ensure that they obtain a valid visa before making any travel arrangement for their summer programme. Obtaining a visa may be time consuming. Students are encouraged to prepare and apply for a visa as early as possible. The host university will send the documents required for your visa application to the address that you have indicated on your application for the summer programme after you have completed the payment for the programme. Kindly ensure that you have indicated your address correctly to avoid any delays.</td>
