IMPORTANT NOTE
Before applying for any summer/winter programme, read the GRO website for important information on:
- General Eligibility Requirements and Application Process
- Module Mapping and Financial Aid
- Visa Application, Travel Advisories and Student Insurance

Tecnológico de Monterrey Summer School
(Updated as of 3 January 2018)

Host University Website:

Programme Location: Querétaro, Mexico
Programme Dates: 24 May to 30 June 2018
Application Deadline: Nomination & Application Deadline: 20 April 2018
No. of Placements: Unlimited

Querétaro is located in the Central Region of Mexico and is a very traditional city. It has a colonial architecture, with a strong influence from Spain. Querétaro is full of history and art museums, as well as an archeological zone. Being in the central part of Mexico, it is close to other important cities such as Guanajuato or Mexico City.

ESTIMATED COST OF PARTICIPATION

1. Programme Fee
Since NUS and Tecnológico de Monterrey have a long standing partnership, the programme fee is significantly reduced for NUS students. For more information regarding the programme fee and what it includes, please see below.

2. Projected Expenditure
Click here to find additional estimates for airfare, private accommodation and personal expenses for various cities.

Module Mapping

You can start the module mapping process after you apply in myISIS and accept the offer for the programme. Click here for a step-by-step guide on applying for module mapping. Also note the following:

- Maximum of 2 modules (up to 10 MCs) can be mapped per summer / research programme during Special Term (May – August).
- Maximum of 1 module (up to 5 MCs) can be mapped per winter / research programme during year-end vacation (December – January).
- Total of 12 MCs from a maximum of 2 overseas summer/winter and research programmes can be mapped without having to pay NUS tuition. Additional MCs mapped will be subjected to Special Term fees. For details, visit the Registrar's Office website.
