viii) Modules Compatibility	<p>This exchange is for USP students only.</p> <p>Students are pre-registered for one out of three classes their first term at Carleton based on their list of preferences. Students will register for two other classes of their choice through Web Registration. The Dean of the College's office mails detailed instructions on how students go about registering from home. Students are advised not to unduly burden themselves the first term here by taking more than one writing intensive class or more than one class with a laboratory requirement. This is to ensure that students have a smoother transition period as they adapt to the rigors of academic life at Carleton. For more information see Beginning your Academic Journey at Carleton and the Summer Registration Fact Sheet.</p>
ix) Module restrictions and pre-requisites	<p>This exchange program is open only to students from the University Scholars Program. USP students from all Faculties will apply for exchange at Carleton through USP. Interviews will be conducted to select suitable students. Successful applicants will attend Carleton only in Term 1 (NUS Semester 1).</p>
D. Application	
i) Procedures	<p>All NUS students have to be nominated by NUS before they can apply for a fee-waiver exchange at the host university.</p> <p>The application procedures and list of supporting documents needed by the host university can be found in the SharePoint.</p> <p>Please look for the SEP coordinator at your Dean's Office for the link to the SharePoint.</p>
ii) Deadlines	<p>All NUS students must abide by the internal application deadline set by their home Faculty for exchange participation in the following academic year. After clearing the internal application and selection process, students have to take note of the application deadline set by the host university.</p> <p>Failure to submit a formal application to the host university by the stipulated deadline, may result in your exchange being forfeited even if you have been selected by NUS for the exchange.</p>
E. Accommodation	

<p>i) University Accommodation</p>	<p>On campus housing:</p> <p>Most of Carleton's students—and all first-year students—live in one of the College's residence halls (dorms). All residence halls have lounges, TVs and laundry facilities. All campus buildings are smoke-free and most halls have substance-free floors.</p> <p>International exchange students are required to live in one of the on-campus residential halls.</p> <p>http://apps.carleton.edu/student/housing/</p>

Your exchange at the host university depends on the clearance by the immigration of the host country.</p> <p>It is necessary for international students and exchange visitors to make appointments with the U.S. embassy or consulate in their country in a timely fashion in order to receive a visa.</p> <p>Students are expected to obtain a J-1 Student Entry Visa.</p> <p>You must present the required documents to the consular section of the U.S. Embassy, as instructed by Carleton closer to the time of application.
