E. Accommodations

i) University Accommodation

SFU’s on-campus residence is located at Burnaby Campus. It is 5 – 15 minutes walking distance to most buildings on the Burnaby campus and approximately 45 – 60 minutes by public transportation to the Surrey and Vancouver campuses.

Places in residence are offered on a first-come-first-serve basis, so students are encouraged to apply early as outlined below. **SFU cannot guarantee on-campus housing for exchange students.**

Students should apply for housing at the same time they apply to SFU for their exchange/study abroad term. Students must pay a mandatory application fee in order to apply for on-campus housing. When asked for their SFU student number on the housing application, students should write “EXCHANGE” (unless they already have an SFU student number, which most will not).

Students must submit BOTH their “Exchange and Study Abroad” application (to ISS) and their “On-Campus Housing” application (to Housing office) by the Exchange application deadline (March 31 or September 30) in order to be placed on a priority housing list.
If they are offered a space in residence, students will need to pay a deposit to hold their place. This deposit is usually due prior to course enrollment having taken place. Students pay their residence fees for the upcoming semester **before** the start of term. Full details and deadlines are communicated to students directly from SFU Residence. 
For information on SFU’s on-campus housing please see: [students.sfu.ca/residences.html](http://students.sfu.ca/residences.html)
