### D. Application

#### i) Procedures

Once NUS has officially nominated you for your exchange to UBC, you will receive an email with further instructions, including the URL, to complete the online application. Please submit your application by the deadline indicated in the email. Please do not use the UBC Undergraduate Program application/admission portal for exchange applications.

For more information on the application process, please refer to the following link: [http://students.ubc.ca/about/go-global/coming-ubc-exchange/apply-exchange](http://students.ubc.ca/about/go-global/coming-ubc-exchange/apply-exchange)

#### ii) Deadlines

All NUS student must abide by the internal application deadline set by their home faculty for exchange participation in the following academic year. After clearing the internal application and selection process, students have to take note of the application deadline set by the host university.

- Semester 1 (Winter session): 1 April
- Semester 2 (Summer session): 15 September

Failure to submit a formal application to the host university will result your exchange being forfeited even if you have been selected by NUS for the exchange.

### E. Accommodations

#### i) University Accommodation

As soon as students receive their UBC ID number, nominated students should submit a housing application at [https://secure.housing.ubc.ca/](https://secure.housing.ubc.ca/). There is a $50 non-refundable application fee.

**UBC Vancouver** ([http://www.housing.ubc.ca/](http://www.housing.ubc.ca/)): Limited number of rooms is reserved for exchange students. Due to high demand, on-campus housing for Term 1 exchange is not guaranteed; **in fact about 53% of Term 1 only exchange students will receive on-campus housing**. This includes Split Year students. We recommend CIE Term 1 only students look for off-campus housing because of the low chance of getting into a UBC residence.
| **UBC-Okanagan** ([http://okanagan.housing.ubc.ca/](http://okanagan.housing.ubc.ca/)) | Currently, the housing office in the Okanagan will prioritize all exchange applicants if they apply by the deadline. Term 2 will be able to apply for housing in the fall semester. |
| **Private Accommodation** | **UBC-Vancouver**: There are resources available at International House and through the UBC Housing website to help students find housing on their own. [http://vancouver.housing.ubc.ca/other-housing/off-campus-housing/] |

### F. Visa

**Consular/Visa Regulation**

It is your responsibility to obtain the correct documents from Citizenship and Immigration Canada (CIC) prior to your exchange semester(s) in Canada.

Depending on nationality, students may need any other following documentation **before their arrival** in Canada:

(a) **Electronic Travel Authorization (eTA)** - As of March 15, 2016, visa-exempt foreign nationals are expected to have an Electronic Travel Authorization (eTA) to fly to or transit through Canada. Exceptions include U.S. citizens, and travellers with a valid Canadian visa. To find out if you need an eTA prior to your exchange, please refer to the following link: [http://www.cic.gc.ca/english/visit/visas.asp](http://www.cic.gc.ca/english/visit/visas.asp)

(b) **Visitor Visa** - If you do not qualify for an eTA, you will need to obtain a Visitor Visa prior to your arrival in Canada. Please contact the High Commission of Canada in Singapore to start the process of obtaining the appropriate visa. The High Commission Officer might advise you to obtain a Study Permit instead since your time in Canada is primarily for studying. To determine if you need a Visitor Visa, please refer to the following link: [http://www.cic.gc.ca/english/visit/index.asp](http://www.cic.gc.ca/english/visit/index.asp)
