Thinking and Talking About Sculptures

Name: ________________________________  
Date: ________________________________

**Pick a sculpture that you like. Examine it and carry out the following exercise.**

<table>
<thead>
<tr>
<th>Title of sculpture</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>Medium</td>
<td></td>
</tr>
</tbody>
</table>

**Questions:**

1. What does your chosen sculpture look like?

2. What do you find attractive about it?

3. What shapes (e.g. circles, triangles, etc.) and forms (e.g. cones, spheres, etc.) can you identify in the sculpture?

4. What do you think is the meaning of this sculpture?
5. Artists sometimes create artworks in response to something that they observe or an event / incident in their personal lives. What do you think inspired Ng Eng Teng to create this sculpture?

6. Quite often, artists use the same ideas in a series of works. Identify two works that are similar to the one you chose, and explain why you feel they are similar.
