

CONSTRUCTED LANDSCAPES: IMAGINATION

Mohammad Din Mohammad made art by using things he believed had spiritual energy, as he was a traditional healer. He used many unconventional objects such as animal bones and stones in his pieces. See if you can spot the items below in his work (*Earth Energy*).

Animal Hide

Semi-precious Stones

Muslim prayer Beads

Amulet

Bird Skull

Yams

Tapioca Roots

Animal Hair

Earth Energy

YES! I've found it!
