The GA Group Pte Ltd comprises **George Abraham & Associates Pte Ltd, East & Asia Pacific Trade & Industry Publications Pte Ltd and Global Indian Business Network Pte Ltd.**

George Abraham & Associates Pte Ltd is an international business consultancy company that assists local companies in business linkages in the region and works with UN Agencies in small and medium enterprise development and capacity building for institutions in emerging countries.

East & Asia Pacific Trade & Industry Publications Pte Ltd is involved in trade and business related publications, seminars and conferences. Current publications include “Doing Business with India” and the “Singapore Your Business Partner” Series. Seminars and conferences organized recently include “Gateway to Business Opportunities in India” and “Gateway to Logistics Opportunities in India”, held in Singapore and “India-Singapore Synergy Post CECA: Role of SMEs” held in Kolkata, India.

Global Indian Business Network Pte Ltd is involved in promoting trade and investment between India and the region. With our wide established network in India, we are currently involved in helping Singapore and ASEAN companies establish themselves in India through trade & joint venture partnerships and registration of companies in India with advice on location, human resource, etc. Besides consultancies to companies setting up in India, we also take focused delegations of Singapore businesses to select Indian cities and states. The most recent was a delegation of 23 Singapore SMEs in diverse manufacturing and service activities who visited Kolkata (West Bengal) for briefings and one-to-one business matching for business development.

At the same time, the company is also involved in promoting trade and investment between Singapore and India and building up a profile of Indian companies wishing to set up in Singapore. We have assisted Indian companies with market research, potential joint venture partners and setting up offices in Singapore. The companies typically include those with headquarters in Singapore and manufacturing operations in ASEAN countries, as well as representative offices of Indian companies wishing to tap the regional market through Singapore.

As part of the networking across the global Indian diaspora, the company co-organised the Distinguished Technopreneurs Forum in the Global Entrepolis Singapore 2005.

The company was awarded the LEAP Partner (Locally-Based Enterprise Advancement Programme) Award at the Global Entrepolis Singapore on 28 September 2005 by the Economic Development Board of Singapore.
