

## A CELEBRATION WALK FOR THE RECORD

A mass walk was held at Mount Alvernia Hospital yesterday to celebrate its 54th anniversary and start a fund-raising drive in support of the Yusof Ishak Professorship Fund. More than 300 people – including staff – took part and the

event entered the Singapore Book Of Records for the “largest mass walk in ethnic attire”.

By the end of June, the hospital hopes to raise \$24,000 for the fund, which supports research in multi-culturalism. ST PHOTO: CHEW SENG KIM
