

NUS Bizad Charity Run does its bit for charity

The annual National University of Singapore (NUS) Bizad Charity Run was held yesterday at the Kent Ridge campus, and has raised more than \$140,000 for financially disadvantaged NUS Business School undergraduates and the Autism Resource Centre, a not-for-profit charity.

Organised by the NUS Business School Alumni Association and NUS Bizad Club, this year's event attracted more than 1,400 participants. It was attended by Deputy Speaker of Parliament Lim Biow Chuan.
