

3.1.2.5 Continuation Requirements

Masters

- Cumulative Average Point (CAP) should not fall below 2.50 for two consecutive semesters or 3.00 for three consecutive semesters.
- Where a module is required for the graduate candidature and the minimum grade is not met, a student may repeat:

(a) The same module (core or elective) only once. The improved grade point of the repeat/replaced module will replace the weaker one in the CAP (Cumulative Average Point) computation in the semester in which the successful attempt is made; and

(b) One-third of the curricular requirements not exceeding three modules, whichever is lower.

Doctor of Philosophy

- CAP should not fall below 3.00 for two consecutive semesters or 3.50 for three consecutive semesters.
- Where a module is required for the graduate candidature and the minimum grade is not met, a student may repeat:

(a) The same module (core or elective) only once. The improved grade point of the repeat/replaced module will replace the weaker one in the CAP (Cumulative Average Point) computation in the semester in which the successful attempt is made; and

(b) One-third of the curricular requirements not exceeding three modules, whichever is lower.
