7.5.2 Admission Requirements

Admission to the Concurrent Degree Programme is highly competitive and selective; applicants should have very good verbal skills, in order to mingle comfortably with generally more mature M.P.P. students who articulate and write well. Shortlisted high-calibre candidates must undergo a rigorous admissions selection process, which includes the following requirements:

   a. Outstanding academic results
   b. Interview session
   c. Written placement test

Entry into the Concurrent degree programme will occur at the end of the third year of the Yale NUS programme. Application through the Yale-NUS Admissions Office will be announced in week 4 of Semester 2 of Year 3. Students must pass a final interview by week 10 of Semester 2 of Year 3, before joining their MPP cohort for the Master’s programme.
