6.3.1 Overview of Programme

The major for the Faculty of Arts and Social Sciences degree is Economics.

Overview of Programme

The double degree programme integrates and synergises the strengths of the two disciplines of Economics and Business. Business is multi-disciplinary and imparts the necessary skill set for meeting the challenges of the business world, while Economics, being a science of choice, imparts the skill set for problem-solving. The two are therefore complementary and inextricably interwoven.

Both combinations of economics and business is to nurture business-savvy professionals with an edge in economics.
