3.5.2.2 Department of Building Financial Assistance and Scholarships

- Kong Mun Kwong Scholarship
- NUS Department of Building Scholarship
- Wee Hur Scholarship
- Woh Hup Scholarship
- HK Hauw Bursary
- Lighthouse Club (Singapore) Bursary
- Tan Chew Char Bursary

**Kong Mun Kwong Scholarship**

The Kong Mun Kwong Scholarship is donated by Mr Kong Mun Kwong, commencing in AY2011/12. The scholarship is awarded annually to a student who has completed at least 20 MCs and not more than 80 MCs in the BSc (Project and Facilities Management) programme. It is tenable for two years, subject to the student’s progress. Applicants should attain at least a CAP of 4.0, have a strong record of CCA involvement and demonstrate a commitment to community service.

**NUS Department of Building Scholarship**

NUS Department of Building alumni donated an endowed gift in excess of $150,000 to award at least ONE (1) merit-based scholarship per Academic Year to Year One student(s) in the BSc (Project and Facilities Management) programme. The Scholarship, valued at $6,000 per Academic Year, is to be awarded with effect from AY2018/2019. It is tenable for two years, subject to the student’s academic progress.

**Wee Hur Scholarship**

Mr Goh Yeow Lian, Executive Chairman and Managing Director of Wee Hur Holdings Limited, donated an endowed gift of $150,000 to award at least ONE (1) merit-based scholarship per Academic Year to Year Three student(s) in the BSc (Project and Facilities Management) programme. The Scholarship, valued at $6,000 per Academic Year, is to be awarded with effect from AY2018/2019. It is tenable for two years, subject to the student’s academic progress.

**Woh Hup Scholarship**

The Woh Hup Scholarship is donated by Woh Hup Pte Ltd, commencing in AY2011/12. The scholarship is awarded to a 3rd year student in the BSc (Project and Facilities Management) programme. It is tenable for two years, subject to the student’s progress. The same student shall continue to receive the award in his/her 4th year of study. Applicants should attain at least a CAP of 3.5, have a strong record of CCA involvement and demonstrate a commitment to community service.
**HK Hauw Bursary**

The HK Hauw Bursary was established in 2014 with a donation of $50,000. This bursary is awarded to needy undergraduate students studying Project & Facilities Management at the Department of Building, at the School of Design and Environment.

Each Bursary is valued at S$2000.00 per student per annum and tenable for one year for the academic year in which it is awarded. The quantum of each Bursary will be subjected to the minimum bursary quantum determined by the University.

**Lighthouse Club (Singapore) Bursary**

The Lighthouse Club (Singapore) Bursary was established in 2009 with a donation of $45,000. Six bursaries were to be awarded since AY2009/10 to support students studying for a Bachelor of Science (Project and Facilities Management) degree at the Department of Building. Each Bursary is tenable for the duration of the studies and valued at $2,000.

**Tan Chew Char Bursary**

The Tan Chew Char Bursary was established in 2013 with a donation from Dr Freddie Tan (NUS Alumnus ‘96). At least four bursaries (up from two bursaries), each valued at S$2,000, will be awarded to needy Singaporean students reading the Bachelor of Science (Project and Facilities Management) at the Department of Building in each academic year (AY), starting from AY2018/19.

Each Bursary is valued at S$2,000.00 per student per annum and tenable for one year for the academic year in which it is awarded. The number of bursaries and quantum of each Bursary will be subjected to the sufficiency of funds and minimum bursary quantum determined by the University.
