-----------------	-----------------------	----------

Business School (4 Double Major Programmes)

Business Administration with Economics	H1 pass in Mathematics or pass in 'O' Level Additional Mathematics	http://www.nus.edu.sg/nusbulletin/faculty-of-arts-and-social-sciences/undergraduate-education/degree-requirements/department-degree-requirements/regular-programmes/economics/
Business Administration with Business Analytics	H2 pass in Mathematics or Further Mathematics	http://www.nus.edu.sg/nusbulletin/school-of-computing/undergraduate-education/multidisciplinary-programmes/double-major-programmes/double-majors-in-the-school-of-computing/double-major-in-business-analytics/
Business Administration with Communications & New Media	H1 pass in Mathematics or pass in 'O' Level Additional Mathematics	http://www.nus.edu.sg/nusbulletin/faculty-of-arts-and-social-sciences/undergraduate-education/degree-requirements/department-degree-requirements/regular-programmes/communications-and-new-media/
Business Administration with Psychology	H1 pass in Mathematics or pass in 'O' Level Additional Mathematics	http://www.nus.edu.sg/nusbulletin/faculty-of-arts-and-social-sciences/undergraduate-education/degree-requirements/department-degree-requirements/regular-programmes/psychology/

Faculty of Arts and Social Sciences (20 Double Major Programmes)

Economics with Business Analytics	H2 pass in Mathematics or Further Mathematics	http://www.nus.edu.sg/nusbulletin/school-of-computing/undergraduate-education/multidisciplinary-programmes/double-major-programmes/double-majors-in-the-school-of-computing/double-major-in-business-analytics/
Chinese Studies with Chinese Language	At least B4 for 'O' level Higher Chinese or 'AO' level Chinese OR A pass in 'A' level Chinese or Higher Chinese OR At least C grade for H1 Chinese, H2 Chinese Language and Literature or H3 Chinese Language and Literature Students with other similar qualifications should approach the department for clarification.	http://www.nus.edu.sg/nusbulletin/faculty-of-arts-and-social-sciences/undergraduate-education/degree-requirements/department-degree-requirements/regular-programmes/chinese-language/
Communications & New Media with English Language	Exempted from NUS Qualifying English Test OR Passed NUS Qualifying English Test OR Exempted from further CELC Remedial English modules	http://www.nus.edu.sg/nusbulletin/faculty-of-arts-and-social-sciences/undergraduate-education/degree-requirements/department-degree-requirements/regular-programmes/english-language/

Double Major Programmes		
Programme Title	Subject Prerequisites	Web Link
Communications & New Media with Management	H1 pass or equivalent in Mathematics	http://www.nus.edu.sg/nusbuletin/school-of-business/undergraduate-education/multidisciplinary-opportunities/double-second-major-in-management-programme/
Communications & New Media with Psychology	Pass in 'O' level Mathematics or equivalent	http://www.nus.edu.sg/nusbuletin/faculty-of-arts-and-social-sciences/undergraduate-education/degree-requirements/department-degree-requirements/regular-programmes/psychology/
Economics with Management	H1 pass or equivalent in Mathematics	http://www.nus.edu.sg/nusbuletin/school-of-business/undergraduate-education/multidisciplinary-opportunities/double-second-major-in-management-programme/
Economics with Mathematics	Good H2 pass or equivalent in Mathematics or Further Mathematics.	http://www.nus.edu.sg/nusbuletin/faculty-of-science/undergraduate-education/multidisciplinary-opportunities/second-major-programmes/mathematics/
Economics with Psychology	Pass in 'O' level Mathematics or equivalent	http://www.nus.edu.sg/nusbuletin/faculty-of-arts-and-social-sciences/undergraduate-education/degree-requirements/department-degree-requirements/regular-programmes/psychology/
Economics with Statistics	Good H2 pass or equivalent in Mathematics or Further Mathematics.	http://www.nus.edu.sg/nusbuletin/faculty-of-science/undergraduate-education/multidisciplinary-opportunities/second-major-programmes/second-major-in-statistics/
English Language with Communications and New Media	Exempted from NUS Qualifying English Test OR Passed NUS Qualifying English Test OR Exempted from further CELC Remedial English modules	http://www.nus.edu.sg/nusbuletin/faculty-of-arts-and-social-sciences/undergraduate-education/degree-requirements/department-degree-requirements/regular-programmes/communications-and-new-media/
English Language with Philosophy	Exempted from NUS Qualifying English Test OR Passed NUS Qualifying English Test OR Exempted from further CELC Remedial English modules	http://www.nus.edu.sg/nusbuletin/faculty-of-arts-and-social-sciences/undergraduate-education/degree-requirements/department-degree-requirements/regular-programmes/philosophy/
Philosophy with English Language	Exempted from NUS Qualifying English Test OR Passed NUS Qualifying English Test OR Exempted from further CELC Remedial English modules	http://www.nus.edu.sg/nusbuletin/faculty-of-arts-and-social-sciences/undergraduate-education/degree-requirements/department-degree-requirements/regular-programmes/english-language/

Double Major Programmes		
Programme Title	Subject Prerequisites	Web Link
Psychology with Communications & New Media	Pass in 'O' level Mathematics or equivalent	http://www.nus.edu.sg/nusbuletin/faculty-of-arts-and-social-sciences/undergraduate-education/degree-requirements/department-degree-requirements/regular-programmes/communications-and-new-media/
Psychology with Economics	Pass in 'O' level Mathematics or equivalent	http://www.nus.edu.sg/nusbuletin/faculty-of-arts-and-social-sciences/undergraduate-education/degree-requirements/department-degree-requirements/regular-programmes/economics/
Psychology with Life Sciences	Two good H2 passes or equivalent in Biology or Chemistry or Mathematics/Further Mathematics or Physics	http://www.nus.edu.sg/nusbuletin/faculty-of-science/undergraduate-education/multidisciplinary-opportunities/second-major-programmes/life-sciences/
Psychology with Management	H1 pass or equivalent in Mathematics	http://www.nus.edu.sg/nusbuletin/school-of-business/undergraduate-education/multidisciplinary-opportunities/double-second-major-in-management-programme/
Psychology with Social Work	Pass in 'O' Level Mathematics or equivalent	http://www.nus.edu.sg/nusbuletin/faculty-of-arts-and-social-sciences/undergraduate-education/degree-requirements/department-degree-requirements/regular-programmes/social-work/
Social work with Psychology	Pass in 'O' Level Mathematics or equivalent	http://www.nus.edu.sg/nusbuletin/faculty-of-arts-and-social-sciences/undergraduate-education/degree-requirements/department-degree-requirements/regular-programmes/psychology/
Social work with Sociology	Please refer to http://www.fas.nus.edu.sg/subject-prerequisites.html for respective subjects.	http://www.nus.edu.sg/nusbuletin/faculty-of-arts-and-social-sciences/undergraduate-education/degree-requirements/department-degree-requirements/regular-programmes/sociology/
Sociology with Social Work	Please refer to http://www.fas.nus.edu.sg/subject-prerequisites.html for respective subjects.	http://www.nus.edu.sg/nusbuletin/faculty-of-arts-and-social-sciences/undergraduate-education/degree-requirements/department-degree-requirements/regular-programmes/social-work/

Faculty of Engineering (36 Double Major Programmes)		
Biomedical Engineering with Innovation & Design	H2 pass in Mathematics or Further Mathematics and either Physics or Chemistry	http://www.eng.nus.edu.sg/edic/programme-iDCP2major.html
Biomedical Engineering with Management	H2 pass in Mathematics or Further Mathematics and either Physics or Chemistry	http://www.nus.edu.sg/nusbuletin/school-of-business/undergraduate-education/multidisciplinary-opportunities/double-second-major-in-management-programme/
Biomedical Engineering with Systems Engineering	H2 pass in Mathematics or Further Mathematics and either Physics or Chemistry	http://www.nus.edu.sg/nusbuletin/faculty-of-engineering/undergraduate-education/special-programmes/double-major-programmes/second-major-in-systems-engineering-programme/

Double Major Programmes		
Programme Title	Subject Prerequisites	Web Link
Chemical Engineering with Innovation & Design	H2 pass in Mathematics or Further Mathematics, Physics and Chemistry	http://www.eng.nus.edu.sg/edic/programme-iDCP2major.html
Chemical Engineering with Management	H2 pass in Mathematics or Further Mathematics, Physics and Chemistry	http://www.nus.edu.sg/nusbuletin/school-of-business/undergraduate-education/multidisciplinary-opportunities/double-second-major-in-management-programme/
Chemical Engineering with Systems Engineering	H2 pass in Mathematics or Further Mathematics, Physics and Chemistry	http://www.nus.edu.sg/nusbuletin/faculty-of-engineering/undergraduate-education/special-programmes/double-major-programmes/second-major-in-systems-engineering-programme/
Civil Engineering with Innovation & Design	H2 pass in Mathematics or Further Mathematics and either Physics or Chemistry	http://www.eng.nus.edu.sg/edic/programme-iDCP2major.html
Civil Engineering with Management	H2 pass in Mathematics or Further Mathematics and either Physics or Chemistry	http://www.nus.edu.sg/nusbuletin/school-of-business/undergraduate-education/multidisciplinary-opportunities/double-second-major-in-management-programme/
