5. Exceptional talents and achievements

Admission to NUS is highly competitive. While good examination results enhance your chances of gaining admission, NUS also seeks suitable candidates with other outstanding academic/non-academic achievements. This section provides an opportunity for you to list your other achievements.

You may choose not to fill in this section if you do not have any such achievement.

The list below are some activities that we may take into consideration.

- Top student awards achieved in the country, national team sportsmen and exceptional rank in top university entrance examinations generally are helpful in this section. Participation in activities and achievements at intra school, house or class level (e.g. best student, most courteous, science/arts/cultural projects) do not, usually, have a strong bearing on the outcome of your application.

As your essay is limited to only 2000 characters (including punctuations and space), do present your ideas in a focused and thoughtful manner.
