Confirmation of Acceptance

To respond to the offer of admission, you must go online at https://aces01.nus.edu.sg/uasonline/Login to complete the Online Acceptance. You must submit your acceptance or rejection of offer by the due date stipulated in your offer letter.

Photograph for Student Card
After accepting our offer of admission online, please login to the Online Photo Submission System https://aces01.nus.edu.sg/photoVerification/PhotoVerificationNewLoginServlet?hAction=newStudent to submit your digital photo within one week of accepting your course. The Online Photo Submission System will open on 17 February 2014. The final deadline for the online photograph submission is the same as that for the online acceptance of the offer of admission or 30 June 2014 latest (whichever is the earlier deadline). As the student card is an important document, please ensure that you submit a recently-taken photo which complies with the requirements given on the Online Photo Submission System which can be found at this url http://www.nus.edu.sg/registrar/event/registration-adminmatters.html#submitphoto.

Please visit the Registration website http://www.nus.edu.sg/registrar/event/registration.html for other important information.

Your photograph submission will be processed within 1 week. Please login to the system again within 3 working days to check whether your photograph has been approved. If the photograph is rejected, you are required to re-submit a new photograph before the deadline.

Your acceptance of the offer of admission is contingent upon your online reply to the offer and online submission of your photo. Even if you have accepted the offer online, it will be assumed that you wish to turn down the offer if we fail to receive your photo by the due date.

Student Discipline
University Rules and Regulations

As a student of the University, you should behave honourably and endeavour to maintain and enhance the good name of the University. As ambassadors of the University, you are expected to uphold the highest standards of respect, integrity and responsibility.

In this light, you should be familiar with the NUS Code of Student Conduct (published at http://www.nus.edu.sg/osa/coc) and must comply with the NUS Statutes and Regulations, and the requirements of the University's Senate in the exercise of its authority. At all times you are subjected to University discipline. Details on the Statute on Discipline with Respect to Students are available at http://www.nus.edu.sg/registrar/adminpolicy/discipline.html.

The University takes a very serious view of any breach of its rules and regulations. Any students found to have breached any of the rules and regulations will be subject to disciplinary action which may result in his/her expulsion from the University. At no time will the University authorities accept a plea of ignorance as an excuse for a breach of any rule.

Leave of Absence

Students may be granted leave for periods of absence from the University. The policy for the leave of absence may be reviewed from time to time by the University. Please refer to http://www.nus.edu.sg/registrar/adminpolicy/loa.html

For undergraduates, such leave of absence is normally not counted towards the maximum candidature of the programme pursued by the student concerned.

Leave of absence may be granted for the following reasons:

Medical Reasons
Students are required to submit a medical certificate from the University’s Health Physician (University Health Centre) who will submit an assessment to the relevant Faculty on whether the student is indeed unfit to study for the semester(s).

Students who are on medical leave of absence for one semester (term) or more, must also be certified fit to resume studies by the University’s Health Physician before he / she can start attending classes. If a student has been consulting a medical practitioner other than one from the University Health Centre during the period of leave, a medical report (in English) from that medical practitioner must be submitted to the University’s Health Physician. Students will not be able to register for modules until they have been certified fit. Should they still be unwell, the medical leave of absence may be extended. Such applications for leave extension will be evaluated based on medical recommendations and the student’s academic records. Normally, a student who is granted leave of absence on medical grounds during a semester will be given “IC” grades for all modules taken in that semester.

Academic Reasons
Leave may be granted for students to participate in other external academic activities.

Personal Reasons
Leave may be granted for students to participate in activities such as competitions, sports, seminars and community services, to start-up a company or to attend to personal matters.

Students who require leave of one semester (term) or more should obtain approval in advance of the semester. If a student applies for semester (term) leave of absence beyond Instructional Week 2, he / she is liable to pay fees for the entire semester. Not having attended any class or not having utilised University’s resources are invalid reasons for exemption from fee payment. Students on semester (term) leave would be expected to resume their studies at the start of the following (regular) semester. Students are to note that the deadline for the application of semester (term) leave of absence will be the last day of Recess Week. In the event that the absence beyond Recess Week is inevitable due to unforeseen circumstances, students are to approach their Home Faculty / School Dean’s Office for advice.

It is the student’s responsibility to notify the relevant module instructors and departments regarding his / her absences from the scheduled academic activities. Students who are absent for an
extended period without first obtaining approval for leave will be regarded as being absent without permission and are liable to have their registration status terminated.

International Students who are granted leave of absence consecutively for more than 2 years will have to cancel their Student’s Pass at the Immigration Checkpoints Authority (ICA). In additional, International Students who are granted leave of absence to participate in a local internship during the regular semester which does not earn any credits for graduation will have to cancel their Student’s Pass and apply to the Ministry of Manpower (MOM) for the necessary Training Employment Pass through their employer. For more information, please refer to http://www.mom.gov.sg/foreign-manpower/passes-visas/training-employment/before-you-apply/Pages/default.aspx

At least one month and not more than two months before the resumption of studies, the International Student will have to contact the Registrar’s Office (via email to regenquiry@nus.edu.sg) to activate the process of re-applying for Student’s Pass via the Immigration & Checkpoints Authority (ICA) in order to resume studies at NUS in the following semesters. For more information on the application of Student’s Pass, please refer to http://www.nus.edu.sg/registrar/event/studentpass.html

No leave will be granted during the official University examination periods (including Reading Week). However, students may request for special consideration due to medical and other emergencies by submitting the appropriate form available from the Examination Directory for Students at http://myportal.nus.edu.sg/studentportal/academics/all/examination-directory.html

Withdrawal from University

Students who have registered

Should you wish to withdraw from the University after you have registered, please download and complete the “Withdrawal from the University Application Form” available at http://www.nus.edu.sg/registrar/forms.html

Please submit the form together with your Student Card to your Dean’s Office. A letter confirming your withdrawal from the University will be sent to you within three weeks upon the receipt of your request.

If you hold a Tertiary Student EZ-link card, your eligibility for concessionary travel will cease upon your withdrawal from the University. However, you may use your card to pay for transportation needs at adult fares or request for a refund of any remaining value in your card when you surrender it at any TransitLink Ticket Office or TransitLink Card Replacement Office.

If you are holding a Student Pass issued by the ICA, you must surrender it to ICA within seven days upon termination of your study. A student who leaves the University after Instructional Week 2 of a semester (excluding orientation week for Semester 1) will be liable to pay fees for the entire semester. Request for partial payment will not be considered.

Students who have not registered

If you have not registered as a student and wish to withdraw from your course, you should state the reason(s) for withdrawal in a letter to the Director, Office of Admissions at the following address:

Undergraduate Curriculum

University education at NUS aims to cultivate well-informed and articulate people capable of critical thinking and learning. To meet this objective, NUS undergraduate programmes strive for a healthy balance that would satisfy both the specialisation needed for a subject major and the broader expectations of University education.

The undergraduate curriculum comprises three main components, namely, University Level Requirements (ULR), Programme Requirements, and Unrestricted Elective Modules (UEM). Whereas Programme Requirements privilege depth, ULR and UEM are designed to foster breadth of learning.

University Level Requirements

a) General Education (GE) is concerned with the knowledge, abilities and mindset that characterise a well-educated individual. It empowers learners to question and to critically evaluate what is presented to them as knowledge, and to engage in inquiry, discovery and construction of knowledge on their own. More information on the GE scheme can be found at http://www.nus.edu.sg/gem

b) Singapore Studies aims to deepen a student’s understanding of the economy, geography, history, politics, and society of Singapore. The modules are designed to expose students to different perspectives on the critical issues confronting Singapore, and a deep appreciation of the conditions affecting decision-making in a nation state within the regional and global context. More information on the Singapore Studies scheme can be found at http://www.nus.edu.sg/Registrar/edu/UG/curriculum.html

c) Breadth modules provide students with the opportunity to read modules outside of their chosen area(s) of study, i.e. modules beyond their Faculty / School’s offerings.

Programme Requirements

a) Faculty Requirements serve to introduce a student to the different disciplines in a Faculty or to certain basic areas of study that prepare him / her to pursue a particular discipline.

b) Major Requirements provide specialised education in a subject and include both “essential” and “elective” modules. While the essential modules are concerned with the core knowledge and abilities expected of a graduate majoring in the discipline of choice, the elective modules combine the flexibility of choice with further specialisation within the discipline.

Unrestricted Elective Modules

These modules allow students to explore greater breadth or depth in any subject and at any level. For more information, please visit http://www.nus.edu.sg/Registrar/nusbulletin/
Centralised Online Registration System (CORS)

At the beginning of each semester, all students must enrol in the modules they will read during the semester. Except for students from the Faculties of Dentistry, Law, Yong Siew Toh Conservatory of Music, and Yong Loo Lin School of Medicine (excluding the Bachelor of Science [Nursing] programme), all other students who are successfully admitted into their faculties and schools must register for their modules through CORS. New students should obtain academic guidance before enrolling in classes. Academic advisors can help students formulate degree objectives based on interests, abilities and career goals. These advisors are also able to help students plan towards the fulfillment of the University and degree programme requirements necessary for the completion of the programme.

The main feature of CORS is that students are required to bid for their desired modules online. This bidding system requires students to carefully consider their priorities as each decision has an impact on their future career choices. It is an opportunity to educate students on the need to weigh their options, make their decisions accordingly and appreciate the consequences of their actions.

Each full-time undergraduate student will be given a fixed amount of bid points per semester at the beginning of each semester to bid for modules. The bid points will be allocated to the following two accounts according to pre-determined proportions:

a) **Programme Account**

Points in this account are to be used for the bidding of modules that students are required to take to fulfill their Programme Requirements, which comprise Faculty and Major Requirements.

b) **General Account**

Points in this account must be used to bid for modules under the University Level Requirements (comprising General Education modules, Singapore Studies modules and Breadth modules); Unrestricted Elective and other requirements for their respective degrees.

Any unused bid points after each round will be carried over to the next bidding round or to the next semester at the end of the registration exercise. These points will be reflected in the respective accounts of the students. For more details on CORS, please visit [http://www.cors.nus.edu.sg](http://www.cors.nus.edu.sg)

International Opportunities

The Student Exchange Programme (SEP) is part of NUS’ commitment to global education. It allows NUS undergraduates to spend a semester or two at an overseas partner university to earn credits towards their NUS degree. Students can choose from a list of 300 top universities from over 40 countries around the world.

Beyond SEP, students can enrich their learning experience through summer and short-term overseas programmes including International Summer Programmes (i-SP), International Internships (i-Intern), International Research Attachment Programmes (i-RAP) and Special Programmes such as the Yale Visiting International Student Program (Y-VISP). New and innovative programmes like STEER (Study Trips for Engagement and EnRichment) Middle East, STEER India, STEER China, STEER Vietnam and STEER Latin America take students to less traditional destinations. Students can also apply for scholarships funded by the University and external organisations.

For more details on international opportunities, please visit [http://www.nus.edu.sg/iro](http://www.nus.edu.sg/iro)
Participating In The Language Preparation Programme (LPP)

French, German and Korean

Students who wish to go on exchange to Austria, Belgium, France, Germany, South Korea or Switzerland are strongly encouraged and may be required to be proficient in the relevant language (French, German or Korean). Those who do not possess the required level of language proficiency may apply for the respective Language Preparation Programme (LPP). For more details, please visit http://www.fas.nus.edu.sg/cls/courses/seplpp.htm

<table>

</table>

Students who are enrolled in the LPP are guaranteed four semesters of language modules at the NUS Centre for Language Studies (CLS) during their regular semesters. They are also expected to go for SEP in the country where their LPP language is spoken to put their language skills to good use. In addition, LPP students are given priority to apply for the Language Immersion Award (LIA) to sponsor their participation in a cultural immersion programme in France, Germany or Switzerland in the summer between their first and second year of studies at NUS.

Students who are interested in French / German / Korean-speaking destinations and who have not been selected for the LPP can bid for the respective language modules at CLS to prepare themselves language-wise for SEP to Austria / Belgium / France / Germany / South Korea / Switzerland. Students who have prior knowledge of any of the languages can sit for the CLS Placement Test in order to take higher level language classes in NUS. Please check the CLS' website at http://www.fas.nus.edu.sg/cls/index.htm for test dates.

The deadline for LPP online application is usually in June. (Please visit http://www.fas.nus.edu.sg/cls/index.htm for more information)

Eligibility

a) First-year undergraduates for AY 2014 / 2015 are eligible, except for those who are pursuing their studies in the following faculties / departments (due to restrictions in the programme structure): Dentistry, Law, Medicine, Music, Pharmacy, Nursing, Accounting, and Business School’s double degree students.

b) Students must be committed to go for one or two semesters of Student Exchange Programme (SEP) in Austria / Belgium / France / Germany / South Korea / Switzerland in the second or third year of their studies after the completion of the respective LPP.

c) Students should have good ‘A’ Level results and CCA records, and possess the right attitude and aptitude to thrive in a foreign language environment.

d) Students who have taken French or German at ‘A’, ‘AO’, or ‘O’ Level or their equivalent or have learnt French / German / Korean in any private institution for any length of time are not eligible to apply for the respective LPP.

e) Students who are merely interested in learning the language and have no intention of going on SEP to any of the above countries should not apply for the LPP. They should instead bid and register for the language modules through the Centralised Online Registration System (CORS) as they do for other regular modules.

For queries regarding the LPP, please contact lppenquiry@nus.edu.sg

The Spirit of Enterprise

Aside from its well-established roles in research and education, NUS also actively nurtures a spirit of enterprise in our students, faculty, alumni and the rest of the NUS community.

Igniting the Entrepreneurial Spirit

Enterprise was launched to help foster a dynamic environment in which entrepreneurship can thrive. We actively create opportunities for our students to experience entrepreneurship firsthand. Our exciting initiatives span the globe, including the prestigious NUS Overseas Colleges (NOC) programme that you have read about.

Closer to home, you can take advantage of a myriad of opportunities to get a taste – or more – of what it would be like to be an entrepreneur. Our dedicated team at NUS Enterprise actively encourages and inspires the entrepreneurial minds amongst the NUS community through a range of exciting entrepreneur-related events and initiatives. Students are eligible for many forms of entrepreneurship support and assistance in NUS:

- Submit business ideas for the Start-Up@Singapore Business Plan Competition and win seed money to kickstart a venture;
- Apply for incubation space or seek help to venture into foreign markets through the NUS Enterprise Incubator (NEI);
- Be guided by a mentor or apply for financial assistance through NUS Enterprise Incubators (NEI);
- Protect and manage intellectual property and get inventions patented with help from the NUS Industry Liaison Office (ILO).

Besides the above, students can also participate in many exciting entrepreneurial activities organised and supported by NUS Enterprise:

- InnovFest – a festival of innovation-related activities organised by NUS Enterprise, including talks and seminars in areas such as innovation, technology trends and entrepreneurship, ‘insider tours’ of exciting new research facilities in Singapore and start-ups, and an awards dinner to recognise leading and technology commercialisation innovators and promising start-up companies.
- Asian Youth Energy Summit – a part of a global movement that is driven by a passion for clean technology, sustainable development, the environment, organised by the Energy Carta;
- iConnect – an annual entrepreneurship exchange congress held in January that aims to let budding student entrepreneurs around the globe network and learn more about the entrepreneurial ecosystems in Singapore. iConnect is also organised by the NUS Entrepreneurship Society (NES).
Have an Idea But Don’t Know Where to Start?

Most start-ups face two main challenges – the lack of funding and experience. Here in NUS Enterprise, we pull together all the components needed to bridge these gaps, putting in place an environment to bridge the funding and experience gaps that are integral to the survival of start-ups. So if you have passion and a good idea, come to us and we will provide you with the incubation infrastructure and community to grow your idea – connecting you with hands-on mentors who will share their experience with you, as well as exploring funding, networking and training opportunities together.

Take the First Step Today!

Whether you are already passionate about entrepreneurship, just curious, or know close to nothing about it but want to find out more, visit us at http://www.nus.edu.sg/enterprise today!

NUS Overseas Colleges

NUS Overseas Colleges (NOC) is a division of NUS Enterprise. Its mission is to infuse the spirit of enterprise into the NUS community, providing qualified students with entrepreneurial education and exposure in seven overseas locations as well as Singapore, through the NOC and iLEAD programmes.

NUS Overseas Colleges (NOC) Programme

Visit us at http://www.nus.edu.sg/enterprise/noc

NUS Overseas Colleges (NOC) is a prestigious entrepreneurship development programme that gives NUS students the opportunity to spend up to a year of their undergraduate life abroad, working and studying in leading entrepreneurial and academic hubs around the world. NUS students will have the opportunity to work closely with entrepreneurs or founders of the start-ups and experience first-hand the day-to-day challenges of starting up a company and realizing their dream. The programme aims to cultivate successful entrepreneurs as well as resourceful and enterprising self-starters.

Undergraduates are placed in start-ups for six-month or year-long internships. While working full-time, the interns also take entrepreneurship related courses at prestigious partner universities abroad. Interns on year-long programmes can earn up to 40 Modular Credits of credit transfer and a Technopreneurship Minor with their Bachelor’s degree.

NOC is currently offered in seven dynamic entrepreneurial hubs around the world:

- Silicon Valley and New York, USA
- Shanghai and Beijing, China
- Stockholm, Sweden
- Multiple locations, India
- Israel
NUS College in Silicon Valley (NCSV)
The NUS College in Silicon Valley is based in the southern part of the San Francisco Bay Area in Northern California – a region famous for its concentration of tech start-ups and vibrant entrepreneurial culture. Apart from interning and networking with the movers and shakers in the tech community, students also take entrepreneurship related and discipline-based courses at Stanford University – one of the world’s leading research and teaching institutions located right in the heart of Silicon Valley.

NUS College in New York (NCNY)
The crossroads of culture in a cosmopolitan city, NUS College in New York, offers an unparalleled range of experiences. From media to finance, theatre to arts, this is truly an experience unlike any. As the pioneers of this new programme, it is an opportunity to raise the bar and set the precedent. NUS College in New York will provide the perfect springboard to showcase your creativity, the chance to dream beyond what you can imagine.

NUS College in Shanghai (NCSH)
Shanghai is one of China’s leading entrepreneurial and academic hubs. Students in the Shanghai College will study at Fudan University, one of the top universities in China. Participation in the programme gives students a true bi-cultural experience, a good understanding of business practices in China, and a network of contacts that will facilitate future business endeavours in China.

NUS College in Stockholm (NCST)
NUS College in Stockholm is the only college in Europe and 4th among the seven overseas colleges established to date. The College was set up in 2005 when NUS celebrated its centennial year. Stockholm is well represented by technology start-ups across a variety of sectors, especially in the wireless and mobile industry, and in medtech and cleantech.

For academic courses taught in English, NUS collaborates with the Royal Institute of Technology (Kungliga Tekniska högskolan, KTH), which has a deep history and commitment to education for over 175 years.

NUS College in India - Entrepreneurial India! (NCIN)
From the snow-capped mountains of the Himalayas to the deserts of Rajasthan, from rural villages to the metropolitan cities of Bangalore, Mumbai, Chennai and Delhi, the NOC Entrepreneurial India! programme enables its participants to experience entrepreneurship amidst the diversity of India. The programme offers internships of three or six months with an emphasis on social ventures and grassroots innovation. This College is opened to both postgraduate and undergraduate students.

NUS College in Beijing (NCBJ)
NUS College in Beijing is the second college established in China. As the nation’s capital, Beijing is at the core of the booming entrepreneurial scene in China. The Beijing college offers an excellent platform for budding entrepreneurs to absorb the vibrant entrepreneurial spirit in the technological parks in Beijing, while interning at dynamic start-ups and studying entrepreneurship-related courses at Tsinghua University.

NUS College in Israel (NCIS)
NUS College in Israel offers postgraduate and undergraduate students a unique opportunity to experience the dynamic business and innovation culture that defines Israel. Participants on the Israel programme will work in start-ups in a diverse range of industries, and take an entrepreneurship class at a local university (IDC Herzliya or Tel Aviv University, depending on the semester). The six-month stint will commence with a series of workshops to prepare the participants for the opportunities and challenges of living and working in Israel.

iLEAD Programme - Singapore
Launched in 2008, iLEAD (innovative Local Enterprise Achiever Development) offers a perfect balance of practice and theory for a well-rounded education in entrepreneurship. NUS undergraduates will intern for seven months at innovative local companies or start-ups where they are exposed to entrepreneurial challenges in Singapore. At the end of the local internship, students will embark on a two-week Overseas Study Mission to gain an appreciation of start-up cultures in other countries. They will also participate in networking sessions and company visits while abroad.

Post-Programme Support
Students and alumni in the NOC and iLEAD programme are given an opportunity to stay at N-House. It is an entrepreneurial-themed residence that nurtures an active community of student entrepreneurs and supports a host of useful activities such as workshops, pitching events, and networking sessions. In addition, they are also eligible for many forms of entrepreneurship support and assistance at NUS Enterprise as mentioned in the Spirit of Enterprise segment on page 10.
NUS
University Town

An educational hub complete with residences, teaching facilities and study clusters, NUS University Town (UTown) creates a lively intellectual, social and cultural environment that distinguishes NUS through excellence in learning and student engagement. At UTown, spaces for learning, living, arts and culture, sports and social activities are interlaced, blurring the line between learning and interaction within and beyond the classroom.

Located in UTown, the residential colleges combine an exciting multidisciplinary programme with campus living, where students can learn from and live alongside their professors. The residential colleges create a highly interactive environment and an engaging collegial culture amongst a diverse mix of students.

Built as an extension of Kent Ridge campus, UTown serves not only its residents, but all NUS students. Educational facilities and resources – many of them operating on 24/7 – are purposefully designed to promote greater interaction and encourage collaborative learning. As an NUS student, you have access to the many study clusters, group discussion areas, as well as IT and multimedia facilities, where you can brainstorm for group projects or work individually on course assignments. Additionally, you can also enjoy amenities such as a rock-climbing wall, gym, recreational pool, dance studios and orchestra practice rooms.

Beyond the facilities, UTown is abuzz with events and activities such as art performances, film screenings, forums and exhibitions, many of which are led by students. These activities, together with the educational, sports and performing arts facilities, promote a richer NUS experience for all students.

For more information, visit http://utown.nus.edu.sg

University Town
College Programme

The University Town College Programme (UTCP) introduces a new educational model where students from various disciplines and nationalities interact with faculty members in an integrated living and learning environment. Anchored by the UTCP, the College of Alice & Peter Tan and Tembusu College promote an enriching education through modules taught in small classes and out-of-classroom learning. This equips students with a holistic understanding of complex issues, fosters an appreciation of differences and diversity, and promotes community building and social awareness.

Students complete a distinctive curriculum designed as a specific pathway to fulfil their University Level Requirements, while concurrently completing their majors with their Faculties. The curriculum comprises five modules read over four semesters of residency. An academic pathway will be tailored for students from Faculties such as Medicine, Law and Dentistry. You will hone effective communication skills and gain exposure addressing current and global issues from an interdisciplinary perspective.

Through this residential programme, you will gain insights that challenge your assumptions as well as interact with prominent individuals and industry players, including opportunities to receive guidance and mentorship. Rounding up your residential college experience will be an abundance of social and sporting activities, allowing you to explore your interests and discover new ones.

For more information and to apply, please refer to http://utown.nus.edu.sg

Students admitted to the UTCP do not pay additional tuition fees, though fees for accommodation and meals are applicable. To help offset some of the costs, you can apply for UTown scholarships and financial aid.
Ridge View Residential Programme

Ridge View Residential College (RVRC) introduces a new and unique living-learning model to freshmen from the Faculty of Arts & Social Sciences, Faculty of Engineering, Faculty of Science, School of Computing, and School of Design & Environment. Centered on the theme of sustainability, the inter-disciplinary RVRC curriculum requires students to engage in dialogues and inquiry into issues related to sustainability from different disciplinary perspectives, analyze and discuss cases in real-life settings, and collaboratively explore and offer response to these issues.

During this one-year programme, leveraging on the residential environment, you will have constant and close interaction with fellow residents, peer mentors and academics. In addition, you will have opportunities to exchange ideas with industry players and prominent individuals from different communities. This will help enhance the level of confidence and clarity in your expression and articulation of thoughts.

Concurrently with modules at your respective faculties/schools, you are required to read three core modules at RVRC. Seamlessly interwoven, these three modules are read over two semesters. Anchoring the core modules is the inter-disciplinary course on sustainability, twinned with communication and writing. Complementing these is a non-modular credit module on workplace readiness.

At the start of your university career, the RVRC educational experience is one that will contribute to your overall development as undergraduates - academically, socially, personally, and professionally. There is space for you to experiment different ideas with others using a plethora of learning platforms and modes, expand your competencies, and further explore academic and career alternatives.

For more information on how RVRC can enrich your University life, visit us at www.rvrc.nus.edu.sg (Note: This website will be ready w.e.f. 14 March 2014).
Immigration Matters
(For International Students)

All full-time international students are required to hold a valid Student’s Pass issued by the Singapore Immigration & Checkpoints Authority (ICA) for their studies at NUS. For more information, please refer to ICA website at [http://www.ica.gov.sg/services_centre_overview.aspx?pageid=256](http://www.ica.gov.sg/services_centre_overview.aspx?pageid=256)

For international students who come from visa-required countries, the In-Principle Approval (IPA) letter will be emailed to you. The IPA letter will serve as both a one-way entry visa and an in-principle student’s pass approval.

To gain entry into Singapore, you will need to print and present the IPA letter (for visa-required countries only) together with a valid passport to the Duty Officer at the Immigration Checkpoint upon arrival. You will then be issued with a short term Social Visit Pass which is normally valid for a minimum of between two weeks to one month. During this period, you are required to report for NUS Registration and apply for a student’s pass according to the stipulated schedule. Students who apply for their pass via e-appointment must renew their social visit pass should it expire before the e-appointment date. For details on Student’s Pass application, please refer to [http://www.nus.edu.sg/registrar/event/registration-infointstudents.html#studentpass](http://www.nus.edu.sg/registrar/event/registration-infointstudents.html#studentpass)

The Office of Student Affairs is dedicated to assist you in your adjustment, settling-down and integration into the NUS community and Singapore. You may find out more about the various programmes, services and activities organised throughout the semester at [http://www.nus.edu.sg/osa/iss](http://www.nus.edu.sg/osa/iss)

Hostel Admission
Services

Hostel Options for Undergraduates
There are approximately 8,500 hostel places distributed between the Halls, Residences and Residential Colleges. All rooms are furnished with a bed, mattress, wardrobe, study table, book shelves and ceiling fan. Students are required to provide their own pillows and bed linens which can be purchased locally. Power points for telephone and computer linkage to the University’s internet network are available in every room.

The halls, residences and residential colleges are within walking distance to most faculties and schools, libraries and administrative offices. There is a complimentary internal shuttle bus service which services the entire campus. Most hostels provide or are in close proximity to sports facilities such as basketball courts, tennis courts and gymnasium, as well as laundry rooms that come complete with washing machines and dryers.

Senior undergraduate students (local students from Year 1 and international* students from Year 2 onwards) are expected to participate in co-curricular activities organised by NUS student groups in order to be considered for a place in the halls and residences, the following year. Selection will be based on the Residence Admission Scheme (RAS). Information on RAS is available at [http://www.nus.edu.sg/osa/has/undergraduate/eligibility](http://www.nus.edu.sg/osa/has/undergraduate/eligibility)

* You are considered to be an international student if you are not a Singapore Citizen or a Singapore Permanent Resident (SPR).

Halls
The halls are known for their vibrant CCA as well as their rich history and culture. Hall residents are expected to actively participate in activities ranging from sports and the performing arts to community services. Meals are catered and it is compulsory for students staying in halls to subscribe to this catering service. Students who do not wish to subscribe to the meal plan should not apply for a place in a hall.

For a glimpse of hall life, you may visit the following websites:
- Eusoff Hall [http://www.eusoff.nus.edu.sg](http://www.eusoff.nus.edu.sg)
- Kent Ridge Hall [https://kentridge.nus.edu.sg/](https://kentridge.nus.edu.sg/)
- Raffles Hall [http://www.raffles.nus.edu.sg](http://www.raffles.nus.edu.sg)
- Sheares Hall [http://www.sheares.nus.edu.sg](http://www.sheares.nus.edu.sg)
- Temasek Hall [http://www.temasek.nus.edu.sg](http://www.temasek.nus.edu.sg)
**Residences**

Students staying in the residences are encouraged to participate in activities organised by their residences and preferred university’s clubs, societies or interest groups. The single rooms in the residences are grouped as a cluster (ranging from 11 to 15 rooms) with its own kitchen and bathroom facilities.

The kitchen and dining areas are equipped with basic cooking appliances but students should provide their own cooking utensils, crockery and cutlery. The cluster lifestyle concept offers students independent living while experiencing excellent opportunities for close interaction among cluster mates.

For a view of the residences, you may visit the following websites:
- Prince George’s Park Residences
- Kuok Foundation House

Do note that Kuok Foundation House is reserved for senior undergraduate students only.

**Residential Colleges @ University Town**

Students who are admitted to the residential colleges in NUS University Town participate in an exciting multidisciplinary academic programme while staying on campus. As part of the curriculum as well as the residential experience, you will have opportunities to exchange ideas and perspectives with peers from a variety of disciplines, meet distinguished individuals from all walks of life, and participate in a myriad of community and social activities.

For more information, please visit [http://utown.nus.edu.sg](http://utown.nus.edu.sg)

**Ridge View Residential College on Kent Ridge Campus**

Ridge View Residential College (RVRC) admits its first batch of students in Semester 1, AY 2014/15. Purposefully designed for freshmen of the Faculty of Arts & Social Sciences, Faculty of Engineering, Faculty of Science, School of Computing, and School of Design & Environment, RVRC presents a new and unique living-learning experience to its residents. During your one-year stay, opportunities are aplenty for you to develop intellectual inquisitiveness as well as social, interpersonal and personal effectiveness. RVRC’s three core modules, grounded in inter-disciplinary approach and anchored on the theme of sustainability, are seamlessly interwoven to ensure that you experience academic rigour, engage in out-of-class learning, and are keenly attuned to the demands of various industries.

For more information on how RVRC can enrich your University life, visit us at [www.rvrc.nus.edu.sg](http://www.rvrc.nus.edu.sg) (Note: This website will be ready w.e.f. 14 March 2014)

**Application Procedure**

Details on the application procedure for a place in the halls and residences can be found on the Office of Student Affairs’ (OSA) website at [http://nus.edu.sg/osa/has/undergraduate/application-guide](http://nus.edu.sg/osa/has/undergraduate/application-guide)

You may submit your hostel application online from Thursday, 8 May (1000hrs) to Thursday, 5 June 2014.

The application outcome for undergraduate freshmen will be available online from Thursday, 26 June 2014 (1000hrs) onwards. For students who missed the 5 June 2014 application deadline, there will be a 2nd and final application window from 26 June to 2 July 2014.

You will need to obtain your NUS application number and PIN number from the Office of Admissions to submit your online hostel application.

If you have forgotten or misplaced your NUS application number or PIN number, you can retrieve them via the Office of Admissions’ Online Application Status Facility at [https://aces01.nus.edu.sg/uasonline/Login](https://aces01.nus.edu.sg/uasonline/Login)

Please refer to the Office of Admissions website at [https://aces01.nus.edu.sg/uasonline/PinRetrieval](https://aces01.nus.edu.sg/uasonline/PinRetrieval) for any query on your application number or PIN number given to you in your admission package.

**Application Fees**

Applicants will need to make an online application fee payment of SGD$26.75 prior to the submission of their applications.

Successful applicants will be offered an NUS accommodation stay for two semesters (Semester 1 and 2 of AY2014-2015). Vacation stay is optional.
Hostel Related Fees
Successful applicants will be required to make an online acceptance fee payment of SGD$200 in order to confirm their accommodation. The acceptance fee will subsequently be used to offset their semester hostel fees.

Students will be invoiced for their stay on a semester basis. The remaining hostel fees for the semester (18 weeks for Semester 1 and 17 weeks for Semester 2) will be invoiced within a week of check-in.

Please refer to the website at http://www.nus.edu.sg/osa/has/undergraduate/hostel-rates for details on hostel rates, meal charges and accepted payment modes at each hostel. All rates quoted are subject to changes.

Key Collection Procedure
You may check-in or collect your room keys from the respective hostel management office during office hours from 4 August 2014 onwards:

Office hours
Monday to Thursday 8:30 am to 6:00 pm
Friday 8:30 am to 5:30 pm

Those who are arriving after office hours or taking their QET in July 2014 will need to inform their respective hall or residence at least one week before their date and time of arrival, so that prior arrangements can be made for the collection of their room keys.

Please note that there will be additional hostel fee charges for early check-ins.

Residents who are planning to arrive before the stipulated check-in dates may need to secure a temporary accommodation as their allocated rooms may not be available at that time. For information on the various short-term stay options, you may wish to visit the following link: http://http://www.nus.edu.sg/osa/has/other-accommodation

Accommodation for Parents
Due to limited capacity, we are unable to assist requests for short-term stays in the hostels.

You may wish to visit the Singapore Tourism Board’s website http://accommodation.yoursingapore.com for information on accommodation in local hotels.

Medical Report and Health Condition

All successful applicants are required to undergo a medical examination. The University reserves the right to refuse your admission to or exclude you from any particular course of study if you decline to undergo such health examinations or to be tested for any organic or communicable disease. The medical examination may be done by your own physician or at the University Health Centre (UHC), Level 1, 20 Lower Kent Ridge Road, NUS.

For more information on the medical examination for successful undergraduate applicants at UHC, please click on [http://www.nus.edu.sg/uhc/healthservice/services/preexams.html](http://www.nus.edu.sg/uhc/healthservice/services/preexams.html)

The Admission Medical Examination Report form is available on page 41.

If you choose to consult your own physician, the medical examination form must be completed by your physician. Please submit the completed medical examination form and the chest X-ray report to UHC before 8 August 2014. Unless you hear from us, you may assume that the University has received your medical report and that it is in order. The University may require you to undergo further medical examinations, such as a blood test, before your admission is confirmed.

For your convenience, you are strongly encouraged to have your medical examination done at UHC. Please book your medical examination appointment online as early as possible before the Third week of July. We expect significant crowding later in the booking period when our fellow international students arrive in Singapore for medical examination.

The cost of the medical examination and chest X-ray is SGD$35 (inclusive of GST) while the cost of the medical examination without the chest X-ray is SGD$25 (inclusive of GST).

**Hepatitis B, Chickenpox and Rubella Screenings for Students Admitted to Medicine, Dentistry and Nursing**

All prospective medical, dentistry* and nursing students must be screened for immunity to Hepatitis B, Chickenpox and Rubella. All screenings must be done in the year of enrollment (i.e. after 1 February 2014) regardless of previous screening or immunisation.

* All dentistry students should have their admission medical examination, screening, immunisation and audiometric testing done at Occupational Health Clinic (OHC) University Health Centre Basement (next to the Dental Clinic) 20 Lower Kent Ridge Road. Please contact OHC staff at Tel.: 6516 7333 / 66011781.

**Hepatitis B**

a) Those who have completed screening and immunisation may submit their certified laboratory results at UHC.

b) Where Hepatitis B immunisation is required, it has to be done within one month from the date of screening.

c) Screening and immunisation can be done with any registered general practitioner or at UHC.

d) The cost of screening at UHC is SGD$20 (inclusive of GST). The cost for immunisation (total of three injections over a period of six months) is SGD$23 per injection.

e) Post vaccination Hepatitis B antibody blood test must be done one month after immunisation.

**Chickenpox**

a) Those who have completed screening and immunisation may submit their certified laboratory results at UHC.

b) Certification of past infection / previous immunisation of chickenpox is not acceptable.

c) Students may begin classes without documentary evidence of immunisation for Chickenpox if

1) he / she has a letter from a physician stating that there is a reason why he / she cannot receive the vaccine;

2) he / she (or his / her parent or legal guardian, if the student is a minor) presents a statement in writing that such vaccination is against his / her sincere religious belief; and if

3) he / she has documented evidence of two administrations of the varicella vaccine (non-responders).
d) Screening and immunisation can be done with any registered general practitioner or at UHC.

e) The cost of screening at UHC is SGD$42 (inclusive of GST). The cost for immunisation (total of two injections over a period of six - ten weeks) is SGD$65 per injection.

Rubella

a) Those who have completed screening and immunisation may submit their certified laboratory results at UHC.

b) Those who are tested negative for Rubella immunity will be required to be immunised within one month from the date of screening.

c) Screening and immunisation can be done with any registered general practitioner or at UHC.

d) The cost of screening at UHC is SGD$25 (inclusive of GST). The cost for immunisation (total of two injections over a period of four - six weeks) is SGD$30 per injection.

Medical Examination for International Students for Student’s Pass

In addition to the Admission Medical Examination, international students will need to undergo an HIV test for the application of Student’s Pass.

The Student’s Pass Medical Examination Report form is available on page 43.

a) The HIV test and medical examination can be done in the country of origin or in Singapore.

NOTE: THE MEDICAL, LABORATORY TEST AND X-RAY REPORTS MUST BE WRITTEN IN ENGLISH.

b) Original Laboratory test and chest X-ray reports, together with the Medical Report for Student’s Pass, must be submitted to the Immigration & Checkpoints Authority (ICA) within three months of issue. Please provide a duplicate of the chest X-ray report to be submitted to UHC together with your Admission Medical Exam Report.

c) The medical examination can be done at UHC. The cost of the medical examination, including the chest X-ray and HIV test, is SGD$50 (inclusive of GST).

Medical Examination

a) Online booking for your medical examination:

i) Every year there are a few thousand undergraduate medical examinations conducted at UHC. To ease waiting time, we advise Singaporeans and Singapore Permanent Residents to complete the medical examination as early as possible in order to avoid congestion from late July to mid-August when our fellow international students arrive in Singapore.

ii) For female candidates, please book a date for medical examination at least five days after the end of your menses. This is because menstruation will affect the results of the urine test.

iii) No fasting is required for the medical examination.

iv) The morning and afternoon sessions are:

AM session 8:30 – 10:30am
PM session 1:30 – 3:30pm (Closed on Saturdays, Sundays and Public Holidays)

v) You will need to obtain your application number and PIN number from the Office of Admissions to submit the online booking at

http://www.nus.edu.sg/uhc/healthservice/PreME.html

If you have forgotten or misplaced your application number or PIN number, you can retrieve it via the Office of Admissions’ Online Application Status Facility at

https://aces01.nus.edu.sg/uasonline/Login

vi) Information on booking of medical examination appointment will be available at

http://www.nus.edu.sg/uhc/healthservice/PreME.html

from early June and on the second week of March for returning National Servicemen.

b) Required Items:

i) Medical Examination Form

All students are required to detach and fill out the Admission Medical Examination Form (page 41) before coming for medical screening at UHC. If you are an international student, likewise detach and fill out the Student Pass Form (page 43) in addition to the Admission Medical Examination Form before coming for medical screening.

ii) Corrective Lenses

If you wear spectacles or contact lenses, please bring them on the day of your medical examination.

iii) Medical Reports

For those with pre-existing medical conditions, please bring the relevant medical reports and supporting documents.

For this same reason, we advise ladies to wear a PLAIN blouse or T-shirt on the day of examination. In particular, the shirt or blouse should not have any of the following:

• buttons;
• logos or designs that are printed or embroidered;
• pockets; and
• any collar on the shirt / blouse.

You will need to purchase a disposable X-ray gown at a nominal fee if your attire is found to be unsuitable for the X-ray examination.

More information on the pre-admission Undergraduate Medical Examination at UHC may be found at

http://www.nus.edu.sg/uhc/healthservice/services/preeexams.html

Counselling and Psychological Services (CPS) University Health Centre

We provide a variety of services that promote students’ emotional well-being and help students lead healthy, effective, and fulfilling lives.

We assess students’ needs and develop plans to assist students in their areas of concern, ranging from honing their relationship skills and developing self-confidence, to coping with mental health concerns such as depression and anxiety. We may then offer short-term individual, couple, and / or group counselling or provide referrals to other appropriate resources. In addition, we offer talks, workshops, and courses to teach students personal effectiveness skills. We also offer talks to student leaders and staff to support other students and staff in need.

On-call staff are available during office hours to assess and support students and staff who are in acute psychological distress, and who walk-in to our Centre. We also offer Lifeline NUS, a 24-hour helpline for students and staff who are suicidal or in great distress, requiring immediate intervention. Furthermore, we provide consultation to student and staff groups in the area of student and staff welfare and safety.

Ministry of Education (MOE)

Tuition Grant

The tuition fee subsidy from the Government of Singapore comes in the form of a Tuition Grant which is administered by the Ministry of Education (MOE) and offered to all admitted students. Students who apply for and receive the Tuition Grants only need to pay the subsidised fees. While the Tuition Grant does not need to be repaid and Singapore citizens in receipt of it will not be required to serve a bond, the following conditions will apply:

i) Singapore Citizens on Public Service Commission (PSC) scholarships or bursaries will be required to serve a bond under the terms of such scholarships or bursaries.

ii) All students, regardless of nationality, admitted to the faculties of Medicine or Dentistry (only applicable to Singapore Citizens who are not on PSC scholarships or bursaries) will be required to serve a bond with the Singapore Ministry of Health for five or six years for Singapore Citizens or Singapore Permanent Residents / international students pursuing the Medicine course respectively, and four or five years for Singapore Citizens or Singapore Permanent Residents / international students pursuing the Dentistry course respectively.

iii) All Singapore Permanent Residents and international students (except those who are already required to serve a bond with the PSC or the Ministry of Health) will be required to serve a bond under the terms of the Tuition Grant to work for a Singapore-registered company for three years upon the completion of their degrees so as to discharge their obligations to the Singaporean public for the significant subsidy of their university education.

The application procedure for the Tuition Grant is set out on page 26. Scholarship holders are advised to check with their respective scholarship administrators as to whether their scholarship covers the Tuition Grant. If the scholarship does not cover the Tuition Grant, an application should be made for the Grant if needed.

Students who do not apply for the Tuition Grant by the stipulated deadline will be charged for the full tuition fees and the 7% GST. Students must inform the NUS Office of Financial Aid in writing at financialaid@nus.edu.sg by Week 2 of their semester of admission if they do not wish to accept the Tuition Grant.

Eligibility Guidelines for Tuition Grant

1) Students with a Bachelor’s Degree or Higher Qualification

   Students (regardless of nationality) who already hold a bachelor’s degree or higher qualification will be eligible for the Tuition Grant if they wish to pursue a second course of the same or lower level in NUS. They are eligible as long as they did not attain their bachelor’s or higher degree through any subsidy by MOE or sponsorship by the Singapore Government (this includes the receipt of a government scholarship such as those offered by the Ministries, Public Service Commission and Statutory Boards for local or overseas study).

Graduates seeking admission to the Graduate L.L.B. Programme (GLP) will be eligible for the Tuition Grant regardless whether they have obtained their degree with subsidy or sponsorship from the Singapore Government. However, there is a limited number of students who can enjoy this Grant given by MOE. At the point of the offer of admission, applicants will be informed if they will receive the Grant or have to pay the full tuition fee for the entire duration of the course. Non-Singapore Citizens who take up the Tuition Grant will need to sign the Tuition Grant Agreement and work in a Singapore-registered for three years upon graduation.

2) Transfer / Re-admitted Students

   Students who transfer or are re-admitted within NUS or across the Institutions’1 will be eligible for the Tuition Grant up to the maximum course candidature2 for the new course after subtracting the number of semesters of Tuition Grant received for the previous course(s).

   Number of semesters of Tuition Grant eligible for new course = Maximum course candidature for new course – Number of semesters of Tuition Grant received for previous course(s)

1 Institutions refer to publicly-funded tertiary institutions such as National University of Singapore (NUS), Nanyang Technological University (NTU), Singapore Management University (SMU), Singapore University of Technology and Design (SUTD), etc.

2 Maximum Course Candidature refers to 8 semesters for a Bachelor degree programme with a minimum requirement of 120 MCs, 10 semesters for a Bachelor with Honours degree programme with a minimum requirement of 160 MCs, Dentistry and Law and 12 semesters for Medicine.

Special Cases

For special cases where students who transfer with full credits are also given special credits exemption such that they are promoted beyond the next level of study in the new course, for example from year 1 to year 3, the number of semesters of the Tuition Grant (which such students are eligible for) will be based on the maximum course candidature for the new course less the number of semesters of Tuition Grant received for the previous course(s) less the number of semester(s) waived based on special credit exemptions.

   Number of semesters of Tuition Grant eligible for new course = Maximum course candidature for new course – Number of semesters of Tuition Grant received for previous course(s) – Number of semester(s) waived based on special credit exemptions.

Application for Tuition Grant

1) Singapore Citizens
Students who are Singapore Citizens need to make a one-time joint application with their parent / guardian for the Tuition Grant in the year of admission. More application details will be made available in the Registration Guide under “Fee Related Matters” found at the registration website: http://www.nus.edu.sg/registrar/event/registration.html from July 2014 onwards.

2) Singapore Permanent Residents and International Students
Singapore Permanent Residents and International Students must submit the online Tuition Grant Option Form to indicate their intent to apply for the grant. The form will be made available via the registration website. Thereafter, students who wish to apply for the Tuition Grant must submit their application via MOE’s website at https://tgonline.moe.gov.sg/tgis/normal/index.action during the stipulated period as stated in the Registration Guide which can be found at the registration website: http://www.nus.edu.sg/registrar/event/registration.html under “Fee Related Matters” from July 2014 onwards.

Applicants are required to sign an agreement with the Singapore Government and will be bonded to work in a Singapore-registered company for three years upon graduation. Two sureties are required to execute the agreement. Sureties can be of any nationality, must be above 21 and below 65 years of age and must not be bankrupt. The following information on the sureties are to be provided in the online application: name, FIN / UIN (if applicable), passport number, date of birth, e-mail address, address in Singapore (if any), and address in home country.

3) International Students Holding Singapore PSC Bursaries and Scholarships
International students holding Singapore PSC Bursaries and Scholarships are not required to apply for the Tuition Grant as they have already executed agreements with the PSC. PSC will pay the grant directly to the University.

4) International Students Holding Foreign Government Scholarships
International students holding foreign government scholarships are not eligible to apply for the Tuition Grant. They must inform the NUS Office of Financial Aid in writing at financialaid@nus.edu.sg by Week 2 of the semester of admission with full details of the scholarship.

5) Students Admitted to Medicine and Dentistry
Students admitted to the faculties of Medicine and Dentistry will have to apply for the Tuition Grant through the Ministry of Health.
Tuition Fees

Tuition Fees Applicable to All Students Offered Admission in Academic Year 2014-2015

The tuition fees (full fees) in Academic Year 2014-2015 will be made available at the following URL:
http://www.nus.edu.sg/registrar/edu/UG/fees.html

NOTE: THE FEES INDICATED AT THE ABOVE URL ARE CORRECT AT THE TIME OF PUBLICATION AND ARE SUBJECT TO CHANGES WITHOUT PRIOR NOTICE.

Tuition Fees Applicable to All National Servicemen

The tuition fee effective for each academic year applies to new as well as existing students. National servicemen, whose enrollment to the University is delayed by one to two years, as a result of their national service commitments, will enjoy a one to two years lag in tuition fee payable respectively. This takes into account their delayed enrollment due to national service.

The tuition fee payable will depend on the year when they were first offered a place in the University. If the National Serviceman does not accept the place first offered and accepts offers from NUS in the subsequent years, he will not be able to enjoy the lag in tuition fee effective in the year of his first offer. He will have to pay the tuition fee effective in the latest year of offer which he has been accepted.

National Servicemen offered and accepted places in the University for the first time in 2012 will pay the 2012 tuition fees for the rest of their course.

In the case of National Servicemen who are offered and accepted places in the University for the first time in 2013, they will pay the 2013 tuition fee when they eventually enroll in the University.

National Servicemen who have been successful in changing their course of studies will pay the fee applicable to the year of their first offer, i.e. if they had accepted their first offer in 2012 and decided to change their course thereafter in 2013, they will have to pay the tuition fee applicable to the year of their first offer.

Tuition Fee Loan (TFL) Scheme

To ensure that no student is denied access to University education because of financial constraints, a loan scheme known as the Tuition Fee Loan (TFL) Scheme is made available. Under this scheme, students who are either enrolled in full-time or part-time undergraduate programmes and who are doing their first undergraduate degree at NUS can apply for loans to cover up to a maximum of 90% of the subsidised tuition fees payable by Singapore Citizens (excluding hostel and other miscellaneous fees). Such loans will be extended to all who are eligible to apply and will be available for the duration of their course. NUS will bill students the amount not covered by the loan (i.e. fee payable) at the beginning of Semester 1.

Please take note that students are not allowed to apply for TFL retrospectively for previous semester or semesters.

National Servicemen who were first offered and accepted admission in AY2012 can apply up to a maximum of 90% of AY2012 tuition fees payable for the rest of their course.

Similarly, National Servicemen who were first offered and accepted admission in AY2013 can apply up to a maximum of 90% of AY2013 tuition fees payable.

Students who require additional financial assistance to cover the balance of their direct payment portion of their tuition fees (not covered by loans from the TFL Scheme), hostel and other miscellaneous fees may apply for the NUS Study Loan or bursaries, and loans from other University-administered funds. However, due to limited funds, such bursaries and loans will only be given to needy students. More details on the above loans and bursaries can be found at the following URL: http://www.nus.edu.sg/oam/financialaid/loans/financial-loans.html

NOTE: THE UNIVERSITY DOES NOT PROVIDE FINANCIAL ASSISTANCE TO COVER THE TUITION GRANT PORTION OF THE TUITION FEES.

The Terms and Conditions of the Tuition Fee Loan

a) Interest Rate

Interest at the average of the prime rates of the following banks: DBS, OCBC and UOB, prevailing on the first day of each quarter or such other rate as may be determined from time to time will be charged upon graduation. Interest will commence on 1 March of the year following graduation for students who graduate at the end of Semester 1 or 1 August in the year of graduation for students who graduate at the end of Semester 2. For students who graduate in Special Term 3 and Special Term 4, interest will commence on 1 August and 1 September respectively within the same year. For final year Medical students who are sitting their final re-examination in September, interest will commence from 1 November in the year of graduation. Interest will accrue on a monthly basis. In the event that the borrower leaves NUS without completing his or her course of study, interest will be chargeable with effect from the first day of the month following his or her departure from the University.
b) Repayment
i) Repayment of the loan can be in one lump sum or by equal monthly installments commencing no later than two years from the date that interest is first chargeable on the loan or upon securing employment, whichever is earlier.

ii) The minimum amount of repayment is SGD$100 per month and the maximum repayment period is 20 years.

iii) In the event that the student leaves the University without completing the course of study, the loan outstanding will immediately become due and payable. He or she may, however, repay the outstanding sum by monthly installments on such terms and conditions as the University may allow depending on the circumstances of each case.

iv) Early repayment of the loan in full or in part will be allowed.

c) Guarantor
One Guarantor above 21 years of age but not exceeding 60 years of age will be required. No minimum income qualification is stipulated. Applicants who are Singapore citizens must have Guarantors who are Singapore citizens. Singapore Permanent Residents must have Guarantors who are Singapore Citizens or Singapore Permanent Residents. Singaporean or non-Singaporean Guarantors are acceptable for international students.

d) Late Payment Charge
Penalty interest will be levied at the rate of 1% per month on arrears.

e) Eligibility
Students receiving the following awards or loans are not eligible to apply for the TFL.

i) Government / Statutory Board / NUS scholarships which cover tuition fees

ii) Full tuition fee subsidies from Mendaki

iii) CPF savings for payment of full tuition fees

The following students are also not eligible for TFL:

i) Full fee paying foreign students

ii) Part-time undergraduate students, except for Singapore citizens who have opted to pursue their first undergraduate course of study on a part-time basis

iii) Part-time graduate coursework students

iv) Students on self-funded graduate programmes

f) Agent Banks
The University has appointed the following banks as agents to administer the TFL Scheme:

i) Development Bank of Singapore Ltd (DBS Bank)

ii) Oversea-Chinese Banking Corporation Ltd (OCBC Bank)

• Others
Borrowers and/or Guarantors must immediately inform the respective administering banks of any change in addresses for the purpose of correspondences pertaining to their loans.

NOTE: THE TERMS AND CONDITIONS OF THE TUITION FEE LOAN AND STUDY LOAN ARE SUBJECT TO REVISION AT THE UNIVERSITY’S DISCRETION.

Payment of Fees

All freshmen, except for those who are not paying fees on a semester basis, are required to print their own copy of the Student Bill for Semester 1, Academic Year 2014-2015. Students may access the following URL to obtain their student bill: https://myisis.nus.edu.sg

Students can access the following URL: http://www.nus.edu.sg/finance/student/financialServices/notice/index.html to obtain information on the following:

- Date for viewing and printing of Online Student Bill
- GIRO application procedure and deadline for the submission of GIRO application
- GIRO deduction dates for payment of fees
- Download GIRO application form
- Different modes of payment of fees
- Deadlines for payment of fees
- Change of mailing address

Notifications of payment of fees are also sent to students’ NUS e-mail accounts before the commencement of each semester, before as well as after each payment due dates. Students are strongly encouraged to check their NUS e-mails for important information pertaining to their accounts.

Fees Payable consists of tuition fee and mandatory miscellaneous student fees (MSF).

Tuition Fees and MSF payable are published in the Registrar’s Office’s website at http://www.nus.edu.sg/registrar/edu/UG/fees.html

In line with the government’s efforts to promote electronic payment, all students are requested to pay their fees through GIRO. The process to apply for payment by GIRO (Debit Bank Account) is as follows:

For Debit Bank Account:
CS Login (https://myisis.nus.edu.sg) → Self-Service → Campus Finances → Maintain Bank Accounts → Debit Bank Account Details section → Add a new Debit Bank Account hyperlink → proceed to fill out the form → print out the completed form, sign on it and submit to Student Service Centre before the stipulated GIRO submission deadline.

For more information on Debit Bank Account or Credit Bank Account, please refer to the following URL: http://www.nus.edu.sg/finance/student/financialServices/faq/GIRO.html

In the event that a student does not settle his/her outstanding fees by the payment deadline, a late fee of S$25 will be imposed and the University reserves the right to take further action as deemed necessary. Students who are unable to pay their fees on time for good reasons should inform the Office of Financial Services immediately and obtain permission to pay their fees later.

Post-Secondary Education Scheme (Applicable only to Singaporeans)

Students who have funds in their Post-Secondary Education Accounts (PSEA) are permitted to utilise the funds for payment of tuition fees and miscellaneous student fees. PSEA is not applicable to Singapore Permanent Residents and international students.

PSEA allows students to utilise their own or their siblings’ PSEA funds up to a maximum of three siblings for payment of tuition fees (inclusive of miscellaneous student fees), University Town College Programme and University Scholars Programme college fees as well as enrichment programmes approved and endorsed by the University. Interested applicants can download the application form from the Office of Financial Aid’s website in July each year and must return or mail the completed form to the Office of Financial Aid by the stipulated deadline stated on the Office of Financial Aid’s website. Further details on the scheme can be obtained from the website of Ministry of Education at http://www.moe.gov.sg/initiatives/post-secondary-education-account/faq/
Central Provident Fund (CPF) Education Scheme
(Applicable Only To Singaporeans)

Under the Central Provident Fund (CPF) Education Scheme, students who are CPF members or whose parents or siblings (only in special cases and on a case-by-case basis) are CPF members, can use CPF savings for the payment of tuition fees. The scheme does not cover the tuition grant subsidy and payment for hostel and other miscellaneous fees. Students paying full tuition fees are not eligible to use CPF savings to pay for their tuition fee. Students receiving the following financial awards are not eligible to use CPF towards payment of tuition fees:

a) Government / Statutory Board / NUS Scholarships which cover tuition fees;
b) Full Tuition Fee Subsidies from Mendaki.

Students who wish to apply for the use of CPF savings under the scheme are required to apply online through the CPF Board’s website. The handbook on the scheme is available online at http://mycpf.cpf.gov.sg/CPF/News/Highlights/ednhigh.htm

Payment Sequence
For students who are using both CPF savings and Tuition Fee Loans to settle their tuition fees and did not indicate the quantum from each loan, payments will be processed in the following sequence:
- Disbursements from CPF funds
- Disbursements from TFL
- GIRO deductions / NETS / others

The total disbursements from CPF funds and TFL shall not exceed tuition fees payable and shall not cover the payment for hostel and other miscellaneous fees.

Student Financial Aid

We understand the challenge of financing your University studies. While you are ultimately responsible for your tuition fees and living expenses, we strive to help you tap all the resources which you are eligible. Needy students who apply for financial assistance will be offered financial aid if they are assessed to be eligible. Financial aid is administered on a university-wide basis by the Office of Financial Aid (OFA) which is set up within the Office of Admissions.

Application for Financial Aid

NUS Financial Aid applications are processed before the start of each academic year. If you are a prospective student, you should apply for Financial Aid at http://www.nus.edu.sg/financialaid after you have applied for admission, and before the admission closing date, or by 1 April, whichever is earlier. If you require financial assistance and have not applied for Financial Aid by 1 April, please login via the above mentioned Financial Aid application portal and state the reason(s) for your late application before proceeding to apply accordingly.

All Financial Aid applications must be duly supported by documentary evidence of pertinent information, such as family income and household size, to facilitate the assessment of the respective applicant’s financial situation. In addition, please note that Financial Aid applications should be made regardless of whether you intend to apply for scholarships and/or other forms of financial assistance offered or administered by other sources.
Applicants who have been assessed to be needy can be considered for the following NUS-administered financial aid schemes:

- NUS Study Loan
- NUS / Faculty Bursary
- CDC / CCC Bursary
- MOE Bursary
- Residential Programme / UTown Bursaries
- NUS Student Assistance Loan
- Work-Study Assistance

Acceptance of the Financial Aid is subject to the recipient fulfilling each individual scheme's terms and conditions as stated in the offer package.

Key Information on Financial Aid Schemes

a) Tuition Fee Loan Scheme (TFL)

This scheme is externally administered by OCBC and DBS Bank. It is open to all full-time undergraduate students and needy part-time Singapore Citizen undergraduate students. Full-time graduate students reading selected programmes are also eligible to apply.

The quantum of the TFL is up to 90% of the tuition fee payable. The TFL is tenable for the entire course of study and is repayable upon graduation by installments over a maximum period of 20 years. Interest based on the average prime rate of DBS, OCBC and UOB, is deferred until graduation. Interested applicants have to download the application form from OFA's website upon acceptance of the offer of admission and submit the completed form directly to either OCBC or DBS for processing by the stipulated deadline stated in the website. Please refer to page 26 for more details.

b) CPF Education Scheme (CES)

This scheme is administered by the CPF Board and is open to full-time undergraduate students who have and/or whose family members have CPF accounts. The scheme covers up to 100% of the tuition fee payable and does not cover the miscellaneous student fees. The member can only withdraw up to 40% of the accumulated Ordinary Account savings, or the remaining balance in the Ordinary Account after setting aside any amounts reserved for housing or other schemes (if any), whichever is lower.

The CES is tenable for the entire course of study and is repayable upon graduation by installments over a maximum period of 12 years. Interest starts accruing from the day of withdrawal and is pegged to the prevailing CPF Ordinary Account interest rate. Interested applicants have to apply online at the CPF’s website in July. Please refer to page 31 for more details.

c) Mendaki Tertiary Tuition Fee Subsidy (TTFS)

This scheme is administered by Yayasan MENDAKI and is open to needy Malay undergraduate students who are Singapore Citizens and have enjoyed free secondary and pre-university education in Singapore, with a monthly family per capita income not exceeding SGD$1,500. The quantum of the subsidy is 50% or 75% or 100% of the tuition fee payable. Interested applicants can download the application form from OFA’s website from July onwards and must return the completed form to the Office of Financial Aid by 1 August.

d) Post-Secondary Education Account (PSEA) Scheme

This scheme is administered by the Ministry of Education (MOE) and is open to all eligible Singaporeans. It allows students to utilise their own and/or their siblings’ PSEA funds up to a maximum of three siblings for payment of tuition fees (inclusive of miscellaneous student fees) as well as enrichment programmes approved and endorsed by the University. Interested applicants can download the application form from OFA’s website in July and must return the completed form to, University Town College Programme and University Scholars Programme college fees Office of Financial Aid by the stipulated deadline stated on the website. Please refer to page 30 for more details.

e) NUS Study Loan Scheme

Loans under this scheme are offered to local and international undergraduate applicants whose monthly family per capita income does not exceed SGD$2,400 and SGD$1,200 respectively. When 100% of the applicant’s tuition fee payable is covered by the financial aid schemes under a, b, c and/or d, the applicant can also take up the annual living allowance loan component of SGD$3,600 to finance his/her living expenses. The loans are tenable for the entire course of study and are repayable upon graduation by installments (installments are over five years for loans offered on non-interest bearing terms, and 20 years for loans offered on interest-bearing terms). Interest based on the average prime rate of DBS, OCBC and UOB, is deferred until graduation. Interested applicants can be considered for the scheme by applying for Financial Aid online at OFA's website by the stipulated deadline in page 31.

3 At Singapore Citizen’s rate for the same course of study. For example, if the tuition fee payable in a course is SGD$10,000 per annum for Singapore Citizens and SGD$20,000 for international students, the coverage of the scheme will be based on the Singapore Citizen’s tuition fee of SGD$10,000.
f) **NUS Bursaries Scheme**

Bursaries under this scheme are available only to eligible needy undergraduate applicants who have obtained maximum financing under the TFL, CES, TTPS, PSEA and such other similar schemes and the NUS Study Loan. The quantum of each award is at least SGD$1,000 and varies according to the assessed financial need of the applicant. Each award is tenable for one year and the recipient may not concurrently hold another scholarship or bursary or free aid without prior approval from OFA. Interested applicants can be considered for the scheme by applying for Financial Aid online at OFA’s website by the stipulated deadline in page 31.

g) **MOE Bursaries Scheme**

Bursaries under this scheme are funded by MOE and are administered by OFA. The bursaries are only offered to applicants who are Singapore Citizens and whose monthly family per capita income is SGD$1,700 and below. The quantum of each award is SGD$800 or SGD$2,150 per year depending on the assessed financial need of the applicant. Each award is tenable for one year and the recipient is not allowed to concurrently hold the CDC/CCC Bursary or another scholarship or bursary or free aid without prior approval from OFA. Interested applicants can be considered for the scheme by applying for Financial Aid online at OFA’s website by the stipulated deadline in page 31.

h) **CDC/CCC Bursary Scheme**

Bursaries under this scheme are co-funded by the Government, Community Development Council (CDC), and Citizens’ Consultative Committee (CCC). The bursaries are only offered to applicants who are Singapore Citizens and whose monthly family per capita income does not exceed SGD$850. The quantum of each award is SGD$2,900 per year and each award is tenable for one year. The recipient may not concurrently hold another scholarship or bursary or free aid without prior approval from OFA.

MOE Bursary recipients are not allowed to concurrently hold the CDC/CCC Bursary. NUS Bursary recipients who are eligible for the CDC/CCC Bursary may be allowed to concurrently hold the CDC/CCC Bursary. Interested applicants can be considered for the scheme by applying for Financial Aid online at OFA’s website by the stipulated deadline in page 31.

i) **Residential Programme Bursaries**

Bursaries under this scheme are available only to eligible needy Singaporean undergraduate applicants who are staying at one of the three residential colleges* at the University Town participating in the college programme or one of the six Halls of Residences**. The quantum of each award is at least SGD$400 per annum and varies according to the assessed financial need of the applicant. Each award is tenable for one year and the recipient may not concurrently hold another scholarship or bursary or free aid without prior approval from OFA. Interested applicants can be considered for the scheme by applying for Financial Aid online at OFA’s website by the stipulated deadline in page 31.

* Only includes College of Alice & Peter Tan, Cinnamon College (USP) and Tembusu College.
** Only includes Eusoff Hall, Kent Ridge Hall, King Edward VII Hall, Raffles Hall, Sheares Hall and Temasek Hall

j) **Student Assistance Loan Scheme**

Loans under this scheme are available to eligible undergraduate applicants who are recipients of the NUS Study Loan, which includes the living allowance component. Scholars whose scholarships do not provide full coverage for living and accommodation expenses may also be considered. The loan quantum is about SGD$1,000 and varies according to the assessed financial need of the applicant and is tenable for the entire course of study. It is interest-free and repayable upon graduation by installments over three to five years. Interested applicants can be considered for the scheme by applying for Financial Aid online at OFA’s website by the stipulated deadline in page 31.

k) **Work-Study Assistance Scheme**

This scheme is only available to eligible undergraduate applicants who are recipients of the NUS’ Financial Aid. Successful applicants will be issued a letter by OFA requesting for prospective employers to accord them priority during job placement and also receive email notifications on job vacancies. Interested applicants can be considered for the scheme by applying for Financial Aid online at OFA’s website by the stipulated deadline in page 31.

l) **Overseas Student Exchange Programme Loan Scheme**

Loans under this scheme are available to undergraduate applicants who have been selected to participate in the Student Exchange Programme at an overseas partner university. The loan quantum is up to SGD$3,000 per semester, depending on the assessed financial situation of the applicant. Interested applicants have to download the application form from OFA’s website and submit the completed form to OFA for processing at least three weeks before departure from Singapore.

m) **NUS Students’ Fund Bursary (administered by NUS Students’ Union)**

Bursaries under this scheme are offered to applicants who are in receipt of the maximum loan under the Tuition Fee Loan scheme. The quantum of each award is SGD$1,000 per semester and each award is tenable for a semester. The recipient may not concurrently hold another scholarship or bursary or free aid without prior approval from the respective awarding authorities. More information on the scheme can be found at the union’s website at http://www.nussu.org.sg

Please also visit OFA’s website for more information on the above-mentioned schemes and financial aid schemes administered by other NUS offices / faculties / schools / University Town and its colleges / Halls of Residences and external organisations.

Concession
Travel

Tertiary Student Ez-Link Card

You may apply for the Tertiary Student Ez-link Card which allows you to purchase a monthly concession pass for concessionary travel on buses (SBS Transit & SMRT bus services) and/or train systems [Mass Rapid Transit (MRT) & Light Rapid Transit (LRT)].

Application can be made at any TransitLink Ticket Office (TLTO) in bus interchanges and MRT stations from 9 July to 31 August 2014. If you apply within this period, your card will be available for collection at the Student Service Centre 2 weeks later. Please check the OSAs website, http://www.nus.edu.sg/osa/ssa/services/student-ezlink-card under the heading of “Application for Tertiary Student Ez-link Card” for the date of collection and other information.

Please bring along your NRIC (for Singaporeans and Singapore Permanent Residents) or passport / Student’s Pass (for International Students) and a payment of SGD$8 when applying at the TLTO.

You will have a choice of the following monthly concession passes to be encoded into the Card:

a) Buses (SBS Transit & SMRT Bus Services):
   - Bus Concession Pass (BCP) of SGD$52 per month for unlimited rides on both air-conditioned and non air-conditioned buses.

b) Trains (MRT & LRT System):
   - Train Concession Pass (TCP) of SGD$45 per month for unlimited travel on the MRT/LRT each day.

c) Buses and Trains:
   - Hybrid Concession Pass (HCP) of $97 per month which allows unlimited travel on both the bus and trains.

If you do not wish to purchase any of the above concession passes, you may still apply for a Tertiary Student Ez-link Card and top-up with a minimum travel value of SGD$10 for use on buses and trains. Please note that normal adult fares will apply if the Card is not encoded with any of the above concession passes.
Students’ Union and Non-Faculty Club Memberships

Membership of the Students’ Union and a faculty club is compulsory for all registered full-time undergraduates but membership of non-faculty clubs is optional. A one-time entrance fee of SGD$10 (subject to prevailing GST charges) is payable by all freshmen towards membership of the Students’ Union. With this and the annual subscription fee of SGD$24 (subject to prevailing GST charges), you automatically become a member of the Students’ Union and your respective faculty club.

You may also become an ordinary member of one or all four of the following non-faculty constituent clubs of the Students’ Union at no extra cost:

a) **NUS Students’ Cultural Activities Club**
   The Cultural Activities Club (CAC) aims to promote cultural and recreational interests such as dancing, mandarin pop singing and acappella singing through activities such as concerts, guitar appreciation and special projects. Amongst such activities, CAC+US, an annual concert, performed by 11 different sub clubs, is their most well-known project. For more information, please visit their website at [http://www.nuscac.net](http://www.nuscac.net)

b) **NUS Students’ Community Service Club**
   The Community Service Club (CSC) aims to promote volunteerism among students of National University of Singapore (NUS). CSC hopes to inculcate the joy of giving in volunteers through their programmes. CSC has ten regular volunteering programmes, seven special projects and three external partners doing volunteer work with children, youth, elderly, terminally-ill and the intellectually disabled group in Singapore. **Application Deadline and Charges***

Validity Period: Per Semester / Vacation Basis

Application Deadline*: Submission by
- 29 July 2014 (Semester I)
- 21 November 2014 (Vacation I)
- 15 December 2014 (Semester II)
- 24 April 2015 (Vacation II)

Monthly Student Season Parking*: SGD$35 (Open Lot); SGD$65 (Covered Lot)

*Application deadline and parking charges are subject to adjustments. Please refer to [http://www.nus.edu.sg/oed/services/transport/parking-at-campus.htm](http://www.nus.edu.sg/oed/services/transport/parking-at-campus.htm) for updates.

Each student is eligible to apply for only one season pass, and only one vehicle will be accepted per season parking application. The vehicle has to be owned by the applicant or the applicant’s parents, legal guardian, siblings, children or spouse.

If the season parking lots in a carpark are ‘oversubscribed’, a ballot will be conducted. Details of the balloting exercise can be found on the website stated earlier. Do note that balloting application will be automatically disqualified if

- an applicant submitted more than one vehicle registration number; or
- a vehicle is submitted by more than one applicant.

Once allocated, payment for season parking and subsequent renewals may be made using NETS, cheque, GIRO, AXS, SingPost Services or Credit / Debit cards payment via NUS Student Intranet (Parking Services Portal) before the first calendar day of each month. The maximum period of advance payment is three months.

Note: SingPost Services

a) Self-Service Automated Machines (SAM)
b) Virtual Post Office (VPost) at [http://www.vpost.com.sg](http://www.vpost.com.sg); and
c) Any Post Office counter SingPost services will be available after the 16th day of the month when the season pass is about to expire.
Application Procedure

All students must complete the online-registration of to obtain their NUS User ID and password before applying for season parking. For more details on the online-registration System, please refer to the Registration's website at [http://www.nus.edu.sg/registrar/event/registration-letter.html](http://www.nus.edu.sg/registrar/event/registration-letter.html)

After you have done the registration online, you will receive your student NUSNET account information (i.e. User ID, NUS Student Card PIN and e-mail password) from the online-registration system (after additional authentication has been made).

The User ID and password will enable you to access the NUS Student Intranet (Parking Services Portal) at [https://inetapps.nus.edu.sg/parking/Default.aspx](https://inetapps.nus.edu.sg/parking/Default.aspx) from home via NUS Virtual Private Network (VPN) ([https://network.nus.edu.sg/vpn/](https://network.nus.edu.sg/vpn/)).

Login via [webvpn.nus.edu.sg](http://webvpn.nus.edu.sg) using NUS Student (NUSSTU) account, NUSNET User ID (AXXXXXXX) and password (i.e. key in NUSSTUAXXXXXXX on the popup window).

Parking Enforcement

Student season pass holders are allowed to park only in the white coloured parking lots at the approved car parks on a first-come-first-served-basis. Red parking lots are strictly reserved for NUS staff season parking holders (unless otherwise stated at the car park lots). Unauthorised and illegal parking will pose security and safety hazards and inconvenience to the campus community.

Students who tamper with their vehicle license plates and/or tailgating other vehicles while exiting or entering the car parks with the intention to evade car parking fees will endanger the safety of other motorists and pedestrians. A disciplinary committee may be formed to deal with students who intentionally evade car parking fees. Apart from being disciplinary dealt with, students may also be ordered to pay restitution of car park fees and subject to wheel clamping or towing release fees. Students with persistent parking offences may not be eligible for season parking privileges consequently.

The NUS Car Park Management Committee, which comprises representatives from student and staff unions, the Office of Human Resources, Office of Student Affairs and the Office of Campus Amenities, has introduced wheel clamping and towing of vehicles as enforcement measures. The purpose is to deter unauthorised and illegal parking at all NUS car parks, driveways, fire engine hard standing areas and access routes.

Students whose vehicles are wheel-clamped or towed away will have to pay a release fee of S$107 (including GST) and S$160.50 (including GST) respectively. Wheel clamping and towing warning signs are prominently displayed in the car parks and apply to the entire car park, including the driveways.

The Office of Admissions acknowledges with gratitude the assistance given by all the administrative departments in preparation of this Guide.

The standard academic calendar consists of two semesters and a special term. Each semester normally includes 13 weeks of instruction and 2 weeks of examinations. The special term takes place during the Semester 2 vacation period. It comprises of two parts, each of which lasts 6 weeks and is inclusive of an examination period.

1 The Yong Loo Lin School of Medicine and the Faculty of Dentistry operate on a slightly different academic calendar structure.

Dates of public holidays in Singapore are available at the Ministry of Manpower’s website.

### (C) MINDEF IN-CAMP TRAINING

The University has a standing arrangement with the Ministry of Defence and Ministry of Home Affairs for undergraduate NSmen from SAF, SPF and SCDF to be called up for In-Camp Training (ICT) only during specific parts of the university vacation. There will not be any compulsory academic programme scheduled or conducted during the period reserved for the ICTs. Undergraduate NSmen who are called up for ICT during the reserved period will not be granted deferment on the grounds of academic commitments. The call-up periods are indicated below:
