Dear Motorists

### **IMPLEMENTATION OF \$1 PEAK HOUR CHARGE W.E.F. 20 AUGUST 2007**

We wish to inform you that with effect from Monday, 20 August 2007, National University of Singapore (NUS) and National Parks Board (NParks) will be implementing a peak hour charge on all passing vehicles that enter from Kheam Hock Road and exit at Evans/Cluny Road during the peak hour of 8am to 9am.

#### **Peak Hour Charge**

A \$1 peak hour charge is applicable from 8am to 9am on Mon to Fri (except public holidays) for vehicles entering Bukit Timah Campus and exiting via Evans/Cluny Road.

There will be no change in parking rates. The objective of implementing the peak hour charge is to reduce traffic congestion during the peak hour of 8am to 9am.

The charges will be reviewed regularly to achieve the objective of regulating traffic volume and ensuring road safety within NUS' Bukit Timah Campus and Singapore Botanic Gardens.

Visitors will still be able to leave without being charged if they use the same gantry or travel in an opposite direction (enters via Evans Road and exit at Kheam Hock Road).
