   Please refer to the [ICA](#) website for information on how to surrender the Student’s Pass either in person, or at the checkpoint when leaving Singapore.

   **International students who are conferred their degrees ONLY IN THE MONTH OF JUNE:**
   International students who are conferred their degrees in June may hold on to their Student’s Passes to attend Commencement provided that their ceremony falls within the validity period of the Student’s Pass. Such students should surrender their Student’s Passes for cancellation as soon as their Commencement ceremonies are over. Please visit [ICA](#) website for more information on how to surrender the Student’s Pass either in person or at the checkpoint when leaving Singapore.

   Those who are seeking employment in Singapore may submit an application for a (non-renewable) Visit Pass to ICA. Please visit [ICA](#) website for more information.

   If your spouse/child is holding a social visit pass sponsored by the University, the University’s sponsorship will cease upon the completion of your full-time studies. Please surrender the social visit pass to ICA within 7 days from the date of conferment.
