Preamble:

All students must be registered before commencing a course of study at the National University of Singapore (NUS). There are two parts to the student registration. To be a ‘registered student’, it is compulsory to complete Registration (Part One) first before proceeding to complete the Registration (Part Two).

The purpose of this Registration Guide is to highlight the activities which are significant to the incoming graduate research students in completing the various formalities towards being officially registered as a student in NUS.

If you have any registration-related queries, please email to GDRegistration@nus.edu.sg.

1. Pre-Admission Medical Examination

All incoming students are required to undergo a Pre-Admission Medical Examination. The University reserves the right to refuse admission or exclude a student from any particular course of study if they decline to undergo such health examinations or any prescribed tests.

The medical examination may be done (i) by student’s own physician in Singapore; (ii) in student’s home country or (iii) at the University Health Centre, UHC (nus.edu.sg/uhc/healthservice). If student choose to do (i) or (ii), they will need to submit the completed prescribed medical report form and the original laboratory and chest x-ray reports, written in ENGLISH to UHC.

Students who have done a similar medical exam not more than six months before the time of registration, must still complete Part 1 of the prescribed medical report form and submit it to UHC together with the documentary proof of the earlier medical examination.

Students can download the prescribed medical report form and make appointments at UHC’s website (nus.edu.sg/uhc/services/medical-examination/pre-admission-medical-exam.html). For enquiries, please write to uhc_health@nus.edu.sg.

Full-time international students are also required to fulfill an additional medical screening requirements for their Student’s Pass application. For more information, please see Annex 1.

2. Registration (Part One)

In Registration (Part One), students have to update their personal particulars, agree to abide by the policies which form their Acceptance Record; and complete the Authorisation Requirements (nus.edu.sg/registrar/administrative-policies/acceptance-record.html).

The Registration (Part One) has to be completed online via the Registration System (isisregpart1.nus.edu.sg) using the application number and password given to them during their application for admission to the graduate programme. Students who have forgotten their application password can reset it through the Graduate Admission System (metapps.nus.edu.sg/GDA2/Applicant.aspx/Account/ForgetPassword).

Upon login to the Registration System, please navigate to: Self-Service > Student Admission > Registration (Part One). The entire registration process consist of five steps which will take about 15 minutes to complete. To begin, click on the first hyperlink under step one.
Upon successful completion, student will be directed to a confirmation page where they can retrieve their Student ID, PIN and NUSNET account information as shown in Figure 1.

Figure 1: Screenshot - Registration (Part One) Student ID / PIN / NUSNET ID and Password Page

These are **confidential** information which should not be shared with anyone.

The NUSNET ID and password given here will only be activated **two days after** completion of Registration (Part One).

Upon activation, student will need to change the default NUSNET password, before they can be used to access any NUS online services. Refer to **Point 3** for the detailed procedure.

Students **under 18 years of age** at the time of completing Registration (Part One), are also required to print all the forms which are downloadable under Step 5 (see figure 2) for their parent’s/guardian’s signature and bring them for submission when they report for Registration (Part Two).

Figure 2: Screenshot - Step 5 of Registration (Part One) Main Page

Students who have forgotten to note down their Student ID, PIN, NUSNET ID and NUSNET password, may re-access the Registration System (during the stipulated period) and retrieve it under Step 5 (see figure 2).

Do note that the Letter of Undertaking is only applicable to those offered the following:

3. **Change / Reset NUSNET Password**

Students will be issued with the default NUSNET ID and password after they complete the Registration (Part One). These NUSNET ID and password will only be activated two days later.

Upon activation, students are required to change their default NUSNET password at the Password Portal (exchange.nus.edu.sg/passwordportal). This step is necessary in order for them to access any NUS online services, including Registration (Part Two) where they are required to activate their NUS Student Card.

Students who have forgotten their NUSNET password after changing it may reset it through short message service (SMS). A step-by-step guide on how to use the SMS service is accessible at the Computer Centre’s website (comcen.nus.edu.sg/services/mobile/nusnet-password-reset-via-mobile). Alternatively, you can email ITCare@nus.edu.sg to reset your password, stating your full name, Student ID and attach a scanned image of your NUS Student Card.

4. **NUS Email and Student Portal**

All students will have NUS email account which will be their official point of contact. It is the student’s responsibility to check their NUS email regularly and be aware of the latest notices/circulars that may be posted on NUS Student Portal (myportal.nus.edu.sg).

To access the NUS email account (outlook.com/u.nus.edu), students should use their NUSNET ID and Password. Do note that the default NUSNET password must be changed, before it can be used it to access any NUS online services. Refer to **Point 3** for the detailed procedure.

5. **Diagnostic English Test**

The Diagnostic English Test (DET) is an English Language test set by the Centre for English Language Communication (CELC). It must be taken by all international graduate students from non-English medium universities and whose faculties require them to take it. Students are advised to check the DET website (nus.edu.sg/registrar/events/registration/registration-for-det.html) for the following information:

- the objectives of the test; and
- the format of the test.

New students who need to sit for the DET have to register online via the Registration System (isisregpart1.nus.edu.sg) using their application number and password. Upon login, please navigate to: Self-Service > Student Centre. Under “Academics” section, click on “QET/DET Registration” link and follow the instructions to register accordingly.

Students who have forgotten their application password, can reset it through the Graduate Admission System (inetapps.nus.edu.sg/GDA2/Applicant.aspx/Account/ForgetPassword). If you encounter difficulties registering for the DET online, please email to det@nus.edu.sg for assistance.

Students should sit for the DET before starting their course of study as any late attempt at the DET may result in a delay to their graduation. Students who miss this test due to extenuating circumstances, are required to sit for the next DET in the following semester. Please refer to the DET website for more details.

Results for the DET will determine whether a student should be placed on a Graduate English Course module, or whether they should be exempted from the course. Students may also refer to the CELC website (nus.edu.sg/celc/research/cituc.php) for guidelines on academic writing.

7. Update Personal Particulars and Contact Details

Students can verify their personal particulars and update any changes to their contact details via the Integrated Student Information System (myisis.nus.edu.sg) (Navigation Path: Self Service > Campus Personal Information > Select the relevant links).

Please note that it is the student’s responsibility to:

(i) Keep their personal and emergency contact details up-to-date.
(ii) Notify NUS within five working days from the effective date of change in citizenship, official name and identity card/passport. For the detailed procedure, please refer to the Registrar’s Office website (nus.edu.sg/registrar/adminpolicy/responsibility.html).

The Integrated Student Information System is a single entry point for students to manage a wide range of student transactions relating to academic, finance and personal information matters. To access this system, student will need their NUSNET account.

To help new students navigate within this system, the guides and other useful resources are published at the NUS Student Portal (myportal.nus.edu.sg/studentportal/eservices/all/myisis.html).

8. Financial Matters and Other Important Information

Please refer to Annex 2 for detailed information on scholarship, financial matters and other important information.

9. Graduate Programme Contact Details

For the latest graduate programme contacts, please refer to the Graduate Admissions website (nus.edu.sg/admissions/graduate-studies/graduate-programme-contacts.php).

10. Student Service Centre

Student Service Centre (SSC) (nus.edu.sg/osa/services/onestop.html) serves as a convenient one-stop contact point for students to obtain information and services relating to academic/administrative student records, tuition fees and financial matters. Please visit the SSC, or contact them at nus.edu.sg/osa/contact-us.html.
Information for International Students

1. International Students Orientation Briefing by Office of Student Affairs (OSA)

International students are encouraged to attend this Orientation Briefing as scheduled and to read on the upcoming events at OSA's webpage (nus.edu.sg/osa).

2. Immigration and Checkpoints Authority (ICA) of Singapore – Student’s Passes

All Full-Time International Students must have a valid Student’s Pass issued by the ICA (ica.gov.sg) during their candidature in NUS. To be familiar with ICA’s requirements regarding Student’s Pass matters, please check ICA’s web-published information on Student’s Pass for University students (ica.gov.sg/page.aspx?pageid=325&secid=182).

To apply for a Student’s Pass, NUS will first need to initiate a registration with ICA on the student’s behalf, before the student can receive an email instruction to submit an eForm16. If the application is approved, ICA shall grant an In-Principle Approval (IPA) letter.

For students from a visa-required country (ica.gov.sg/services_centre_overview.aspx?pageid=252), the IPA letter, which serves as a single-entry visa to enter Singapore, will be sent to them via email. A copy of the IPA letter containing NUS stamp will be issued only after the students have completed their registration procedures at NUS.

Students are advised to read the IPA letter carefully or refer to ICA website (ica.gov.sg/page.aspx?pageid=325&secid=182#formalities) for the list of documents/items which they need to prepare for submission to ICA in order to complete their Student’s Pass formalities.

2.1. Additional Medical Examination for Student’s Pass Application

The issuance of the Student’s Pass is subject to the outcome of the medical examination required by ICA, which includes HIV test. Students who fail to fulfil the medical requirements will not be issued with a Student’s Pass.

The medical examination can be done in the student’s home country if they have never resided in Singapore on any long-term immigration passes previously. For students who are currently residing in Singapore and holding on to any long-term immigration passes, they are required to undergo the medical examination in Singapore, especially if the last medical examination was submitted to ICA more than two years ago.

Both the student and a qualified practitioner must complete the prescribed ICA’s Medical Examination Report form (ica.gov.sg/data/resources/docs/Visitor%20Services/MedicalReport.pdf), and attached it with the relevant laboratory reports for HIV test and x-ray. An official translation of the laboratory reports is required if it is not in the English language. At the time of submission to ICA, the laboratory reports must not be more than three months from the date of issue.

Students may opt to have this medical examination done together with their NUS Pre-Admission Medical Examination at the University Health Centre (UHC) (nus.edu.sg/uhc/healthservice). If student chooses to do at UHC, do note that the results of the various laboratory tests will only be ready for collection after five working days. It is the student’s responsibility to plan the timing of their medical examination so that all the necessary documents are ready in good time for their appointment with ICA to complete their Student’s Pass formalities.
2.2. ICA’s Offsite Enrolment Formalities for Issuance of Student’s Pass

ICA has arranged for an offsite enrolment for the issuance of Student’s Pass. Students are required to report to the offsite Student’s Pass Enrolment and Issuance sessions according to the stipulated schedule indicated in their ICA appointment letter:

Note:
- The ICA appointment letter will be issued after the completion of Registration (Part Two).
- Students are advised to adhere strictly to the given appointment time stated in the ICA appointment letter. In addition, they should report, at the latest, 30 minutes before closing time. For example, if their appointment time is 9.00am to 12.30pm, they should report by 12.00pm latest.

In addition to the ICA appointment letter, students are also required to prepare and bring the documents/items listed below for verification and/or submission to ICA, during the Offsite Student’s Pass Enrolment Session. Please arrange the documents/items in order of 1 to 8, with item 1 on top:

3. In-Principle Approval (IPA) Letter containing NUS Stamped
   The IPA letter containing NUS stamped will be issued to students after they have completed Registration (Part Two).

4. Original and Photocopy of Passport Particulars Page

   All payments (ica.gov.sg/page.aspx?pageid=325&secid=182#fees) are to be made online through ICA SOLAR system, prior to the student’s appointment with ICA.

8. Two copies of the Terms and Condition of Student’s Pass
   To be printed from ICA Website (www.ica.gov.sg/data/resources/docs/Terms_&_Conditions_STP.pdf), and signed in the presence of ICA officer. In addition, students will need to provide the following information on the last page of the Terms and Conditions:

   (i) Singapore Residential Address
      Students who do not have a Singapore Residential Address at the point of submission to ICA, please indicate the address of the interim NUS hostel or other interim accommodation under the Residential Address field.

   (ii) Contact Number
      Students are also required to indicate the Email address which they frequently check under the Contact Number field.

Please refer to the IPA letter for the specific instructions on how to make an e-appointment. There is no need to make an e-appointment with ICA, if you can attend the offsite Student’s Pass Enrolment and Issuance session as scheduled.

Students are to follow all given instructions and to familiarise themselves with ICA’s requirements regarding the Student’s Pass matters. For other relevant e-services and forms which are managed by ICA, please visit their website (ica.gov.sg/e_services.aspx?pageid=313). Students may also wish to explore the comprehensive summary on Student’s Pass matters (nus.edu.sg/osa/services/students-pass.html) provided by the SSC as part of their wide-range suite of services for NUS students.

2.3. For Long-Term Social Visit Pass, Employment Pass and Other Work Pass Holders

Long-Term Social Visit Pass (SVP), Employment Pass (EP) and other Work Pass holders can only study part-time as full time study requires a Student’s Pass. SVP, EP and other Work Pass holders who wish to study full time will have to surrender their SVP, EP or Work Pass and then apply for a Student’s Pass.

International candidates who are pursuing the degree as a part-time registered student must have a valid Long-Term Immigration Pass, such as Dependant’s Pass, Long-Term SVP, EP or other work pass to stay in Singapore. Short-term SVP is not acceptable.

2.4. For Dependant’s Pass Holders

All Dependant’s Pass holders must apply for a Student’s Pass if they wish to study full-time in NUS. If the course duration is shorter than the duration of the Dependant’s Pass, students may opt to be issued with a Letter of Consent (LOC) to study in NUS. To request for LOC, students must submit the following to the Student’s Pass Unit at ICA Headquarters (HQ):

- Letter indicating his/her intention to be issued with a LOC
- A copy of the eForm 16 for the Student’s Pass application (to be printed from SOLAR system (solar.ica.gov.sg/solar/index.xhtml), duly completed and signed)

Financial Matters and Other Important Information

1. Scholarship Matters

The payment of the monthly scholarship stipend will be directly credited into the student’s bank account. Hence, to avoid any delay in the disbursement of the first month stipend, students who are awarded scholarship with stipend by NUS (nus.edu.sg/admissions/graduatestudies/scholarships.php), must update the following via the Integrated Student Information System (myisis.nus.edu.sg) by the stipulated cut-off dates:

(i) Your credit bank account details
   (Navigation Path: Self Service > Campus Finances > Manage Bank Accounts > Credit Bank Account Details > Add a new Credit Bank Account).

(ii) A valid Singapore mailing and payment address
   (Navigation Path: Self Service > Personal Information > Select the relevant links)

Please ensure that you bring sufficient amount of money to tide you over the period until the payment of your first stipend. For the procedure to open a bank account, please refer to Office of Student Affairs website (askstudentservice.nus.edu.sg/app/answers/detail/a_id/2042/kw/banking).

Please note that the monthly stipend will begin from the commencement date of the semester, or the date of enrolment, whichever is later. Where applicable, the stipend for the first and last month will be pro-rated as follows:

\[
\text{First/Last Month Stipend} = \frac{\text{No. of Pro-rated Working Days} \times \text{Monthly Stipend (\$)}}{\text{Total No. of Working Days in the Month}}
\]

Note: Working days exclude Saturdays and Sundays but include public/university holidays

Please also note that the Miscellaneous Student Fees (MSF) (nus.edu.sg/registrar/info/gd/GD-MSF.pdf) which are payable at the beginning of every semester will be deducted from your stipend.

2. Student Fees Matters

For information on Student Fees, please refer to nus.edu.sg/registrar/educationat-nus/graduate-educationfees.html.

In line with the government’s efforts to promote electronic payment, all students are requested to pay their fees through GIRO. The process to apply for payment by GIRO is as follows:

(i) Access myisis.nus.edu.sg (Navigation Path: Self-Service > Campus Finances > Manage Bank Accounts > Debit/Credit Bank Account Details > Add a new Debit Bank Account) and follow the instructions to update Bank Account.

(ii) Once the Bank Account is updated, student will be able to print the GIRO form and submit it at the Registration Centre or to the Student Service Centre/Student Services@Bukit Timah Campus by the stipulated deadline.

Students can view their Student Bill from myisis.nus.edu.sg at least two weeks before the fee payment deadline. Fees are to be paid before a stipulated deadline, failing which a late fee would be imposed. Please refer to the Office of Financial Services website (nus.edu.sg/finance/NoticeonPaymentofFees.html) for information on payment deadlines as well as the mode of payment.

If you have any queries, please write to the Office of Financial Services at ofnbox3@nus.edu.sg.

Students should also familiarise themselves with fee-related matters arising from termination/withdrawal of candidature, application of leave of absence, submission of thesis and change in citizenship.
