Preamble:

The purpose of this Guide is to highlight the activities significant to the incoming undergraduate student for completing the various formalities towards being officially registered as a student of the National University of Singapore (NUS). You may wish to refer also to the following:

- Registration website (nus.edu.sg/registrar/registration) for the latest deadlines of various registration-related activities;
- Office of Student Affairs website (nus.edu.sg/osa/index.html) for helpful information on services such as hostel admission and other student administration matters.

If you have any queries, you may write to UGRegistration@nus.edu.sg.

1. Photograph for Student Card

You are required to submit your photograph within two working days of acceptance of offer of admission. You can do so via the Online Photo Submission System (myaces.nus.edu.sg/photoVerification/PhotoSubmissionNewLoginServlet?hAction=newStudent). The specifications of the photograph required for your Student Card is available on the Online Photo Submission System website.

It is your responsibility to access this same system again two working days after you have submitted your photograph to check whether it has been approved for use. Resubmission of a new photograph (which meets the specifications) is required if your photograph is not approved.

Please be reminded that late submission of your photograph will delay the processing of your Student Card, completion of Registration formalities, and the subsequent selection and registration of modules.

2. Pre-Admission Medical Examination

As an admission condition, all incoming students are required to undergo a medical examination. The University reserves the right to refuse admission to or exclude a student from any particular course of study if they decline to undergo such health examinations or refuse any prescribed tests.

The medical examination may be done (i) by students’ own physician in Singapore; (ii) in students’ home country or (iii) at the University Health Centre, UHC (nus.edu.sg/uhc). If students choose to do (i) or (ii), they will need to submit the completed prescribed medical report form and the original laboratory and chest x-ray reports, written in ENGLISH. If students have done a similar health check not more than six months prior, they must still complete and submit Part 1 of the prescribed medical report form, together with documentary proof of the earlier medical examination, to UHC by the stipulated deadline.

Medical report forms may be downloaded from, and appointments made at, the UHC’s website (nus.edu.sg/uhc/services/medical-examination/pre-admission-medical-exam.html). For enquiries, please write to uhc_health@nus.edu.sg.

Full-time international students are also required to fulfil an additional medical screening requirements for their Student’s Pass application. For more information, please see Point 8.

2.1 Additional Screening for Students Admitted to Medicine, Dentistry, Nursing, Public Health and Pharmacy

If you are an undergraduate student entering the field of Medicine, Nursing, Pharmacy or Dentistry, kindly note that there are additional screenings and immunisation requirements. Please refer to your respective Faculty or School for further information and deadlines for such screenings.

Medical examinations for Dentistry students (undergraduate and graduate) are carried out by the Occupational Health Clinic. If you are an incoming Dentistry student, please call +65 6601 1781 / 6516 7333 to schedule an appointment.

7. NUS Entry Survey

The purpose of this online survey study is to learn more about what personal and situational factors predict effective learning, resilience and well-being as students become engaged across their first to fourth year of studies in university.

The results of this study will provide valuable information that may potentially benefit the educational process for future incoming classes at NUS and universities around the globe.

Please complete the survey at nusentrysurvey.com by 30 June 2018. If you have any queries on the survey, please contact Prof Robert Kamei (alset.nus@nus.edu.sg).
8. Module Registration

At the beginning of each semester, all students must enrol in the modules they will read during the semester.

Students select and bid for modules through the Centralised Online Registration System (CORS) with their NUSNET ID and password. Please check the latest information and the bidding schedule at the Centralised Online Registration System (CORS) website (cors.nus.edu.sg/schedule.html).

9. Information for International Students

9.1 Orientation Briefing for International Students by Office of Student Affairs (OSA)

International Students admitting to a full-time undergraduate studies programme are encouraged to attend this Orientation Briefing as scheduled and to read on the upcoming events at OSA’s webpage (nus.edu.sg/osa/index.html).

9.2 Immigration & Checkpoints Authority (ICA) – Students’ Passes

All full-time international students will require a Student’s Pass issued by the Immigration & Checkpoints Authority (ICA) (ica.gov.sg) during their candidature in NUS. Students should be familiar with ICA’s requirements regarding Student’s Pass matters by checking ICA’s web-published information (ica.gov.sg/pass/studentpass/ihl) on Student’s Passes for University students. It is important for students to take action promptly when they receive email notification to access the SOLAR system to verify their details, as not doing so will delay the application of the In-Principle Approval (IPA) letter and subsequent NUS registration procedures.

If the application is approved, ICA shall grant the student an IPA letter. If students are coming from a visa-required country, a copy of the IPA letter will be sent to them via email. Students can use this IPA letter as a single-entry visa to enter Singapore. If students are coming from a non-visa required country, the stamped IPA letter will be given to them after they have completed their registration procedures at NUS.

If students are not issued with an IPA letter, they would not be able to apply for a Student’s Pass and their admission offer will be withdrawn.

9.3 Medical Examination for Students’ Passes

The issuance of the Student’s Pass is subject to the outcome of the medical examination required by ICA, which includes a HIV test. Students who fail to fulfil the medical requirements will not be issued with a Student’s Pass.

The medical examination and HIV test and can be done in students’ home country or in Singapore. Students may also opt to complete this medical examination together with the Pre-Admission Medical Examination at the University Health Centre (UHC) (nus.edu.sg/uhc/). If students choose to do this, they need to note that the results of the various laboratory tests will only be ready for collection after five working days.

The medical report must be completed in English. For more information on the medical examination requirements for Student’s Pass, please check ICA’s website (ica.gov.sg/cms/files/docs/Visitor%20Services/MedicalReport.pdf).

9.4 Issuance of Students’ Passes

ICA has arranged an offsite enrolment exercise for the issuance of Student’s Passes. Students are required to report for offsite enrolment according to the schedule stipulated in their appointment letter.

Students are advised to read the IPA letter carefully and prepare the required documents/items for submission to ICA to convert their social visit pass to a Student’s Pass. Please arrange the documents/items in the following order, with item 1 on top:

11. Financial Matters

11.1 Tuition Grant
The Singapore Government provides subsidies for the cost of undergraduate degree programmes at NUS. This subsidy is known as the Tuition Grant. Information on the Tuition Grant is available on the Registrar’s Office website (nus.edu.sg/registrar/education-at-nus/undergraduate-education/fees.html#TuitionGrant) as well as at Ministry of Education (MOE)’s website (tgonline.moe.gov.sg/tgis/normal/faqs.action). Students who are reading Medicine and Dentistry will separately sign the Tuition Grant Agreement with the Ministry of Health Holdings (MOHH) and the information below is not applicable to you. More details will be sent to you by MOHH in July.

If you have applied for admission before 13 October 2017, you must complete a Tuition Grant Eligibility Declaration Form when doing Registration (Part One). In addition, for Singapore Citizens, you must print the form, complete it and mail or submit it via the collection box by 31 August 2018 to:

Office of Financial Aid c/o Office of Admissions,
National University of Singapore,
University Town Stephen Riady Centre,
2 College Avenue West, #01-03, Singapore 138607
(Attention: Ms Azizah Binte Zam Zam)

If you are 21 years old and above, you may sign the form; otherwise, your parent/guardian will have to sign it.

If you have already declared your tuition grant eligibility while applying for admissions for AY2018/2019, you will not be required to complete the Tuition Grant Eligibility Declaration Form when doing Registration (Part One).

For Singapore Permanent Residents and International Students who are eligible and wish to apply for the Tuition Grant, you must submit an online application via the MOE website (tgonline.moe.gov.sg/tgis_secure/loginStudent.action) between 05 and 09 September 2018. Students who do not submit the completed form by the stipulated deadline will be charged non-subsidised fees (nus.edu.sg/registrar/education-at-nus/undergraduate-education/fees.html) by NUS. Students who have successfully submitted the online application will have to execute a Tuition Grant Agreement between 09 and 11 October 2018 at Practice Room 1 (UT25-03-12), Level 3, Stephen Riady Centre, University Town, NUS. More details will be sent to you by the Office of Financial Aid via your NUS email account in August.

If you have changed your citizenship recently and wish to update it, details can be found at the Askstudentservice portal (askstudentservice.nus.edu.sg/applanswers/detailq_id/202371-change-of-citizenship).
For queries on Tuition Grant, please refer to MOE’s FAQs website (gonline.moe.gov.sg/tgis/normal/faqs.action). Alternatively, you may wish to contact the Office of Financial Aid at 65162870 or submit your query at their website (askadmissions.nus.edu.sg).

11.2 Payment of Tuition Fees

In line with the government’s efforts to promote electronic payment, all students are requested to pay their fees through GIRO. The process to apply for payment by GIRO (Debit Bank Account) is as follows:

- Access the NUS Student Information System (myisis.nus.edu.sg) (Navigation Path: Self-Service > Campus Finances > Maintain Bank Accounts > Debit Bank Account Details section > Add a new Debit Bank Account) and follow the instructions to complete the form.
- Submit the completed form to the Student Service Centre by the stipulated deadline or within three weeks of submission of bank details online, whichever is earlier.

Fees are to be paid before a stipulated deadline, failing which a late fee would be imposed. Please refer to the Office of Financial Services website (nus.edu.sg/finance/NoticeonPaymentofFees.html) for information on payment deadlines as well as the mode of payment.

For queries, please write to the Office of Financial Services at ofnbox3@nus.edu.sg.

11.3 Financial Assistance

The Office of Financial Aid (OFA) within the Office of Admissions administers the various financial assistance schemes available to NUS undergraduates. Financial aid will be offered to eligible applicants who have been assessed to be needy. This will be in the form of a financial aid package which is designed based on the recognition that an education in the University is a partnership involving the student, his/her family and the University. The financial aid package that is offered may comprise a combination of loans, bursary and work-study assistance, depending on nationality and extent of the student’s level of neediness which is assessed based on the declared family income and mitigating factors, if any. Please visit OFA’s website (nus.edu.sg/oam/financialaid.html) for more details.

Disbursement of Financial Aid Funds

Disbursement of financial aid funds is subject to students’ fulfilment of all the loan and/or bursary requirements. The financial aid funds will first be used to clear all outstanding tuition fees, miscellaneous student fees and hostel fees (if applicable) before any balance is credited to students’ bank account. Students must update their Credit Bank Account Details and Payment Address via the Student Information System for any balance to be credited to their bank account. For queries, please refer to Office of Admissions’s website (askadmissions.nus.edu.sg).

12. Updating Personal Particulars/Forgot Password

12.1 Updating Personal Particulars

Throughout their candidature, students are responsible for keeping their personal particulars (including citizenship, official/legal name*, identity card/passport details, permanent and correspondence contact details, and next-of-kin details) updated in the University's records in a timely manner (nus.edu.sg/registrarial/administrative-policies/responsibility-for-notices-circulars-and-update-of-personal-particulars.html). This means that students must notify the University within 5 working days of the effective date of change of the affected personal particulars. The University will not be accountable for delayed or lost mail due to incorrect or obsolete students’ addresses and contacts. Students may check their particulars or amend their contact details via the NUS Student Information System (myisis.nus.edu.sg).

Please note that the Official Name in the University's Student Information System will be printed on the degree scroll and academic transcript. If students have changed their name during their course of study but failed to inform the University in a timely manner and they have already been conferred your degree, then their name as presently reflected in our official records, will be inscribed on their degree scroll. No further requests for name changes will be entertained.
12.2 Forgot Password

Students who have forgotten their NUSNET password but have not changed it yet can access the Registration System (isisregpart1.nus.edu.sg) to retrieve their password.

Students who have forgotten their NUSNET password after changing it can seek help by sending an email to ITCare@nus.edu.sg, stating their full name and Student ID, as well as attach a scanned image of their Student Card. Alternatively, they may reset it through a short message service (SMS). A step-by-step guide to use the SMS service is accessible at IT Care website (nusit.nus.edu.sg/services/mobile/nusnet-password-reset-via-mobile).
