Information for International Students

1. Immigration and Checkpoints Authority of Singapore (ICA) – Student’s Pass

All international students admitted as Non-Graduating students must have a valid Student’s Pass during the period of study at NUS. Admission is contingent upon successful application of Student’s Pass. If you are eventually not successful in your Student’s Pass application, your admission offer will be withdrawn and you will not be able to embark on or continue your studies at NUS. NUS Registrar’s Office will facilitate your Student’s Pass application via the Immigration & Checkpoints Authority (ICA) Student’s Pass Online Application & Registration (SOLAR) System. Following that, you will be informed by NUS Registrar’s Office, via email, to confirm your details via SOLAR system before the application for Student’s Pass can be processed.

![Figure 7: Specimen of Student’s Pass](image)

If the application is approved, ICA shall grant you an In-Principle Approval (IPA) letter. If you are coming from a visa-required country ([ica.gov.sg/#/visitor/visitor_entryvisa](https://ica.gov.sg/#/visitor/visitor_entryvisa)), you can use the IPA letter, which will be sent to you via email, as a single-entry visa to enter Singapore.

All international students will only receive the IPA letter (stamped with NUS logo) after they have completed their registration procedures at NUS.

If you are not issued with an IPA letter, you would not be able to complete the formalities for the Student’s Pass and your admission offer will be withdrawn. Therefore, it is important for you to act promptly when you receive email notification to access the SOLAR system to verify your details.

Upon receipt of the IPA letter, you are advised to read the IPA letter carefully and prepare the required documents/items ready for submission to ICA to convert your Social Visit Pass to a Student’s Pass ([ica.gov.sg/tpass/studentpass/collect](https://ica.gov.sg/tpass/studentpass/collect)). In addition, you must also print and bring the Terms and Conditions of Student’s Pass Form ([https://www.ica.gov.sg/cms/files/forms/Terms_and_Conditions_STP.pdf](https://www.ica.gov.sg/cms/files/forms/Terms_and_Conditions_STP.pdf)).

You are required to make an e-appointment ([eappointment.ica.gov.sg/ibook/index.do](https://eappointment.ica.gov.sg/ibook/index.do)) to complete the Student’s Pass formalities at ICA Office, 4th Storey, ICA Building (located next to Lavender MRT station). Please refer to the IPA letter for the specific instructions on how to make an e-appointment.

Non-Graduating international students are allowed to register for a maximum of two modules in each part of the Special Term or pursue full-time research in order to qualify as a full-time student and be issued with a Student’s Pass.

1.1. Medical Examination

All international students who apply for the Student’s Pass for six months and above would have to undergo and pass a medical examination conducted by a qualified medical practitioner either in Singapore or in your home country. You must have the completed test results of your medical check before your appointment with ICA.

You are required to bring along ICA’s prescribed medical report form ([ica.gov.sg/cms/files/forms/MedicalReport.pdf](https://ica.gov.sg/cms/files/forms/MedicalReport.pdf)) to the medical examination. The endorsed form must be submitted with the relevant laboratory reports. An official translation of the laboratory reports is required if it is not in the English language. At the time of submission, the laboratory reports must not be more than three months from the date of issue.

You may also opt to have this medical examination done at the University Health Centre (UHC) ([nus.edu.sg/uhc](https://nus.edu.sg/uhc)). If you choose to do this, you need to note that the results of the various laboratory tests will only be ready for collection after five working days. It will be your responsibility to plan
the timing of your medical examination such as to have all necessary documents in good time for your appointment with ICA.

If you are residing in Singapore on any other long term immigration passes currently, you are required to undergo the medical examination in Singapore, if the medical examination was done more than two years ago.

The issuance of the Student’s Pass is subject to the outcome of a medical examination. Students who fail to fulfill the medical requirements will not be issued with a Student’s Pass and your admission of offer will be withdrawn.

1.2. Enquiries

If you have any queries regarding immigration issues and Student’s Pass matters, you may wish to refer to ICA’s FAQs (ifaq.gov.sg/ICA/apps/fcd_faqmain.aspx). Alternatively, you may wish to write to ica_stp1@ica.gov.sg.
