UNIVERSITY RESEARCHER AWARDS 2015

NOMINATION FORM

1. Particulars of Nominee
   (a) Nominee’s Name: _______________________________________________________
   (b) Designation: _________________________________________________________
   (c) Primary Department & Faculty/School/RIC/RCE: __________________________
   (d) Secondary Department & Faculty/School/RIC/RCE (if applicable): __________

2. Details of Nomination
   (a) Category of award nominated for:
      □ Outstanding Researcher Award (ORA)
      □ Young Researcher Award (YRA)
      □ Outstanding Partner in Research Award (OPR)
      □ Young Partner in Research Award (YPR)

   (b) Past nominations/awards (if any):
      Category: _________________________________
      Year: _________________________________

   (c) 1-Page Summary of Research Achievements (note: Only research carried out while under the employment of NUS or University-level RICs will be considered.)

      In the following page,
      • list five of the nominee’s most significant research works and explain why they are significant
      • comment on the nominee’s achievements and accomplishments in the past three years (e.g. describe how the nominee has made a significant impact on his/her research field and brought recognition to NUS)

      If appropriate, you may include a comparison of the nominee’s research achievements with past winners of the category nominated.

      If the nomination is for OPR/YPR, please include how the nominee has significantly enhanced the reputation of NUS.
Please note that this is a supplement to a description of the significance of the nominee’s work, and not a replacement for it.

(i) **Publication track record** *(note: Info provided here should be consistent with those in the benchmarking summary table)*
   - Total number of publications while under the employment of NUS or University-level RICs as recorded in SCOPUS and ISI Web of Science. Please attach a copy of the nominee’s publication list (since date joined NUS) and highlight papers with highest citation counts and the journals with the highest impact factor.
   - Total number of citations for research carried out while under the employment of NUS or University-level RICs. Please indicate source of information.
   - List of research outcomes including publication list generated from the University’s Staff Research Publication System at [https://aces01.nus.edu.sg/webspb/logout.do](https://aces01.nus.edu.sg/webspb/logout.do) (from date joined NUS); list of patents, etc.

(ii) **Impact of research output**
   - Impact analysis of nominee’s research output nationally, regionally and internationally.
   - Comment on the nominee’s standing within the scientific community (e.g. Is he among the top 100 researchers in the world in his field?)

(iii) **Grants & awards/prizes**
   - Total research grants won, including information on funding source
   - International or national research prizes, awards and accolades

(iv) **Official positions held, services & invitations**
   - Membership on institutional, national or international scientific advisory boards (briefly describe the role or objectives of each)
   - Membership in editorial boards and conference committees (categorized under National/Regional/International)
   - Service as a reviewer (categorized under National/Regional/International journals, conferences or grant agencies)
   - Appointment as external assessor; membership on visiting committees
   - Invited presentations at scholarly meetings/workshops (categorized under National/Regional/International - to provide a list of major lectures/seminars, including dates)

(v) **Other creative work**
   - Please state dates and provide a brief description (achievements/contributions outside the traditional area of research which made an impact on his profession/area of expertise)

(e) **Other supporting information** *(maximum 200 word)*
