Some Definitions
Emergency Treatment
Urgent remedial treatment to avoid death or impairment to the Insured. This includes an immediate or long-term health prospects.

Reasonable and Customary Charges
Charges for medical care which shall be considered by Us or by Our medical advisers to be reasonable and customary to the extent that they do not exceed the general level of charges being made by others of similar standing in the locality where the charges are incurred when giving like for like or comparable treatment.

We will base that calculation on a combination of Our global experience, statistical information provided by local health authoritative body and information collected from medical Specialists and Surgeons practicing in the country or area where the treatment is received.

We may proportionately reduce any claim to reflect what would have been reasonably incurred, based on the professional opinion of Our Physician. In the event of any differences in opinions between Our Physician and Your Physician, Our Physician’s opinion shall prevail.

Termination of Cover
The student’s cover will be terminated:
(a) when the student ceases to be a registered, active and full-time local student of NUS
(b) when the benefit limit has been reached
(c) if the student did not pay the insurance premium
(d) if the policy has expired
