

OFFICE OF THE
SENIOR DEPUTY PRESIDENT
AND PROVOST

21 October 2020

Dear alumnus,

Dismissal of Dr Jeremy Fernando

In relation to the dismissal of former teaching staff Dr Jeremy Fernando from Tembusu College, we would like to respond to the call for the University to be more open and transparent with information.

The University will shortly be making a statement on the incident to provide more clarity on the matter, and to also address some inaccuracies that have surfaced in the public. The statement, which can be read [here](#) will be made available to the media and on NUS Facebook. The NUS Code of Conduct for Staff, which was requested by the NUS Students' Union, can be read [here](#).

NUS stands strongly against all forms of misconduct. We will not hesitate to act swiftly against those who breach the high standards we expect of our community, or those who threaten the safety and well-being of our students and staff.

Sincerely,

Professor Florence Ling (Design and Environment '87)
Vice Provost (Student Life)
