**Away with food allergies**

6 February 2017

An expansion of a National University Hospital treatment brings hope that children with persistent allergies to cow's milk, egg and tree nuts like cashews and pistachios will be able to consume these foods after completing the treatment.

**New index tracks future-readiness**

8 February 2017

The Centre for Future-ready Graduates (CFG) at NUS has developed a new index that helps NUS students evaluate their skillsets and gauge their readiness for the future. Known as the CFG Future-ready Index, the inaugural index was launched at the annual NUS Career Fair on 7 February.

**Global connections for the future**

10 February 2017

The Committee on the Future Economy has released its report recommending seven strategies for Singapore's economic development in the coming decade. The Committee also underscored the importance of deepening and diversifying Singapore's international connections, to seek opportunities in new markets, strengthen economic cooperation and harness new ideas and innovation.
