Welcome to NUS Virtual Global Fair 2026

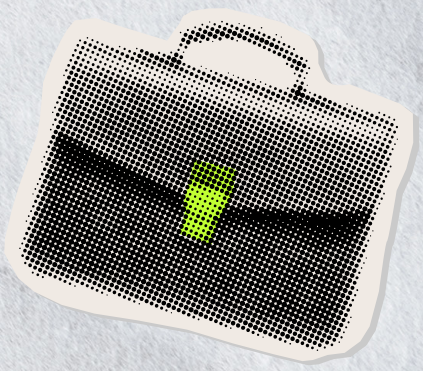
Congratulations, if you have signed up for NUS Virtual Global Fair 2026, you have taken your first step to go Beyond Campus, Go Global.

We hope this event guide will help you maximise the benefits you gain from your participation.

NUS Virtual Global Fair (VGF), a flagship event under NUS Career Fest, is designed to connect you with employers offering international career opportunities and global career pathways.

Open to all NUS students across every faculty, the fair provides an opportunity to explore careers beyond Singapore and gain insights into working in different regions of the world.

Let's Go Global



Meet 25 employers across 7 themed sessions, with each session featuring up to 4 employers from a specific region. Discover diverse industries, learn about overseas opportunities, and engage directly with employers to kick-start your global career journey.
