Welcome to the Starting Page for CourseReg @ EduRec!

We will be referencing the segments on the left panel in subsequent pages.
1. STUDENT LOGIN

Login to myEduRec with NUS ID (i.e. E00XXXXXX) and password

Click on ‘Academics’ and select ‘Course Registration’ (CourseReg)

Note
- Students are required to complete their Academic Plan Application / Declaration at least one day before accessing CourseReg in Regular Terms. If Academic Plan Application / Declaration is not declared on time then students will be barred from accessing CourseReg.
- Academic Plan Application / Declaration is not required to declare for Special Terms.
2. ABOUT COURSEREG@EDUREC

This page gives a brief introduction to CourseReg.

CourseReg@EduRec

Course Registration at Education Records System (CourseReg@EduRec) is the University's consolidated course registration platform for all NUS students belonging to the following categories:
- Undergraduate (UG)
- Graduate (PG)
- Duke-NUS Graduate Medicine (DNVM)
- Non-graduating (NG)
- Continuing & Professional Education (CPE), Graduate Certificate (GD/Cert) and Specialist Certificate (Sp/Cert)

CourseReg@EduRec employs a rules-driven, priority-based engine to allocate courses based on each student's:
- Curriculum needs;
- Seniority in the programme (except for CPE students on certificate programmes); and
- Course preferences.

Visit ModReg Website for more information related to CourseReg, including Using CourseReg, CourseReg Schedule, Resources, Contact Us, FAQs.

Note: *Excluding MBBS and BDS students.

3. VIEW MY CLASSES@COURSEREG

This page lists all classes that have been allocated to you for the semester based on the programme(s) you are enrolled in. You can collapse/expand the course details by clicking on ▼/▶.

Enter this page through the left column of CourseReg:

On this page, select the courses you want to register for. If you have multiple active careers and/or terms simultaneously opened for course registration, select the specific career and/or term you wish to register courses for.

Your course selection must meet all these criteria:
- Cleared all requisites
- Courses don’t clash with existing courses’ examination and class timetables

Note these limitations for course selection:
- Each round has a permissible workload limit, restricting the number of courses you can select.
- Students cannot add classes with 0 vacancy in Select Courses Rounds 0, 1 and 2 for both main and reserve list; students can add classes with 0 vacancy in Select Courses Round 3.
Enter the number of Units you would like to enroll in for the current round > Click ‘Add Class’:

Understanding displayed information/fields

| Seniority (based on cumulative Units obtained): | ISE2 |
| Course Feedback Points: | 4 |
| Number of Units Allocated: | 0 |
| Max Number of Units that can be taken in this Round: | 23 |
| Number of Units to meeting min. Workload: | 18 |
| Number of Units you would like to enrol in for this round: | 8 |

- **Seniority**: Student’s level of study.
- **Course Feedback Points**: Points attained for feedback done on courses (if applicable).
- **Number of Units Allocated**: Total number of Units which student has been allocated (refer to View My Classes@CourseReg for the classes allocated).
- **Max Number of Units that can be taken in this Round**: The permissible workload limit stipulated for the respective rounds. This changes according to the number of units which student is already allocated.
- **Number of Units to meeting min. Workload**: Student’s minimum workload minus the number of Units allocated.
- **Number of Units you would like to enrol in for this round**: Student would be able to select course(s) up to the number of Units indicated in this field, which must be less than or equal to the maximum number of Units that can be taken in each round.
You will be prompted to search for your course:

Key in these details > Click ‘Search’:
- Subject (Mandatory)
- Catalog Nbr (Optional)
- Course Title Optional

**Understanding Subject and Catalog Number**

Example: CS1010
- Subject: CS  
  (Note: Click on select subject to search for the Subject)
- Catalogue Number: 1010

CS1010
Subject  Catalog Number
Step 3: Select, Delete, Reserve Courses

Select your course followed by your preferred class (if relevant).
- Click on the hyperlink under ‘Class’ to view class details (e.g. timetable)
- You can view the ‘Session’ (Regular / Mini-Sem), Vacancy and Students Selected (number of students who have selected that course class)
- For information on tutorial classes, click on ‘View Tutorial Classes’ hyperlink at the top right corner of the page

Click ‘Select’ on your choice of class. See below for additional actions for selected courses.

Please note: Students will not be allowed to select courses without vacancies in Round 0, 1 and 2. Students are advised to consider other alternative courses.

Selected courses appear in the Main List of your CourseReg’s ‘Select Courses’ page:

On this page, you can execute these actions:

- **Delete course choices:** Click ‘Select to Delete’ checkbox > A new window pops out to notify deletion > Close the window > Click on ‘Delete Class’ button to confirm deletion > Click ‘Yes’ to proceed:

- **Add Reserve Classes to Main List:**
  Students can select **up to two reserve classes** for each course. Reserve classes are for students to indicate their next preferred course class in the event that course allocation was unsuccessful for a particular Main List course.

  Click the ‘Add Reserve Classes’ hyperlink > A window will appear, click ‘Add Class’ (see below) > Refer to Step 2 and parts of Step 3 to add courses:
Step 4: Rank Courses, View Allocation

Repeat Step 2 to add more courses to your **Main List** up to the number of Units you have indicated for the round. Ranking of course(s) is required from the 2nd course onwards. If you have selected more than 1 course, you can re-rank the courses to your preferred order:

![Rank Classes](image)

**Notes:**
1. For year-long courses, CourseReg will calculate half of the total units of the course in its computation of the workload for the semester. However, the Enrollment page at EduRec will reflect the total units of the course.
2. "Students Selected" refers to the number of students who have selected the same course-class in their Main List.

View Allocated Courses

Your selected course choices will be validated at the end of the round. Go to **View My Classes@CourseReg** to view your allocated classes. Allocation will be based on protection rules if demand exceeds supply.
5. SUBMIT COURSE REQUESTS (FOR GRADUATE & DUKE-NUS MEDICINE STUDENTS)

<table>

<tr>
<th>NOTE</th>
</tr>
</thead>
<tbody>
<tr>
<td>This page is applicable to:</td>
</tr>
<tr>
<td>Graduate students</td>
</tr>
<tr>
<td>Duke-NUS students</td>
</tr>
</tbody>
</table>

Enter this page through the left column of CourseReg:

The page has a single button, labelled ‘Request for Courses’ > Click it to proceed
Step 1: Enter Units

Enter the number of Units you would like to enroll in for the current round > Click ‘Add Class’:

- Course Request Number: 1
- Max Workload (Units) allowed for candidature: 8
- Max Workload (Units) you would like to request in this round: [ ]
- Add Class

Step 2: Search Course

You will be prompted to search for your course:

Key in these details, then click ‘Search’:
- Subject (Mandatory)
- Catalog Nbr (Optional)
- Course Title Optional

If a course search is unsuccessful despite correct entry (see screenshot below), the course might not be offered to you via Submit Course Requests function. You may contact course hosts should you be allowed to select it via Submit Course Requests function.
Select your course choice > Fill in the required fields indicated in the screenshot below:

- To request for a course, you must give consent to disclose your academic details to the course host approvers who are not from your home department/faculty.
- You can also upload your latest transcript and resume (if required by the course host department). Only one file can be attached per request.

Click the ‘Continue’ button at the top right corner of the page. The course(s) which you have selected will be displayed accordingly. To add more course(s), click on ‘Add Class’ > repeat the above steps.

Other important details & actions (on the Submit Course Requests main page):

- Students are allowed to select courses up to 12 Units in one Course Request. However, the ‘Max workload Units you would like to Request in this round’ can be indicated based on the required non-prescribed courses Units for this semester.
- To delete the selected course(s), click on ‘Remove’ and confirm action.
- To re-rank courses, click on ‘Rank Courses’ > A pop-up appears:
Click ‘Submit’ to submit your Course Request > You will be prompted to confirm your action > Click ‘OK’ to proceed or ‘Cancel’ to go back.

Once the Course Request is submitted, the status of the request will be reflected on the main page of Submit Course Requests > Click on ‘View Details’ for the details of Course Requests submitted:

**NOTE**
Course requests must be submitted in order for approvers to take action. Once the course request is submitted, students would not be able to make any changes. A second Course Request can only be submitted if all courses in the previous submission were rejected and the Submit Course Requests round is ongoing.
6. SUBMIT COURSE REQUESTS (FOR NON-GRADUATING STUDENTS)

Enter this page through the left column of CourseReg:

The page has a single button, labelled ‘Request for Courses’ > Click it to proceed

Step 1: Enter Units

Enter the number of Units you would like to take in this semester excluding already allocated courses and click ‘Add Class’.

| Course Request Number: | 1 |
| Max Workload (Units) allowed for candidature: | 23 |
| Workload (Units) for this Sem (excl. pre-allocated courses): | 3 |

Click the ‘Continue’ button at the top right corner of the page. The course(s) which you have selected will be displayed accordingly. To add more course(s), click on ‘Add Class’ > repeat the above steps.

Other important details & actions (on the Submit Course Requests main page):

- Students are allowed to select courses up to 23 Units in one Course Request. However, the ‘Workload (Units) for this Sem (excl. pre-allocated courses)’ can be indicated based on the required cross-faculty courses Units for this semester.
- To delete the selected course(s), click on ‘Remove’ and confirm action.
- To re-rank courses, click on ‘Rank Courses’ > A pop-up appears:
Step 4: Submit Course Request, View Details

Click ‘Submit’ to submit your Course Request > You will be prompted to confirm your action > Click ‘OK’ to proceed or ‘Cancel’ to go back.

NOTE
Course requests must be submitted in order for approvers to take action. Once the course request is submitted, students would not be able to make any changes. A second Course Request can only be submitted if all courses in the previous submission were rejected and the Submit Course Requests round is ongoing.

Once the Course Request is submitted, the status of the request will be reflected on the main page of ‘Submit Course Requests’ > Click on ‘View Details’ for the details of Course Requests submitted:
7. SELECT TUTORIALS/LABS

Enter this page through the left column of CourseReg:

This page allows students to select tutorial/lab choices of their allocated courses. Students can rank up to 20 tutorial/lab time slots for all courses that they are enrolled in.

Click on ‘Select Tutorials/Labs’.

Step 1: View Classes

The list of enrolled courses with tutorials/labs will be displayed. Click on the course to view the list of tutorial/lab classes.
Step 2: Select, Rank, Delete Classes

Select your preferred tutorial/lab classes for each of the courses and click ‘Continue’. The vacancy for each class is displayed for your reference:

Classes will be arranged according to Course and Activity type, and a rank number will be assigned to the selected tutorial/lab classes. You can re-rank (if more than 1 choice is selected) and click ‘Continue’ button at the top right corner of the page. Otherwise, click ‘Continue’ to return to the main page of Select Tutorials/Labs:

To delete selected and ranked tutorial/lab classes, select the checkbox of the tutorial/lab class and click on 'Delete'. You will be prompted to confirm your action. Click ‘OK’ to proceed.

You will be required to re-rank the list of tutorial/lab classes > After which, click ‘Continue’.

Your selected tutorial/lab classes will go through a balloting process at the end of the round. Go to View My Classes@CourseReg to view your allocated classes.
8. ADD/SWAP TUTORIALS/LABS

This page allows students to put in a request to add or swap a tutorial/lab class.

Enter this page through the left column of CourseReg:

If you have not been allocated a tutorial/lab class, go to Page 22.

If you have been allocated a tutorial/lab class but wish to change to another class, go to Page 23.
If you have not been allocated a tutorial/lab class

Select your preferred tutorial class and click ‘Submit’.

At the main page of Add/Swap Tutorials/Labs, your request will be reflected accordingly. Please note that the request is processed at approximately every 30 minutes. Allocation is subject to vacancies and is not guaranteed. Students may check their tutorial/lab allocation in View My Classes@CourseReg.

If you wish to change your choice of tutorial/lab class and the request has not been processed, click on the hyperlink besides the relevant Add/Swap Tutorial request type and delete the request of concern. You will be prompted to confirm your action. Click ‘Yes’ to proceed. Thereafter, submit another request to add the tutorial/lab class (repeat the previous steps).
If you have been allocated a tutorial/lab class but wish to change to another class

Click on ‘Request to Swap Tutorial/Lab’.

Select the tutorial class which you wish to swap to and click ‘Submit’.

**Note:** Refer to the statistics under Matching Requests to see if there is a corresponding match for the tutorial class which you wish to swap to.

At the main page of Add/Swap Tutorials/Labs, your request will be reflected accordingly. The swap request will be processed at frequent intervals and the swap will be affected when there is a corresponding match with another student. Students may check their tutorial/lab allocation in View My Classes@CourseReg.

Add/Swap Tutorial/Labs function is not applicable for Packaged and non-droppable tutorial/lab classes allocated by administrator.

If you change your mind after submitting a request for tutorial swap and the request has not been processed, click on the hyperlink beside the relevant Swap Tutorial/Lab request type and delete the request of concern. You will be prompted to confirm your action. Click ‘Yes’ to proceed.
9. DROP CLASSES

This page allows students to drop course and tutorial/lab classes.

Note

Refer to the academic calendar for the periods where courses dropped will be prescribed with 'W' grade or 'F' grade.

- During the Drop with "W" grade period, students can drop the course in CourseReg@EduRec
- During the Drop with "F" grade period, students are to write to their home faculty for assistance.

Enter this page through the left column of CourseReg:
Select the above checkbox for the lecture or tutorial/lab classes which you wish to drop. If you select the lecture class of a course, the tutorial/lab class (if any) will be automatically selected for drop as well.

Once you have selected the lecture/tutorial/lab classes to drop, click on the ‘Drop Classes’ button on the top right corner of the page.

You will be prompted to confirm your action > Click ‘OK’ to proceed or ‘Cancel’ to go back:

Go back to View My Classes@CourseReg to view the enrolment status of your courses/classes.
10. SUBMIT APPEALS/INQUIRIES

You may submit appeals to address issues during course registration. Opening/closing of each appeal is time sensitive. You may refer to appeal timeline from CourseReg website for the availability of specific appeals.

Appeal approvers are the only ones who could assess the submitted appeals. To enquire on the status of submitted Appeals/Inquiries contact the respective appeal approvers. Refer to Contact Us page from CourseReg website for contact details of appeal approvers.

Appeal approvers are working round the clock to assess and convey the outcome of submitted appeals. Refrain from submitting unnecessary follow-up enquiries.

Approved appeals which require follow-up actions (e.g. course addition/dropping or waiver) will be processed concurrently by the appeal approvers upon approval. If those actions are still pending, contact the appeal approvers directly for the follow-up.

While submitting appeals, provide as much details as possible in your Appeals/Inquiries. Essential information, such as NUS Student ID (starts with A), NUS student email, Singapore Contact Number, supporting documents (if any) must be included in your Appeals/Inquiries for the appeal approver’s assessment and follow-ups.

Enter this page through the left column of CourseReg:

![Submit Appeals/Inquiries](image)

The page has a single button, click ‘Add Appeals/Inquiries’ to proceed.
Select the relevant Appeal Type from the drop down list:

Select the relevant Appeal Type from the drop down list:

Fill in the required information for the selected Appeal Type and click the ‘Submit’ button at the top right corner of the page. Refer to Appendix – Appeal Types for detailed information on each Appeal Type.
Your submitted appeal will appear in the main page of Submit Appeals/Inquiries with the status reflected.

- Cancel appeals which have not been processed (i.e. Pending Approval by Host) by clicking ‘Yes’ under ‘Allow to Cancel’.
11. CONTACT INFORMATION FOR ENQUIRIES

Email: coursereg@nus.edu.sg  Hotline: (65) 6516 5860
(Please note that the above hotline is used only during the Course and Tutorial registration period.)

You may refer to the ‘Contact Us’ page from CourseReg website page to contact the respective offices/administrators for specific types of issues/enquiries.
12. APPENDIX – APPEAL TYPES

**Unable to secure course**

- Indicate the reason(s) for appeal, the number of course(s) you would like to enroll in via this appeal (excluding your allocated courses). If you are in your final semester, please tick the checkbox.
- You can rank up to 5 courses. Upon selecting the class which you would like to appeal for, the available vacancy will be displayed.
- You may indicate the course you wish to drop under Drop Course, should the course you are appealing for is acceded.
- Please note that you **will not** be able to submit another appeal under this appeal type if the outcome of previous submission is Pending Approval by Host/Home.
- You will be notified via an email to your NUS email address once the outcome of the appeal becomes available.
- If you do not wish to appeal for one of the courses in your submission and the course has not been processed (i.e. Pending Approval by Host), click on View Details > Cancel for the respective course. If you wish to cancel the entire appeal submitted, please refer to Point 10 of this user guide.
• Indicate the reason(s) for appeal, the Course Code which you are appealing for and the class which you would like to change, i.e. add/drop/swap (if applicable).
• Only courses and lecture/tutorial/lab classes that were allocated to you by the admin would be available for selection under the dropdown list via this appeal type. Do note that if you are requesting to drop the lecture class, any tutorial/lab classes will be dropped as well if the appeal is approved.
• If you have a preferred class to be swapped with, you may indicate under New Requested Class. Otherwise, you may leave it blank.
• Please note that you will not be able to submit another appeal under this appeal type for the same course class if the outcome of previous submission is Pending Approval by Host/Home.
• You will be notified via an email to your NUS email address once the outcome of the appeal becomes available.

• Indicate the reason(s) for appeal, the Course Code which you are appealing for and the class which you would like to request.
