It is my pleasure to announce the recipient of the 2025 Outstanding Service Award—Mr Liew Mun Leong.

It is my honour to pay tribute to Mr Liew for his visionary leadership and dedicated service to Singapore, as well as NUS. His impact is felt both nationally and internationally, spanning the fields of engineering, infrastructure development, business and public service.

A civil engineer by training, Mr Liew held key leadership roles as founding President and CEO of CapitaLand Group, and later as Chairman of Changi Airport Group. He played a pivotal role in Changi Airport's growth and development, as well as mega urban commercial-residential projects in Singapore and worldwide, elevating the nation's global standing.

At the National University of Singapore, Mr Liew served as Provost's Chair Professor (Practice) at the NUS Business School, Faculty of Engineering

and Lee Kuan Yew School of Public Policy, sharing his extensive leadership experience with students and faculty. Mr Liew was also the Rector of Ridge View Residential College, where he provided mentorship to students.

In recognition of his distinguished public service, he received the Meritorious Service Medal in 2011 for his leadership of Changi Airport Group and contributions to Singapore's aviation sector.

We are honoured to celebrate Mr Liew Mun Leong's outstanding service and lasting contributions. Please join me in congratulating him on receiving the Outstanding Service Award.
