NUS GRIP Run 8 (2022)

A group of three people, two men and one woman, are standing in a workshop. They are wearing blue t-shirts with the BeeX logo. The woman is holding a large, white, spherical object. The background is filled with various electronic components and equipment.

*We've got what it takes to
change the world...*

BeeX

Lean LaunchPad (2016)
NUS GRIP Run 3 (2019)

A group of five people, four men and one woman, are sitting around a table in a meeting. They are wearing blue polo shirts with the Coldspace logo. One man is using a laptop. The background is a modern office space.

Coldspace

Lean LaunchPad (2021)

A group of three people, two men and one woman, are standing in a lab. They are wearing white lab coats. The man in the center is holding a small green circuit board. The background is a lab with various equipment and shelves.

*...but can we get it from
lab to market?*

Zero-Error Systems

Lean LaunchPad (2018)

A group of three people, two women and one man, are standing in a lab. They are wearing white lab coats and blue gloves. They are all smiling. The background is a lab with various equipment and shelves.

PharLyfe+

NUS GRIP Run 8 (2022)

National GRIP

National GRIP will nurture deep-tech startups and develop the ecosystem in Singapore

Open to all AUs
across Singapore
and A*STAR RIs

Pilot Cohort
Kick-off in

150 Investible
Deep-tech Startups

NRF
SINGAPORE

What's deep-tech?

Our deep-tech spin-offs are startups that licenses IP from an AU or A*STAR

**Based on significant
scientific advances**

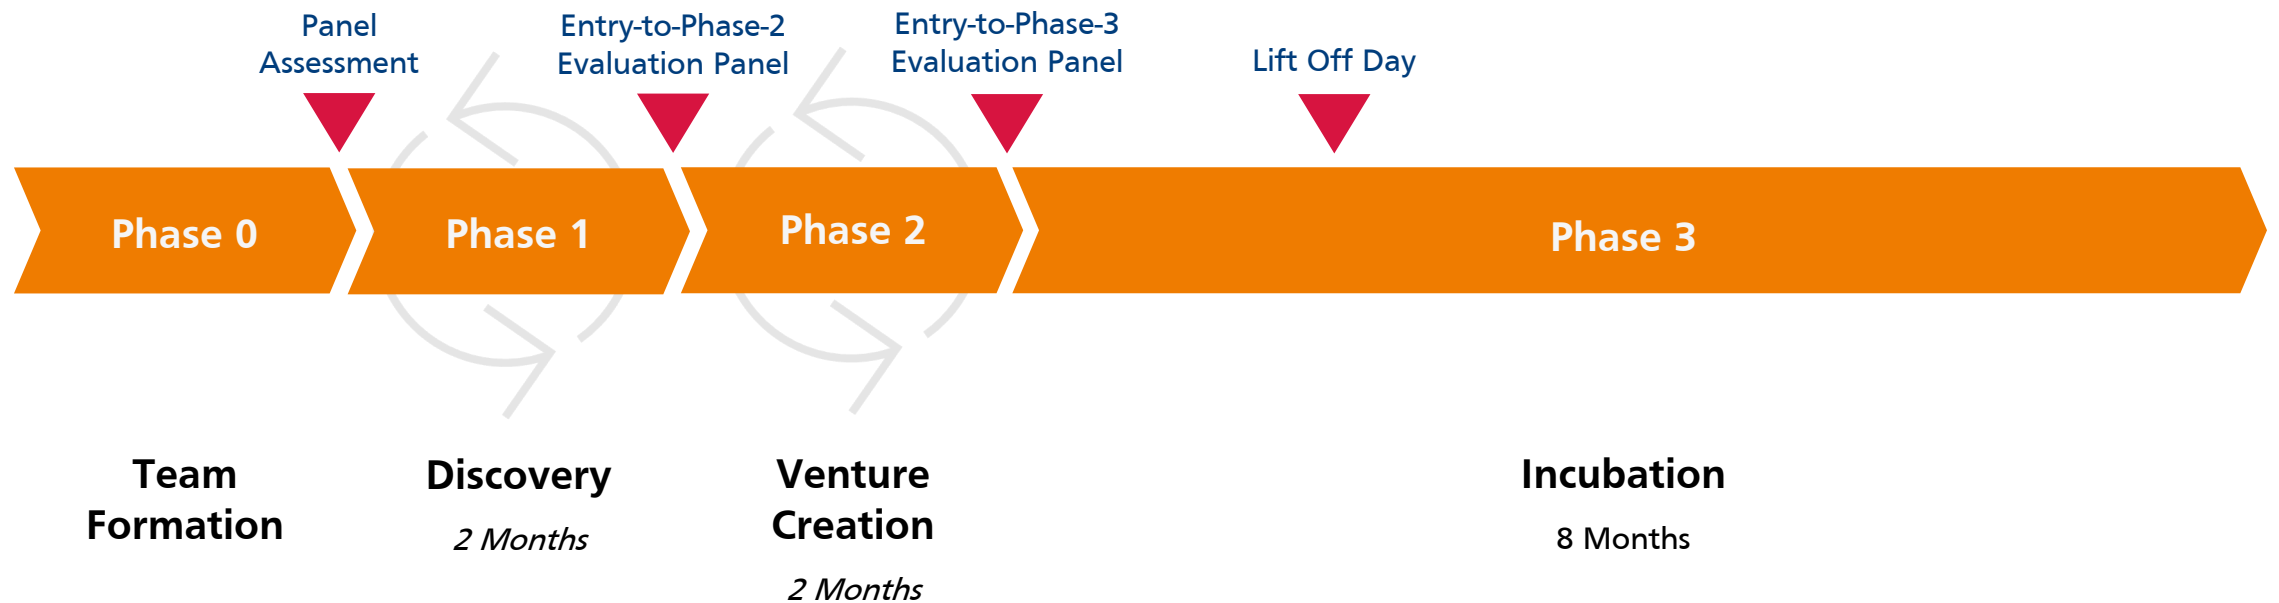

**Game-changer with
10x differentiator**

**Require investments
over a longer time**

Our Programme

Designed for iterations, teams progress to next phase of programme as they improve

Phase 3: Incubation

Guidance and support to nurture emerging founders

**\$25K for Fractional
CxO Support***

**\$48K Full-Time
Founders Stipend***

**Innovation Lab &
Workshop Space**

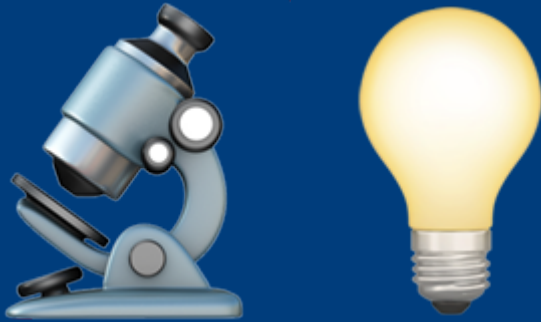

*Terms and conditions apply

NRF
SINGAPORE

What's required to apply?

We have rolling admissions. The next run starts in July 2025. It takes 5 minutes to apply on grip.sg

AU or A*STAR IP
& Nomination

AU or A*STAR Alumni,
Student, or Staff

Prototype has been
developed
