Discover a bespoke virtual working environment and experiment with new software applications from the comfort and safety of your home country.</p>
Application Deadline	Extended to 14 February 2021

Information accurate as of February 2021

COVID-19-related updates

Due to the COVID-19 situation, the host university has announced that they are offering their programme online.

Students may apply for module mapping and transfer a maximum of eight (8) MCs (this is applicable only to electronic summer programmes 2021). Please note that some Schools or Faculties (including School of Computing) will not approve module mapping for remote or online courses. Please check with your home School or Faculty Dean's Office to determine if module mapping can be approved for remote/online courses before applying to the partner university.

ESTIMATED COST OF PARTICIPATION

1	Programme Fee	<p>Full program fee: € 600</p> <p>Includes course materials, comprehensive supervision by qualified mentors & tutors, and administrative services</p> <p>Full scholarships may be available! 😊</p> <p>All students should apply through EduRec (regardless of interest for scholarships). Nominees for the scholarships will be selected through Edu-Rec applications.</p>
---	----------------------	--

2	Financial Aid Available Through NUS GRO	Financial Aid options will not be available for programmes/classes that are conducted fully online. If programmes are hybrid, only on-site participation would qualify a student for financial aid. If a physical/on-site programme switches to fully online before the commencement of the programme, NUS reserves the right to adjust or retract the financial aid package
