 Programme Dates: 24 June 2024 to 2 August 2024  
 Application Deadline: 15 April 2024

**ESTIMATED COST OF PARTICIPATION**

1	<b>Programme Fee</b>	<p>USD 3700.</p> <p>Does not include airfare, accommodation and personal expenses.</p>
2	<b>Financial Aid</b>	<p>Financial Aid options will not be available for programmes/classes that are conducted fully online. If programmes are hybrid, only on-site participation would qualify a student for financial aid. If a physical/on-site programme switches to fully online before the commencement of the programme, NUS reserves the right to adjust or retract the financial aid package.</p> <p>You should have enough monetary funds to last you throughout the whole i-SP. Your decision to go on i-SP should not be dependent upon the confirmation of a scholarship or bursary award. You can consider the following financial aid options to fund your i-SP:</p> <p>For Singaporeans only:</p> <ul style="list-style-type: none"> <li>• <a href="#">NUS Awards for Study Abroad (NASA) Enhancement Bursary</a></li> <li>• <a href="#">Overseas Student Programme (OSP) Loan</a></li> <li>• <a href="#">Post-Secondary Education Account (PSEA) Funds</a></li> </ul> <p>Please note that if you are successful for any financial aid, the funds will only be disbursed to you after completion of the programme.</p>

**PROGRAMME DETAILS**

3	<b>Academic Content</b>	<p>In this program, students will have the opportunity to participate in all fields of research at NTU's state-of-the-art laboratories led by their respective professors. Laboratory work consists of working with other Graduate students of the university, as well as other participants in the program. Students can immerse themselves in Taiwanese culture through a range of activities and daily interactions with locals. It provides the opportunity to experience college life in a different country and environment.</p>
---	-------------------------	--

		<p>The 2024 +R1 Research and Culture Program provides international students the opportunity and the resources to engage in NTU professors’ research or state-of-the-art laboratories. Students will improve research skills and knowledge in a specific area of interest under the supervision of NTU faculty members during this intensive 6-week program.</p> <p>Departmental research offices and labs available include:          College of Science;          College of Electrical Engineering &amp; Computer Science;          College of Engineering;          College of Bio-Resources and Agriculture;          College of Life Science;          College of Public Health;          College of Medicine;          College of Liberal Arts;          College of Social Sciences;          College of Management;          and College of Law.</p>
