COVID-19-related updates

Due to the COVID-19 situation, the host university has announced that they are offering their summer courses in 2021 online.

Students may apply for module mapping and transfer a maximum of eight (8) MCs (this is applicable only to electronic summer programmes 2021). Please note that some Schools or Faculties (including School of Computing) will not approve module mapping for remote or online courses. Please check with your home School or Faculty Dean’s Office to determine if module mapping can be approved for remote/online courses before applying to the partner university.

ESTIMATED COST OF PARTICIPATION

| 1 | Programme Fee | EUR 750
| 2 | Financial Aid Available Through NUS GRO | Financial Aid options will not be available for programmes/classes that are conducted fully online. If programmes are hybrid, only on-site participation would qualify a student for financial aid. If a physical/on-site programme switches to fully online before the commencement of the programme, NUS reserves the right to adjust or retract the financial aid package
