

INTERNATIONAL SUMMER/WINTER PROGRAMMES (i-SP)

IMPORTANT NOTE

Before applying for any summer/winter programme, read the [GRO website](#) for important information on:

- General Eligibility Requirements and Application Process
- Course Mapping and Financial Aid
- Visa Application, Travel Advisories and Student Insurance

Eco-Tourism Summer Week

(Updated as of Dec 2023)

Host Partner Website: <https://oia.unram.ac.id/programs/inbound/non-degree-programs/short-courses/eco-tourism-summer-week/>

Programme Dates: 5 July to 13 July 2024

Application Deadline: **11 March 2024**

ESTIMATED COST OF PARTICIPATION

1	Programme Fee	375 USD (Excludes airfare and personal expenses)
2	Financial Aid Available Through NUS GRO	<p>Financial Aid options will not be available for programmes/classes that are conducted fully online. If programmes are hybrid, only on-site participation would qualify a student for financial aid. If a physical/on-site programme switches to fully online before the commencement of the programme, NUS reserves the right to adjust or retract the financial aid package.</p> <p>Eligible students will receive the NUS Southeast Asia Experience Award (SEA) which can be applied through EduRec. More information about the SEA can be found on the GRO website.</p>

PROGRAMME DETAILS

3	Content	<p>The University of Mataram organises an Eco-tourism Summer Week to provide opportunities for international students to experience natural areas and cultures that preserve the environment and support the welfare of the local community. The programme will include:</p> <ul style="list-style-type: none"> • Community Development Visits Giving participants a real-life experience to explore and learn about the eco-tourism sector and best practices of certain activities, such as the role of Madrasah/Islamic boarding schools in empowering local communities, technological development and its impact to community, and mangrove planting and its benefit to environment. These activities will be linked to the S-Cube center program. • Summer Project
---	----------------	--

		<p>Immersion in eco-tourism and to do a case study. Participants will have to find a solution and best practices to be implemented toward the issue in the case study. This project will be attached in the University community development activity program (KKN) and connected to all study programs.</p> <ul style="list-style-type: none"> • Cultural Event Immersion into the beauty of Indonesian Culture, especially Lombok and witness the mesmerizing cultural performances. Participants will also have a taste of the exquisite taste of Indonesian Cuisine. • Biodiversity and Nature Insight Learn about traditional/ herbal medicine particularly plants -based medicines which are growing only in the land of Lombok as well as taste the experience of hand-made cosmetics.
