ESTIMATED COST OF PARTICIPATION		
1	**Programme Fee**	USD 65 registration fee, inclusive of accommodation, complementary meals, and airport transfer. The course fee is free, and students can choose to take 1 course or 2 courses. An IDR 5000 fee will be paid as 'confirmation fee' upon registration. Students will Excludes airfare.
2	**Financial Aid Available Through NUS GRO**	Financial Aid options will not be available for programmes/classes that are conducted fully online. If programmes are hybrid, only on-site participation would qualify a student for financial aid. If a physical/on-site programme switches to fully online before the commencement of the programme, NUS reserves the right to adjust or retract the financial aid package. **However, eligible students will receive the NUS India Experience Award (IEA) which can be applied through EduRec.** More information about the IEA can be found on the GRO website. **To be eligible, students will need to have confirmation of attending both sessions.** Please email ng.chingsiang@nus.edu.sg once you have confirmation of registration for both courses from IIT Bombay, and more information will be given to you on how to apply for IEA.

PROGRAMME DETAILS		
3	**Academic Content**	The courses will have a one-week duration spanning 20-25 hours. Please click on flyer (link) for the details about the courses offered during Week 1 and Week 2 and the registration link (https://forms.gle/y6w7jy5hojR26rwz6). Prospective participants are requested to carefully review the course details and specific prerequisites before submitting their applications. Proficiency in English is recommended, as the medium of instruction will be in English. The final

		selection process will be conducted by the respective course instructors. Participants have the option to select up to five courses per week based on their preferences. Upon completion of the selection process, students will receive notifications regarding the courses they have been accepted into. Following this notification, students must confirm their enrolment in only one course per week to avoid scheduling conflicts with other selected courses.
4	**Eligibility Requirements**	NUS' generic eligibility requirements apply, please see GRO website for details. Host university requires undergraduate students to be currently enrolled full-time in any foreign educational institution. Different courses have different eligibility requirements. Please read through the course listing on IIT Bombay's website to check the course eligibility.
5	**Application Procedure**	1. You **must** apply concurrently via • EduRec **and** • Host university online application website (select 'Register now' to create a new account) 2. You **must** accept both the • EduRec offer **and** • host university offer in order to confirm your participation in this programme Students are advised to read the application guide before applying for the programme with NUS.
6	**Course Mapping**	Note that all mapping requests are subjected to approval by the Faculties. Click here for a step-by-step guide on applying for course mapping. If you are interested in obtaining credits, you can start the course mapping process after you have accepted the offer for the programme via EduRec-GE. Students may map up to a maximum of 10 units for each summer programme and up to a maximum of 5 units for each winter programme. Course mapping will be subject to approval from the respective Faculties/Schools. Of the units approved for mapping, a total of 12 units from a maximum of 2 overseas summer/winter and research programmes can be mapped without having to pay NUS tuition. Additional units mapped will be subjected to NUS Special Term fees. For more details, visit the NUS Registrar's Office website. Questions about course mapping approval and the number of MCs you can map without having to pay tuition? Please contact the SEP/study abroad coordinator at your home faculty.
