Financial Aid Available Through NUS GRO

Financial Aid options will not be available for programmes/classes that are conducted fully online. If programmes are hybrid, only on-site participation would qualify a student for financial aid. If a physical/on-site programme switches to fully online before the commencement of the programme, NUS reserves the right to adjust or retract the financial aid package.

You should have enough monetary funds to last you throughout the whole i-SP. Your decision to go on i-SP should not be dependent upon the confirmation of a scholarship or bursary award. You can consider the following financial aid options to fund your i-SP:

For Singaporeans only:
- NUS Awards for Study Abroad (NASA) Enhancement Bursary
- Overseas Student Programme (OSP) Loan
• **Post-Secondary Education Account (PSEA) Funds**

Please note that if you are successful for any financial aid, the funds will only be disbursed to you after completion of the programme.

Kindly ensure that you have indicated your address correctly to avoid any delays.
