COVID-19 related updates:

Students may be considering physical (on-site) summer programmes in 2021. Due to the fluid situation of the COVID-19 pandemic, there is still much uncertainty regarding international travel in the months ahead.

Students’ ability to travel to UK for Summer 2021 will be determined by the host country’s travel policies as well as the latest travel advice from Singapore authorities. In the event that Singapore authorities advise against non-essential travel to UK for Summer 2021, students will not be able to travel to UK for their summer programmes.

Students who proceed with the physical (on-site) option acknowledge the risks associated. NUS will not be responsible for any lost deposits or expenses (including but not limited to programme/tuition fees, air tickets, housing deposits, meal plans and/or non-academic student fees) associated with travel disruptions. You are advised NOT to make any financial commitments particularly those which are non-refundable until you are certain that travel is possible. You will be fully responsible for any travel expenses, quarantine accommodation costs, COVID-19 tests or other costs related to the measures imposed at that point of time, both in UK and Singapore.

Financial Aid Available Through NUS GRO

Financial Aid options will not be available for programmes/classes that are conducted fully online. If programmes are hybrid, only on-site participation would qualify a student for financial aid. If a physical/on-site programme switches to fully online before the commencement of the programme, NUS reserves the right to adjust or retract the financial aid package.
