- Visa Application, Travel Advisories and Student Insurance

**LONDON SCHOOL OF ECONOMICS: LSE SUMMER SCHOOL 2021 (ONLINE)**

*(Updated as of 4 May 2021; due to the evolving COVID-19 situation, students are not allowed to travel to their host universities in Summer 2021. Please switch to the online options if possible.)*

Host University Website: <http://www.lse.ac.uk/study-at-lse/Summer-Schools/Summer-School>  
Programme Location: Online  
Programme Dates: Session One: 21 Jun to 9 Jul 2021  
Session Two: 12 Jul to 30 Jul 2021

Application Deadline: LSE work on a first-come, first-served basis, which means that they do not have fixed deadlines and you can apply for any course up until the point it is filled. LSE receive applications on a daily basis, therefore in order to avoid disappointment they suggest that students apply as early as possible.

COVID-19 related updates:

In Summer 2021, LSE will be offering a blended learning approach and a remote learning option for all their courses.

The blended learning option combines two thirds-in-person teaching with some online classes for a safe and academically rigorous experience in London. The remote learning option will run alongside their blended learning programme, for those students unable to attend in person.

Due to the fluid situation of the COVID-19 pandemic and uncertainty regarding international travel in the months ahead, **students are strongly encouraged to choose the online option for Summer 2021**. For online options, students may apply for module mapping and transfer a maximum of 8 MCs (this is applicable only to online summer programmes 2021). Some Faculties/Schools (including School of Computing) will not approve module mapping for online courses. Please check with your home faculty's Dean's Office to determine if module mapping can be approved for online courses before applying to the partner university.

~~Students' ability to travel to UK for Summer 2021 will be determined by the host country's travel policies as well as the latest travel advice from Singapore authorities. In the event that Singapore authorities advise against non-essential travel to UK for Summer 2021, students will not be able to travel to UK for their summer programmes.~~

~~Students who proceed with the physical (on-site) option acknowledge the risks associated. NUS will not be responsible for any lost deposits or expenses (including but not limited to programme/tuition fees, air tickets, housing deposits, meal plans and/or non-academic student fees) associated with travel disruptions. You are advised NOT to make any financial commitments particularly those which are non-refundable until you are certain that travel is possible. You will be fully responsible for any travel expenses, quarantine accommodation costs, COVID-19 tests or other costs related to the measures imposed at that point of time, both in UK and Singapore.~~
