COVID-19 related updates:

Students may be considering physical (on-site) Summer and Research Attachment programmes in 2022. Due to the fluid situation of the COVID-19 pandemic, there is still much uncertainty regarding international travel in the months ahead.

Students’ ability to travel to a country for Summer 2022 will be determined by determined by the host country’s travel policies as well as any updates to the latest travel advisory from Singapore authorities. Do factor in the need for quarantine in the host country and stay-home notice upon return to Singapore when considering the feasibility of participating in these programmes.

To be eligible for physical (on-site) summer programmes, students will need to:

1. complete the compulsory Overseas Travel Preparedness (OTP) module on LumiNUS;
2. submit a copy of their vaccination certificate and the completed Risk Acknowledgement and Consent Form when applying on EduRec;
3. declare their travel plans on the NUS Overseas Travel Declaration Portal;
4. register with the Ministry of Foreign Affairs or your country’s diplomatic mission; and
5. attend a pre-departure briefing conducted by GRO.

Students who proceed with the physical (on-site) option acknowledge the risks associated. NUS will not be responsible for any lost deposits or expenses (including but not limited to programme/tuition fees, air tickets, housing deposits, meal plans and/or non-academic student fees) associated with travel disruptions.

Students are advised not to make any financial commitments particularly those which are non-refundable until they are certain that travel is possible. Students will be fully responsible for any and all travel expenses, quarantine accommodation costs, COVID-19 tests or other costs related to the measures imposed at that point of time, both in the host country and Singapore.
**ESTIMATED COST OF PARTICIPATION**

1. **Programme Fee**
   
   Tuition Fees
   
   Tuition fees for the 2022 Summer School can be found [here](#).

   **Application Fee**
   
   Applications received after 1 March 2022 are subject to a £60 application fee.

2. **Projected Expenditure**

   **Breakdown of Costs** | **Estimated Cost (for 3 weeks)**
   --- | ---
   Programme Fee | £2,230 (one session, 3 weeks)  
   | £4,000 (two sessions, 6 weeks)
   Application Fee | £60

   Please note: Many modules include excursions in and around London and the costs of these excursions (e.g. entrance tickets) are also included in the tuition fee. The only additional expenses you would incur would be the travel costs associated with these excursions (the average cost is £20-30 per module). In the unlikely event that additional expenses could exceed £30, this will be stated on any offer letters associated with the relevant module.

3. **Financial Aid Available Through NUS GRO**

   Financial Aid options will not be available for programmes/classes that are conducted fully online. If programmes are hybrid, only on-site participation would qualify a student for financial aid. If a physical/on-site programme switches to fully online before the commencement of the programme, NUS reserves the right to adjust or retract the financial aid package.

   You should have enough monetary funds to last you throughout the whole i-SP. Your decision to go on i-SP should not be dependent upon the confirmation of a scholarship or bursary award. You can consider the following financial aid options to fund your i-SP:

   For Singaporeans only:
   - [NUS Awards for Study Abroad (NASA) Enhancement Bursary](#)
   - [Overseas Student Programme (OSP) Loan](#)
   - [Post-Secondary Education Account (PSEA) Funds](#)

   Please note that if you are successful for any financial aid, the funds will only be disbursed to you after completion of the programme.

**PROGRAMME DETAILS**

4. **Academic Content**

   Details about the academic content and other aspects of this programme are featured on [UCL’s website](#). There are over 70 modules available and you can find detailed syllabi on UCL’s [module index page](#).
The UCL Summer School is divided into two Sessions, each spanning three weeks. You can choose to attend Session One, Session Two or both. All students study one module per Session.
