Stanford University: Summer International Honors Program (Online)

Host University Website:  https://summer.stanford.edu/summer-2021-preview
Programme Location:  Online
Programme Dates:  19 June to 15 August 2021
Application Deadline:  15 February 2021
No. of Placements:  Unlimited (please read below)

COVID-19-related updates:

Due to the COVID-19 situation, Stanford has announced that IHP will continue to be offered 100% online for 2021.

Students may apply for module mapping and transfer a maximum of eight (8) MCs (this is applicable only to electronic summer programmes 2021). Please note some Schools or Faculties (including School of Computing) will not approve module mapping for remote or online courses. Please check with your home School or Faculty Dean’s Office to determine if module mapping can be approved for remote/online courses before applying to the partner university.

Students who are interested in IHP 2021, please submit an application on EduRec and inform Mr Jacob O’Quinn (jacob@nus.edu.sg) of your interest in the programme by Mon, 15 Feb 2021 at 5:00pm (Singapore Time). An exclusive link to the IHP application will then be provided for students to submit their applications to Stanford.

<td>For Summer Session 2021, tuition will be USD $1,233 for undergrad and USD $1,207 for grad (per unit.) Students can take a minimum of 3 units but will need to take 8 units in order to receive the 20% IHP discount.</td>
<td>The Document Fee will be the only other required fee. The USD $125 Document Fee offsets the cost of maintaining student records, processing transcript requests, and other registration-related services. Because there is no need for students to apply for a visa, there will be no I-20 fee for the 2021 cohort.</td>

For summer 2021, Stanford is offering Summer Boosts - five focused experiences designed to let students dive into a topic alongside like-minded classmates.

Stanford’s 2021 Summer Boosts are as follows:
- Innovation Studio
- Creating AI
- Introduction to Data Science
- The Daily Photograph
- College Essay Bootcamp

Confirmed Summer Session students who take two or more courses will be able to sign up for one Boost at no additional cost (a $500 value).

Visit Stanford’s website to learn more about all five Summer Boosts!

### 5 Eligibility Requirements
NUS’ generic eligibility requirements apply, please see NUS GRO website for details.

To be eligible to apply, students must:
- Be at least 18 years of age by the start of the programme (23 June 2018).
- Have successfully completed at least one term of college or university courses following graduation from high school prior to applying. (Students who have already graduated from college or university are also eligible.)
- Be able to verify fluency in the English language, using one of the methods described in the English Language Proficiency section on the International Students page.
- In addition to submitting an online IHP application, students have the option to write short personal statement in response to a specific question, and supply a TOEFL, IELTS, or Cambridge Exam Score.

For more information about IHP, please email summerhonors@stanford.edu or contact your home university's coordinator.
