### NUS Financial Aid

You should have enough monetary funds to last you throughout the whole i-SP programme. Your decision to go on i-SP should not be dependent upon the confirmation of a scholarship or bursary award. You can consider the following financial aid options to fund your i-SP:

**For Singaporeans only:**
- [NUS Awards for Study Abroad (NASA) Enhancement Bursary](http://summer.berkeley.edu/international/registration-fees)
- [Overseas Student Programme (OSP) Loan](http://summer.berkeley.edu/international/registration-fees)
- [Post-Secondary Education Account (PSEA) Funds](http://summer.berkeley.edu/international/registration-fees)
- **US-Singapore Summer Exchange Scholarship Programme**

Please note that if you are successful for any financial aid, the funds will only be disbursed to you after completion of the programme.

### PROGRAMME DETAILS

| 4 | Academic Content | UC Berkeley offers a wide variety of modules each summer. For more information, please refer here: [https://summer.berkeley.edu/classes](https://summer.berkeley.edu/classes)

Summer 2022 courses will be published in late 2021 or early 2022. Students may refer to Summer 2021 courses to get an idea of what modules they can take next summer; but please keep in mind that many in-person classes were not offered due to the COVID-19 pandemic, so the list could change for 2022. Berkeley hopes to offer more in-person classes in Summer 2022. |
