

STUDENT EXCHANGE PROGRAMME (SEP)

## Information for Students on Exchange

<b>A. University</b>	Telecom ParisTech  <a href="http://www.telecom-paristech.fr/eng">http://www.telecom-paristech.fr/eng</a>
<b>B. Country</b>	France
<b>C. Academics</b>	
<b>i) Module Mapping &amp; Credits Transfer</b>	<p>Please ensure that your Study Plan is approved by the academics at your home faculty before the exchange.</p> <p>Modules approved in the past might not be offered by the host university or approved by your faculty when it is time for your exchange. Please check the latest course offerings at the host universities while you are preparing your Study Plan.</p>
<b>ii) Academic Calendar</b>	<p><b>Semester 1: *End August to Mid February</b>  <i>(*not advisable to go in Semester 1 as the academic calendar overlaps with NUS)</i></p> <p><b>Semester 2: Mid February to End June</b></p>
<b>iii) Exchange Duration</b>	<p><i>One semester</i></p> <p>For more information on the exchange programme, please refer to <a href="https://internationaltelecomparistech.wp.mines-telecom.fr/incoming-students/how-to-apply/">https://internationaltelecomparistech.wp.mines-telecom.fr/incoming-students/how-to-apply/</a></p> <p>Student Guidebook:  <a href="https://www.pairform.fr/doc/19/37/72/web/co/structure.html">https://www.pairform.fr/doc/19/37/72/web/co/structure.html</a></p>
<b>iv) Examination</b>	Students are expected to attend the mandatory examination at the host university.
<b>v) Curriculum Structure</b>	<p>Studies are divided into two semesters with the possibility to study at Telecom ParisTech for one to two semesters. Each semester is equivalent to 30 credits.</p> <p>The curriculum is based on the model of cumulative value units called “long modules” (48 hours in Paris or 42 hours in Eurecom-5 credits) or “short modules” (24 hours in Paris and 21 hours in Eurecom-2.5 credits).</p> <p>One half-day per week (Thursday afternoon) is allocated to sports and cultural activities so that students can take part in university sports competitions with other schools.</p>

**STUDENT EXCHANGE PROGRAMME (SEP)**

	<p>A choice of two campuses is available: Paris campus or Eurecom at Sophia Antipolis campus. Each campus offers different study tracks.</p> <p><b>On the Paris Campus</b>, exchange students can choose technical and scientific courses from one of the 13 study tracks the School offers (courses are offered :</p> <ul style="list-style-type: none"> <li>• Algebra, Codes, Crypto, Quantum (ACCQ)</li> <li>• Communication Devices and Systems (SOCOM)</li> <li>• Data Science (SD)</li> <li>• Digital Signal Processing : Models and Applications (SIGMA)</li> <li>• Distributed Software Systems (SLR)</li> <li>• Embedded Systems (SE)</li> <li>• Human-Computer Interaction &amp; 3D Computer Graphics (IGR)</li> <li>• Image (IMA)</li> <li>• Infrastructures and network securities (SR21)</li> <li>• Mathematics, Theoretical Computer Science and Operation Research</li> <li>• Networking (RES)</li> <li>• Stochastic processes and scientific computing (MACS)</li> <li>• Strategies, Innovation, Markets (SIM)</li> </ul> <p>In addition to the technical courses, students can also read courses in humanities or foreign languages as well as personal and professional skills courses.</p> <p>For more course information on the Paris Campus, please refer to <a href="http://www.telecom-paristech.fr/eng/international-studies/master-of-engineering/postgraduate-program.html">http://www.telecom-paristech.fr/eng/international-studies/master-of-engineering/postgraduate-program.html</a></p> <p>In the <b>Eurecom programme</b>, the curriculum is organized around 4 teaching tracks:</p> <ul style="list-style-type: none"> <li><a href="#">Data Science and Engineering</a></li> <li><a href="#">Communication Systems</a></li> <li><a href="#">Smart Objects</a></li> <li><a href="#">Communication System Security</a></li> </ul> <p>In addition to the technical courses, students can also undertake courses in humanities or foreign languages as well as personal and professional skills courses.</p> <p>For more course information on the Eurecom Campus, please refer to <a href="http://www.eurecom.fr/en/teaching/engineering-studies">http://www.eurecom.fr/en/teaching/engineering-studies</a></p>
<p><b>vi) Entry Requirements</b></p>	<p>You should:</p>

**STUDENT EXCHANGE PROGRAMME (SEP)**

	<p>(a) be registered as a full-time undergraduate student at NUS;</p> <p>(b) have successfully completed at least 2 years of Bachelor level study upon admission to the host university;</p> <p>(c) be a student of good standing at the home university with:</p> <p style="padding-left: 40px;">(i) a minimum CAP score of 3.0 out of 5.0 or a minimum 'B' average grade or 70% average marks or ranking in the top one-third of the class;</p> <p style="padding-left: 40px;">(ii) a minimum 'B' grade in the current/intended discipline/major; and</p> <p style="padding-left: 40px;">(iii) no single grade below 'C';</p> <p>(d) show the aptitude, motivation and maturity, to thrive in the environment at the host university</p>
<b>vii) Language Proficiency Requirements</b>	French proficiency is required for Paris Campus, courses are taught in English at Sophia Antipolis Campus.
<b>viii) Faculties &amp; Schools accepting exchange students</b>	<p>Telecom ParisTech provides 'custom-built' training that makes it unique among engineering Grandes Ecoles in France: students can choose their own training program based on their personal references and career aspirations.</p> <p>On the Paris Campus, depending on your background and on your interests, you can choose among 14 study tracks (one study track for the entire programme). Please refer to <a href="https://internationaltelecomparistech.wp.imt.fr/incoming-students/choose-your-study-track/">https://internationaltelecomparistech.wp.imt.fr/incoming-students/choose-your-study-track/</a> for details.</p> <p>On the Eurecom campus, priority has been given to 3 fields of research:</p> <ul style="list-style-type: none"> <li>● Networking and security</li> <li>● Multimedia communications</li> <li>● Mobile communications</li> </ul>
<b>ix) Module restrictions and pre-requisites</b>	Students must have completed at least 4 semesters of undergraduate studies before participating in exchange programme at TELECOM ParisTech.
<b>D. Application</b>	
<b>i) Procedures</b>	All NUS student has to be nominated by NUS before they can apply for fee-waiver exchange at the host university.

**STUDENT EXCHANGE PROGRAMME (SEP)**

	<p>The application procedures and list of supporting documents needed by the host university can be found in the SharePoint.</p> <p>Please look for the SEP coordinator at your Dean’s Office for the link to the SharePoint.</p>
<b>ii) Deadlines</b>	<p>All NUS student must abide by the internal application deadline set by their home faculty for exchange participation in the following academic year. After clearing the internal application and selection process, students have to take note of the application deadline set by the host university.</p> <p>Failure to submit a formal application to the host university will result in your exchange being forfeited even if you have been selected by NUS for the exchange.</p>
<b>E. Accommodations</b>	
<b>i) University Accommodation</b>	<p>The association that manages the student housing for Télécom ParisTech students is called Maison des Élèves (nicknamed “la Maisel”).</p> <p>For more information on accommodation, please refer to <a href="http://www.telecom-paristech.fr/eng/life-at-telecom-paristech/accommodation.html">http://www.telecom-paristech.fr/eng/life-at-telecom-paristech/accommodation.html</a></p>
<b>ii) Private Accommodation</b>	
<b>F. Visa</b>	
<b>Consular/Visa Regulation</b>	<p>Long-Stay visas are necessary for stays exceeding 3 months. Upon arrival in France, students are required to register with the French Immigration and Integration Office (OFII) for a residence permit.</p> <p>Please visit the websites of French embassies and consulates in your country.</p> <p>All students who wish to study in France must follow the Campus France procedure on Etudes en France online platform before applying for a visa. Please refer to <a href="http://www.singapour.campusfrance.org/page/student-visa-stays-france-more-90-days">http://www.singapour.campusfrance.org/page/student-visa-stays-france-more-90-days</a> for details.</p> <p>Students can apply up to 3 months prior to the departure. During the peak period (from April to August), students are invited to apply as soon as they can, to avoid any delays, since it can take up to 2 weeks to get an appointment. All students are advised to apply for the necessary visa</p>

**STUDENT EXCHANGE PROGRAMME (SEP)**

	<p>immediately after they received the official offer letter/email from their host university.</p> <p>For more information about visa, please refer to <a href="http://www.ambafrance-sg.org/-English-">http://www.ambafrance-sg.org/-English-</a></p> <p>Or <a href="https://internationaltelecomparistech.wp.mines-telecom.fr/incoming-students/practical-information/">https://internationaltelecomparistech.wp.mines-telecom.fr/incoming-students/practical-information/</a></p>
